What can the **Sun City Home Owners** *do for me?*

What can I do for the **Association** *and profit thereby?*

Very Frankly, We In Sun City Need Each Other.

We feel that those of us who have re-located here and now call Sun City our home, like what we have found, else we would not have come. We feel too, that all of us want to maintain the Community on the highest possible level. This can and will be accomplished by a strong cross section of our property owners, banded together for a common purpose.

Having an investment in Sun City property, we need the combined strength of our owners of homes and our Home Owners Association to adequately represent our interests in many matters relating to the corporations doing business here and with the officials of Maricopa County.

Every facet of municipal well being claims the attention of our Board of Directors. The combined efforts of our membership, represented by the Board, has produced excellent results in the past and will continue to do so in the future.

Among the many segments of our program is the development of this directory, distributed to every household each year and at no cost to the occupant.

This is only made possible through the sale of space to our merchants, service organizations and professional men listed in the Yellow Pages. Your patronage of their services will aid in sustaining this useful household and community index of resident and merchant alike.

A substantial majority of our residents now have their membership cards for 1967 and those presently not enrolled, are urged to do so promptly by applying for membership at a cost of \$2.00 per person at our office in the Community Center, 10725 Oakmont Drive, open Monday thru Friday, 9 a.m. to 2 p.m.

SUN CITY TOWN HALL CENTER — 10600 Peoria Avenue

This attractive Center is owned and operated by the Sun City Town Hall Center, a non-profit corporation formed by Sun City residents of Units 2 - 3 - 4 - 5 and 6.

This complete Center is under the supervision of the Town Hall Board of Directors consisting of eleven directors, including the President, Vice President, Secretary and Treasurer, who are elected annually.

The function of the corporation is to maintain a general social, cultural, recreational and amusement enterprise for the benefit of its members; to coordinate, implement and aid the various recreational and social clubs and to promote cooperation in all matters of interest and benefit to the residents who become, and remain, members of the corporation by the payment of annual dues of \$20.00 per member. Meetings of the Town Hall Center are held on the second Monday of the months of January, May, September and November at 1:30 p.m. at Town Hall.

The Board of Directors meet monthly on the 1st Monday of each month at 9:00 a.m. Committees of talented and representative Town Hall members, appointed by the Board of Directors are Finance, House, Safety, Public Relations and legal, all meeting regularly to plan and help coordinate the program of the Center.

There are 19 recognized Town Hall Clubs, all with substantial membership, who hold regular meetings and conduct interesting things to do in the Town Hall facilities under regularly scheduled dates. Each club elects its own Chairman and such other officers as necessary to assure the success of the Club. Much of the success of the Town Hall program is a direct result of the efforts of these clubs.

"I believe that a man should be proud of the city in which he lives, and that he should so live that his city will be proud that he lives in it."

Abraham Lincoln

SUN CITY COMMUNITY CENTER

The Community Center consists of a number of buildings and a tract of land containing 2.45 acres. The address is 10725 Oakmont Drive, Sun City, Arizona. Many activities and more than 60 active Clubs use a large Hall with Kitchen and Lounge and Stage; Offices; Patio; Card Rooms; Dancing; Swimming Pool with Dressing Rooms equipped with showers and heat; Arts and Crafts Building, with Ceramics, Lapidary, Painting and Carpenter Shop; 9 Shuffleboard Courts; and one of only two Lawn Bowling Greens in Arizona.

The area containing 2.45 acres with improvements thereon was deeded to the Sun City Civic Association, Incorporated, by Del E. Webb Development Company, and the Deed provides that each resident of New Life and Sun City Unit #1 has an interest in the Corporation.

Membership in the Sun City Civic Association, Incorporated, indicates a recognition of the individual's responsibility to pay his fair share of the available facilities and membership is required to retain their interest in the invested Corporation and the use of all its facilities.

The only income is derived from assessment of membership dues, which presently are for each home, \$36.00 per annum, and donations from Activities Clubs.

Last year over 126,000 visits were made to the Center by members and guests. Admission to activities is by paid Membership Cards.

The activities and properties are managed by a Board of Directors consisting of nine members. There are presently 15 employees, in addition to the Board. Several committees selected from the Board members and regular members assist the officers in administration.

Our goal is a total MEMBERSHIP of all Property Owners in Units New Life and Sun City Unit #1 in order to provide for the needs of the members and enlarge and improve the present facilities.

For the convenience of Sun City residents planning a trip abroad or desiring information or assistance on foreign travel, the names and addresses of Consular Corps members who reside in metropolitan Phoenix are listed below.

HOUSEHOLDERS DIRECTORY

STREET GUIDE

This guide is designed to facilitate location of Sun City streets. Directional designations (North, South, East and West) were determined by using Sun City Blvd. as the division between North and South and 107th Avenue as the dividing line for East and West streets.

Where streets, avenues, or drives do not run consecutively, the inclusive residence block numbers are shown for each segment. In instances where a street is divided and two or more segments are under the same directional designation, the segments are further designated #1, #2, etc., reading from East to West or from South to North.

North-South numbers are numbered from South to North, East-West numbers are numbered from East to West. Sun City limits are as follows: North, Grande Ave.; West, 111th Ave.; South, Olive Ave., and East, 99th Ave.

ANNUITIES

Annuities to provide a lifetime income commencing immediately are now available on an extremely attractive basis. For example, a man age 65 can now purchase for \$10,000 a life annuity guaranteeing an income of \$76.40 a month for as long as he lives. For a woman age 70 the corresponding monthly income would be \$79.20.

Annuities receive income without fear of outliving principal, or concern about its safety, or responsibility for its proper investment. These assurances and the favorable Federal tax treatment of annuity income can contribute significantly to more comfortable and enjoyable living.

ONE OF AMERICA'S FINEST

Why above ground entombment?
Above ground entombment fulfills a heartfelt want — complete and permanent protection against the unfriendly elements of the earth.

What is the method of entombment?
The entombment space is a clean, dry chamber or crypt, closed with imported marble in rich colors.

Is the building air-conditioned?
Yes, the chapel and corridors are air-conditioned and carpeted for your comfort during the time of visitations. This is the only "indoor" mausoleum in Arizona with available crypts.

Can we trade-in cemetery property owned elsewhere?
Yes, you can trade-in your cemetery lots owned in any State on crypts in Memory Lawn Chapel Mausoleum.

Guided Tours Sunday Afternoons

MEMORY LAWN CHAPEL MAUSOLEUM

Arizona's first and only Chapel Mausoleum was dedicated in 1965 and is now nearly completely sold out. Over 2,000 persons have already pre-arranged their memorial estate by purchasing crypts. Join your friends and neighbors in a wise choice for the future.

AT NO GREATER COST THAN THE BEST OF GROUND BURIAL.

It sounds expensive—why isn't it?
Above ground entombment eliminates all these costs: cemetery lot, opening and closing graves charges, vaults, monuments, rising costs, etc.

Must I pay all at once?
No—payments may be spread over several years without interest or carrying charges.

What about future care?
This is an Endowment Care Mausoleum under the State law. A portion of the sale price is placed in trust and its earning power will always produce an income to care for the building.

Why buy now?
Responsibility for this decision should not be left to those we love, to be made under emotional strain. Decisions together eliminate overspending.
