## SUN CITY ARIZONA 933.0114 Friday, JULY 14, 1972 Saints open 6-game home series with California teams tonight

Two California teams will test their desert luck in six softball games against the Saints at Sun City Stadium this weekend.

Game time is 7:30 p.m. each night. Admission is \$1. The Fresno Rockets, who will open the series with doubleheaders tonight and tomorrow night, are members with the Saints in the Pacific Coast Women's Amateur Softball League. The doubleheaders are vital games where the Saints' league record is concerned. THE SAINTS enter tonight's contest sporting a 16-8 league mark, good for second place, but Fresno is right behind in third. In the last encounter with the Rockets, on Fresno's home turf earlier this month, the teams split a pair of doubleheaders. All four games were fans delights. Each was decided

by one or two runs, the Saints taking the opening games 1-0 and 2-1. the Rockets winning the second night 1-0 and 2-0. In addition to the two 2

hitters hurled by Saints' pitcher Billy Harris, shortstop Ginger Kurtz wielded much of the offensive power at the plate, contributing two singles in the second game and adding another pair in the finale. She scored both Saints' tallies during the second night's game.

Saints' coach Bev Dryer expects the Fresno games to be hard-fought.

"FRESNO is a good ball club," she said, "They really hit the ball well." A pair of former Saints

will be in the field against the home team tonight and tomorrow night, Fresno shortstop Chris Miner and outfielder Andie Erwin. This will be the Saints'

first look at the San Diego Schooners this year. They will meet Sunday night in a

Sun City softball fans planning to join the chartered bus trip to the Cactus Regional Amateur Softball Association tournament in Prescott Aug. 3-6 have today and tomorrow to sign up for the trip. Registration will close after tomorrow. Round-trip fare is \$4.50 per night and can be paid at the souvenir table at Sun City Stadium between the Saints' games. The Saints will compete in the tournament, hoping to make it their first step on the way to the national tournament later in August.

Rillie Harris gave up nine hits in losing the opener, which saw Connie Kennedy hurl an eight-hit shutout for the Rockets in the overtime pitchers' duel. In the seven-SUN CITY - The Sun City Saints split a doubleheader inning second game, Paula Miller limited Fresno to four with Fresno last night, dropping the 11-Inning opener, 1-0, hits in keeping the visitors and taking the nightcap, 4-0. scoreless.

The same clubs tangle in another Pacific Coast League softball twin bill here tonight, starting at 7:30.

TRUELY SAINTS

It's hard to say what's in my heart So, let me take you from the start I've played for teams many a year But never found one very dear

I soon was riding the pine for nine And there I sat for quite some time Sitting isn't really so bad If on that team, you are glad

1 do here state that I've been had And the coaching was very sad Yes, softball gave me quit a fall And I was ready to say, "the hell with it all" But, than things changed drastically And now I'm really very happy I received a call and was asked to play And I said yes without delay

I knew of the 'Saints' from some years back and remembered that spirit they never lack Every one accepted me fight away As if I'd been here many a day

The team is young, yet they play so well And their attitude is really swell They field, they hit, they do it all And catch each other, if they fall

It takes many things to make a team It takes good players with guts and self-esteem It takes all their efforts from their heart And the pride to do well from the start

It takes players who fight for the same thing And work together, like an efficient machine It takes a coach who loves the game Who can get you moving, and yet be tame

Who teaches players the games tools And sees them all as individuals I would never have guessed there could be such a team That could fill such a beautiful dream

But, the 'Saints' do that, and much more My faith in softball, they did restore Of the Sun City Saints, I shall always be proud And shout this from the rafters or in a crowd

A Sun City Saint I am glad to be And they shall always be a part of me Take pride, you "Saints", in each other To play with, there is no team better

For such a team, count your stars wightly And thank the Lord, for a coach like Beverly.

With Love.

### Amateur Softball Association National Championship

DON PORTER Executive Secy.-Treas.

Competition in this year's National Championship will be keener than ever. Not only have the players and teams improved, but so has the playing equipment and facilities, making the game even more competitive.

Putting all this together means that the competition that unfolds during this National Championship should be the best ever.

Great individual efforts will spice the play, but at the end it will be a team effort that will provide the necessary ingredient for winning the National Championship.

The combination of great individual and team play, highly proficient officiating and top flight organizing will provide for the fans interest and excitement that will not be found in too many major sport events.

Softball is now entrenched as one of the great competitive, as well as, spectator sports in the country.

A.S.A. congratulates the players and teams participating in this National Championship. They are participating because they earned the right through KEEN and STIFF competition at other levels of championship play.

SANTA RITA SOFTBALL FIELD NO. 2 Santa Rita Fields were developed in two stages. Field No. 1 was developed in 1946 by prison labor. It was the third lighted field in Tucson. Santa Rita Softball Field No. 2 was developed especially for the 1972 National Women's Softball Tournament.

Second Row (left to right) — Ruben Duarte, manager; Debbie Duarte, third base; Irene Tapia, second base; Pat Marterito, catcher; Beverly McIntyre, outfielder; Hilda Flores, pitcher; Sally Gamez, first base; Doris Dillon, infield; Arnold Quintero, coach. Not pictured: Sonie Sierray, Josie Powell, Judy Pareel.

The host city team for the National A. S. A. Women's Pitch Tournament is the strong "Roadrunners" under the capable management of Ruben Duarte and Arnold Quintero. The blue-ribbon tournament is the second venture for the Roadrunners in the big time and they promise to make their presence known as they have the capabilities to be the strongest team to ever represent the Old Pueblo in any tournament.

The team was organized in the spring of 1969 and competed in the strong Copper State League finishing a close second to the Las Vegas Frontier Belles. Felix Carreon was the very capable manager of the Roadrunners for the first two years of their existence.

In 1972 Ruben Duarte and Arnold Quintero took over the hard task of rebuilding a new team for competition in the strong Pacific Coast League.

competution in the strong Pacific Coast League. The "Tucson Roadrumers" are a very young club, but have developed into a very well balanced club, which features good pitching, sound defense, and good power at the plate. Hilds Flores and Olivia Olivas are proven hurlers who have experience and poise, plus the ability to mix the pitches. Behind the plate it will be Sally Gamez, who has a strong and accurate arm, plus being a good clutch hitter and a daring base stealer.

At first base it will be Doris Dillon, a long ball hit-

ter; at second it will be Irene Tapia who is making her second appearance in the National A.S.A. tournament. Strong arm and great range are the words that describe the Roadrunners Shortstop, Virginia Perez. Debbie Duarte, Connie Sierras, or Josie Powell can be called on to play the hot corner with dependability. The trio also help the Roadrunners by being good hitters.

The Outfield trio is led by Beverly McIntyre at center field, who is making her second appearance in a National Softball tournament; the youthful Barbara Matthews in left field; and power-hitting Romy Alvarez, the veteran in right field.

Birdie Vergara is the leading hitter for the Roadrunners boasting a .333 average in season play. She has 10 homeruns to her credit. Other players likely to see action are Judy Parcel and Pat Matrecito – capable utility players who can be called upon to play various positions and come up with a hit as pinch hitters.

The Roadrunners have the ability to hit the long ball or the homerun. Coach Duarte feels the Roadrunners have a good chance in the National Tournament, if all his players are hitting and playing bril liant defense.

The Tucson Roadrunners are sponsored by the Tucson Parks and Recreation Department under General Manager, Ernest Batiste.

Good Luck to all the Jeams

The defending National ASA Champions are the powerful Raybestos "Brakettes" of Stratford, Conn. It took the "Brakettes" 11 years to climb to the top in National Women's Softball Competition, but once they reached the pinnacle their record of domination in the sport has been unmatched.

The "Brakettes" have established more precedents than any other softball aggregation in the long history of the game. Among their other achievements, the "Brakettes" have toured the world on a 42,000 mile goodwill journey and raised more than onequarter million dollars for charitable organizations.

> Valley National Bank Arizona Trust Co. Southern Arizona Bank Grayline Tours Arizona Mining Assoc. Arizona Highway Dept. Old Tucson McDonalds Rayette Corp. THANK YOU!

In 1971, the fabulous "Brakettes" didn't lose a game all year – a feat unmatched in softball annals. They came into the **1971** tournament with a perfect 52-0 record and went out with an equally perfect 57-0 mark.

The tournament tried and proven "Brakettes" will be striving to record their ninth National Championship in their last 15 years of play, and have set their sights on the 1974 International, which will be staged at Stratford, Conn. – hopefully with the "Brakettes" as the host U.S. Representative. Tucson wishes their best to the "Brakettes."

EDTOR: Just a few news items that might be of interest to local women's softball fans: Chris Miner, former Saint now with Fresno, Calif. made the all-star first team at shortstop at the recent National Women's fast-pitch tournament at Tucson. She also won the best defensive player award. Unofficially, she batted over .600 but was not at the plate often enough to win

that title, which was won by Joan Joyce of Stratford, Conn., with a .485 average. Joan was also the leading hitter in 1971 with a .467 average.

In 1971 our Billie Harris batted .538 but was at bat only 13 times. Joan was at the plate 15 times.

Chris broke her left thumb early in the first game against the Pekin (III.) Lettes and had to play the remaining games with a special brace. Fresno placed third.

Orange, Calif., which lost to Stratford in extra innings in the finals, had a few problems with the "imen in blue" whenever they played the Brakettes. The umpires would not tolerate even a legitimate protest.

Ray Chenault, who was given recognition this summer for attending all Saint games since the spring of 1966, passed away last week.

Mark Scheer, 17, who worked part-time at our ball park last year, lost a shootoff for trapshooting's most coveted tille, the Grand American Handicap, last week at Vandalia, Oho Mark had tied with 99x100 in the regulation event.

A new women's softball team is being formed in the Los Angeles area by a wellknown player and coach which may have some familiar players on its roster.

Copper State League officials are planning on selling shares of stock and building a softball park for their own use. No site ar yet, but one official said they would like to build in West Phoenix.

Those players whose names are in caps are on this year's All Star team. Please note there was a tie (3 way) for the last infield position so it is only fair that all 3 girls be given the honor of making the team.

The manager of each team should get the individual trophies for their players who made the All Stars and submit the bill to me in the very near future. It has been an understanding that these awards be kept around the \$5 mark. As soon as all bills have been received I will reimburse you and return your balance of the \$150 forfeit fee for 1972. Since I would like to forget about softball for a couple of days I would appreciate all this being done real soon. Thanks for your cooperation and congratulations to all your honored players.

## NEWS-SUN Friday, April 28, 1972 Saints shorted out of weekend series

The Reno, Nev., Livewires girls' softball team is showing little sign of life lately. They have canceled the four-game series scheduled this weekend against the Sun City Saints.

Coming off of a four-game sweep against the Anaheim (Calif.) Stars last weekend in Sun City Stadium, the Saints are 13-3 for the season.

Next weekend the Saints are scheduled to host a pair of Phoenix teams. On May 6 they will meet the American Blues in a doubleheader and on May 7 they will play a twin bill with the Westerners. It will be the last time the Saints play a local team until July 8 when they are scheduled for a return match against the Tucson Roadrunners. Against the Tucson team in the season openers, the Saints amassed 54 runs and swept the fourgame series.

After the Roadrunner series, Saints fans will get a chance to really hoot and

The Saints get a breather this weekend because the Reno Livewires have canceled their games.

In the pitching department, the Saints normally are starffed with three reliable players. However, lately the mound chores have been split by Miss Harris and Paula Miller alone. Betty Barr, who rounds out the trio, has been lilling in at first base for the injured Thelma Keith. Miss Dryer reports that Thelma will be out of action for several weeks more. THE REMAINDER of the
