WHAT IS SUN CITY HOME OWNERS ASSOCIATION?

This 1965-1966 household directory is a service project sponsored by the Sun City Home Owners Association and will be a yearly program to have issued a revised listing of residents of Sun City.

A free copy will be available for each home and distribution on a gratis basis is only possible by sale of space in the classified business section. Your patronage of the merchants, home service organizations and professional men listed in the YELLOW PAGES will help to sustain this useful community and commercial index of business in the area who may serve you best.

By holding memberships in Home Owners every householder is sanctioning the purposes of this vital civic organization and gives support to its programs which can be briefly stated as:

- I. To institute programs which assure the maintenance of the high standards already established in this attractive residential area.
- II. To act on behalf of the membership and provide guardianship to the entire community in respect to the orderly development of Sun City, so its scenic beauty is retained, with safety on the thoroughfares, and security within the home.
- III. To stimulate the public interest relating to the problems of sanitation, cleanliness, noise, air pollution and many nuisances that disturb the tranquillity, health and well being of all the residents.

Through its organizational functions and effort the Association was instrumental in establishing local units of various state and county service organizations for benefit of the residents such as: Driver license examination, golf cart inspection, increased county police protection, street paving projects and traffic controls.

Its efforts have been instrumental in effecting lowered utility rates, telephone, water, trash collection and opposed increases in sewer rates.

In civic activity it advocates the adherence to county ordinances and regulations governing zoning, weed control, prolonged parking of trucks and trailers, excessive and improper use of realty signs and other practices which tend to deter the beauty and welfare of the community.

These are just a few valid reasons for the existence of Home Owners and probably the most significant purpose of the organization is to provide a "launching pad" for public opinion on issues that might seriously affect the entire economy of the community and obviously as Sun City grows the problems become more conspicuous.

Don't you want to take an active part in the affairs of your city? You can by joining Sun City Home Owners Association. The membership costs only \$2.00 per person and can be had by mail to or pickup at the Association office at 10725 Oakmont Drive, which is in the west end of Community Center.

SUN CITY TOWN HALL CENTER — 10600 Peoria Avenue

This attractive Center is owned and operated by the Sun City Town Hall Center, a non-profit corporation formed by Sun City residents of Units 2 - 3 - 4 - 5 and 6.

This complete Center is under the supervision of the Town Hall Board of Directors consisting of eleven directors, including the President, Vice President, Secretary and Treasurer, who are elected annually.

The function of the corporation is to maintain a general social, cultural, recreational and amusement enterprise for the benefit of its members; to coordinate, implement and aid the various recreational and social clubs and to promote cooperation in all matters of interest and benefit to the residents who become, and remain, members of the corporation by the payment of annual dues of \$20.00 per member. Meetings of the Town Hall Center are held on the second Monday of the months of January, May, September and November at 1:30 p.m. at Town Hall.

The Board of Directors meet monthly on the 1st Monday of each month at 9:00 a.m. Committees of talented and representative Town Hall members, appointed by the Board of Directors are Finance, House, Safety, Public Relations and legal, all meeting regularly to plan and help coordinate the program of the Center.

There are 19 recognized Town Hall Clubs, all with substantial membership, who hold regular meetings and conduct interesting things to do in the Town Hall facilities under regularly scheduled dates. Each club elects its own Chairman and such other officers as necessary to assure the success of the Club. Much of the success of the Town Hall program is a direct result of the efforts of these clubs.

"I believe that a man should be proud of the city in which he lives, and that he should so live that his city will be proud that he lives in it."

Abraham Lincoln

SUN CITY COMMUNITY CENTER

The Community Center consists of a number of buildings and a tract of land containing 2.45 acres. The address is 10725 Oakmont Drive, Sun City, Arizona. Many activities and more than 60 active Clubs use a large Hall with Kitchen and Lounge and Stage; Offices; Patio; Card Rooms; Dancing; Swimming Pool with Dressing Rooms equipped with showers and heat; Arts and Crafts Building, with Ceramics, Lapidary, Painting and Carpenter Shop; 9 Shuffleboard Courts; and one of only two Lawn Bowling Greens in Arizona.

The area containing 2.45 acres with improvements thereon was deeded to the Sun City Civic Association, Incorporated, by Del E. Webb Development Company, and the Deed provides that each resident of New Life and Sun City Unit #1 has an interest in the Corporation.

Membership in the Sun City Civic Association, Incorporated, indicates a recognition of the individual's responsibility to pay his fair share of the available facilities and membership is required to retain their interest in the invested Corporation and the use of all its facilities.

The only income is derived from assessment of membership dues, which presently are for each home, \$36.00 per annum, and donations from Activities Clubs.

Last year over 126,000 visits were made to the Center by members and guests. Admission to activities is by paid Membership Cards.

The activities and properties are managed by a Board of Directors consisting of nine members. There are presently 15 employees, in addition to the Board. Several committees selected from the Board members and regular members assist the officers in administration.

Our goal is a total MEMBERSHIP of all Property Owners in Units New Life and Sun City Unit #1 in order to provide for the needs of the members and enlarge and improve the present facilities.

STREET GUIDE

This guide is designed to facilitate location of Sun City streets. Directional designations (North, South, East and West) were determined by using Sun City Blvd. as the division between North and South and 107th Avenue as the dividing line for East and West streets.

Where streets, avenues, or drives do not run consecutively, the inclusive residence block numbers are shown for each segment. In instances where a street is divided and two or more segments are under the same directional designation, the segments are further designated #1, #2, etc., reading from East to West or from South to North.

In Winter A Super Efficient Heat Pump

Only Amana air conditioners give you dependable performance . . . long life . . . and your investment is protected by an exclusive Five-Year Warranty On Total Appliance.

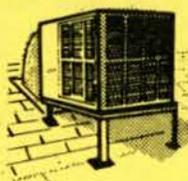

Not All Warranties Are Alike:

For example, ordinary warranties cover only the sealed refrigeration system — (the evaporator coil, condenser coil and compressor). One of the most frequent causes of trouble in air conditioners is failure of the fan motor. This is not covered by ordinary warranties.

Amana 5-year warranty on total appliance
not only includes fan motors, but all these other items as well:

- Thermostat
- Overload Protector
- Rotary Switch
- Solenoid Coil
- Fan Motor
- Auxiliary Heater Assembly
- Fusible Link
- Wiring Harness
- Blower Wheel
- Condenser Coil
- Evaporator Coil
- Compressor
- Check Valve
- Reversing Valve

Unmatched Performance. — Unmatched Protection from Amana! No wonder smart buyers look to Amana. See the complete range of sizes and models today.

THANK YOU

Yes, we would like to take this opportunity to thank you many nice folks at Sun City who have purchased cars from us!! To you folks who may be buying a car sometime in the future, we would like to say this. Bill Luke has been a Phoenix New Car Dealer for over 38 years, and has gained a reputation for honest and sincere dealing that is beyond reproach! Bill realizes that retired folks for the most part have a limited income, so he is prepared to offer you the most for every dollar you spend with him!! So be it a Valiant, Plymouth, Chrysler, or Imperial that you desire, drive in to 501 West Washington in Phoenix today, or a call to ALpine 8-1646 will bring the car of your choice to your front door!
