

Sun Cities historical society honor docents

The Sun Cities Area Historical Society conducted its docent appreciation evening Feb. 1, at the Del Webb Sun Cities Museum, 10801 W. Oakmont Drive.

The evening included light refreshments and recognition for service years of the docents. In addition to the service years recognition, several docents also received awards for going above and beyond while volunteering at the museum.

Betsy Harris received an engraved lighted award recognizing her 13 years of service to the museum. Flowers were given to Office Manager Linda Borton for her continued support of the docents and to Catherine DuBois for organizing private group tours at the museum.

The museum is always looking for docent volunteers. For more information, call 623974-2568 or visit delwebbsuncitiesmuseum.org/volunteer.
