What can the Sun City Home Owners *do for me?*

What can I do for the Association *and profit thereby?*

The Community of Sun City is not an organized political subdivision. Its welfare depends upon the action of many State and County Bureaus.

The Home Owners Association is the only organization in Sun City to effectively represent all the inhabitants in all matters.

Representatives of the Home Owners Association testified or consulted, for the benefit of the Community, with the following:
Arizona Fire Rating Bureau, County Assessor's Office, Attorney General, Board of Elections, Board of Supervisors, Board of Health, County Engineer, City of Phoenix, City of Glendale, City of Scottsdale, Corporation Commission and the Commission's utilities and transportation divisions, Department of Finance, Department of Insurance, Industrial Commission, Joint Committee of State Senate and House, County Treasurer, Arizona Supreme Court, Senate Committee on Taxes, Vehicle Bureau, Highway Department, Planning and Zoning Commission, Del E. Webb Corp., Sun City Water Co., Sun City Sewer Co., and Rural Fire Department.

A Volunteer Fire Company was organized through the coordination of 11 of the above, resulting in the installation of hydrants (about 160 between Grand and Olive Avenues and about 120 North of Grand) at no cost to individuals, a contract (with expanded protection) with the Rural Fire Protection Co., a reduction from overall fire rating of Grade 10 to the present Grade 6, resulting in lower fire insurance premiums.

Recovery of taxes paid to the State, estimated this year to be more than $60,000.00 which amount is used to defray the cost of fire protection.

Because of this recovery of tax, there will be no charge to Sun City citizens for fire protection for the fiscal years 1969 and 1970.

Its Representatives appeared before various State Committees to try to prevent excessive State and school taxes from being put on this community.

Its Representatives consulted with the Highway Department to hasten the construction of 99th Avenue and the bridge on Peoria Avenue over the New River.

Other benefits derived from its activities are the placing of street signs, stop signs, traffic lights, elimination of flooding conditions, keeping of streets clean and in good repair, and the handling of hundreds of complaints.

Definite action pertaining to the elimination of feed lot odors and disturbing noises from nearby equipment.

Proposed taxes on Doctors calls cancelled and the tax on prescriptions were eliminated through the efforts of our representatives who appeared before the Senate Tax Committee.

The division of Sun City into 7 Districts providing for election of two Directors from each District. This insures equal representation from each District.

The County has changed its Voting Districts to conform.

Obtained a full time Sheriff (24 hours daily in Sun City).

Pay electric and heat bill and contribute to rent to support the State Automobile Drivers License Examiner in Youngtown for your convenience.

Widows and Veterans Tax Exemption Representative comes to Sun City annually for your convenience.

The Householders Official Directory published each year and distributed to every householder (free of cost), with a supplement to this year's Directory to be mailed each householder about November 1, 1969.

Its efforts are continuous for the benefit of the inhabitants of Sun City.

Many of our talented members have given much of their time on the different Committees for this Association.

No member of the Board receives compensation.

We invite you to take an active part in the affairs of your City. YOU CAN BY JOINING THE SUN CITY HOME OWNERS ASSOCIATION. The membership cost is only $2.00 per person and can be obtained by mail or pick up at the Association Office at 10783 Grand Avenue, Sun City, Arizona 85351.

TOWN HALL CENTER—ADMINISTRATIVE OFFICE, 10600 PEORIA AVE., PHONE 933-0127
TOWN HALL NORTH—10725 OAKMONT DRIVE, PHONE 933-2162
TOWN HALL SOUTH—9747 NORTH 107th AVENUE.
LAKEVIEW CENTER (FUTURE)

The recreational facilities consisting of Town Hall Center, Town Hall South, Town Hall North, and Lakeview Center, are owned and operated by the Sun City Community Association, a non-profit corporation formed by Sun City residents.

The complete Town Hall centers are under the supervision of the Community Association Board of Directors consisting of nine directors, including the President, Vice-President, Secretary and Treasurer, who are elected annually.

The function of the corporation is to maintain a general social, cultural, recreational and amusement enterprise for the benefit of its members; to coordinate, implement and aid the various recreational and social clubs and to promote cooperation in all matters of interest to the residents who become, and remain, members of the corporation by the payment of annual dues of $20.00 per member. Meetings of the Community Association are held on the second Monday of the months of January, May, September and November at 1:30 p.m. at Town Hall South.

The Board of Directors meet monthly on the 1st Monday of each month at 9:30 a.m. Committees of talented representative Community Association members appointed by the Board of Directors are Finance-Budget, Properties, Committee on Committees, Club Organization and Public Relations, all meeting regularly to plan and help coordinate the program of the Association.

Eighty recognized Community Association clubs, all with substantial membership, hold regular meetings and conduct interesting things to do in the Town Hall facilities on regularly scheduled dates. Each club elects its own Chairman and such other officers as necessary to assure the success of the Club. Much of the success of the Town Hall program is a direct result of the efforts of these clubs.

FIRE DEPARTMENT

Manned by trained professional fire personnel.

Service is provided 24-hours a day—seven days a week.

In addition to fighting fires, men are trained in first aid, resuscitation, rescue service, to administer oxygen (which is carried on all calls), lockout service (if you forget your keys), dark house service (if you are away two weeks or longer).

SUNSHINE SERVICE, INC.

One of the advantages of living in Sun City is the unique service performed by Sunshine Service, Inc. This organization, started in 1961, has an office and storeroom at 10307 Coggins Drive in Sun City, (Phone 933-5926), from which any Sun Citian may obtain sickroom equipment without charge, for as long as may be needed, and without regard to financial ability to buy or rent such equipment. The organization has a Board of 25 members and more than 400 district, sub-district and neighborhood chairmen, all dedicated to helping their neighbors in case of accident, illness or bereavement. The equipment, which cost more than $24,000, all purchased by voluntary contributions to Sunshine Service, as was the building and storeroom, is for the use of Sun Citians when and if needed. They are invited to visit the Sunshine Building to see the equipment and learn more about what "Sunshine" is doing to make Sun City a better place in which to live.

STREET GUIDE

This guide is designed to facilitate location of Sun City Streets. Directional designations (North, South, East and West) were determined by using Peoria Ave. as the division between North and South and 107th Avenue as the dividing line for East and West Streets. All numbers run from East to West and from South to North.

Where streets, avenues, or drives do not run consecutively, the inclusive residence block numbers are shown for each segment. In instances where a street is divided and two or more segments are under the same directional designation, the segments are further designated #1, #2, etc., reading from East to West or from South to North.

HONESTLY, NOW, ARE YOU SURE YOU KNOW

—what Medicare provides (and doesn't)?
—how your own health insurance plan fits in?

Why remain uncertain and uncomfortable? The Sun City Comprehensive Medical Benefits Program has been carefully designed to help you tailor your own protection. It's available only to residents of the Del Webb's Sun Cities. Participation is entirely voluntary. Want to learn more? Then, contact:

Most young car thieves start your car the same way you do.

(with your keys)

Half the cars stolen last year had the keys left in the ignition. And more than half the car thieves were kids under 18. You don't have to be an "old pro" to steal a car . . . when the keys are in it.

Young car thieves need your help to steal your car. Don't give it to them.

LOCK YOUR CAR.
TAKE YOUR KEYS.

Luxurious gifts for savers and the highest rates in town on insured savings

Southwest Savings handles all the details to transfer your account from anywhere in the nation. No fuss, no bother, no need for you to contact your present institution personally.

Your money is safe and always available. Accounts are insured by the Federal Savings and Loan Insurance Corporation, an agency of the United States Government with multi-billion dollar reserves and the right to draw on the United States Treasury in extraordinary situations. In addition, Southwest Savings is a member of the Federal Home Loan Bank System, maintains greater reserves than are required by law, and is a sound, conservatively managed financial institution with an enviable record of steady growth and progress.
