DEVCO Kicks-Off 1986 With Formation of State Clubs

SUN CITY WEST "STATES SOCIAL"

Sat., Jan. 18 1-3 PM Johnson Social Hall

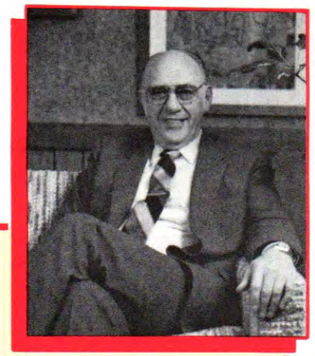

The Del E. Webb Development Co. is pleased to open 1986 with Sun City West's first "States Social", Saturday, January 18 from 1 to 3 PM in Johnson Social Hall. The event is being hosted to assist community residents in forming state clubs. With the help of Sun City West resident volunteers serving as hosts and hostesses, more than 22 states will be personally represented to sign-up prospective club members.

Registration for states not represented by a host/hostess will be conducted in a specified area of the Social Hall so that **all** states will be represented in some fashion.

In addition to state club sign-ups, refreshments will be served and the Desert City Six will be on hand with their lively Dixieland sound.

Everyone is invited to attend and is encouraged to visit the registration table for their particular "home" state. Make plans now to join us for this special day of tribute to Sun City Westers and their roots!

FROM THE CHAIRMAN. .

A Look Back . . . . A Look Ahead . . . .

As we close the books on 1985, I'd like to take this opportunity to look back at some of our accomplishments here at Sun City West and briefly touch on some of our plans for 1986.

Amenities top our list of accomplishments in 1985. In May, we opened the clubhouse at Briarwood Country Club. That brought to completion a $4 million commitment we had to the members of this elegant club. The opening of the clubhouse also stimulated membership recruitment. I expect we will turn the club over to its members in early 1986.

In June, we opened Sun City West's second recreation center — Beardsley Park. I'm particularly proud of this facility because it represents a joint effort by the community and DEVCO. We worked closely with a resident committee to create a $5 million center that satisfied as many interests as possible. I understand the new indoor-outdoor pool is receiving a lot of use these days. And while on the subject of resident input, the Recreation Centers of Sun City West and PORA are already soliciting ideas for Recreation Center #3.

1985 also saw the Sun Health Corporation break ground on the Del E. Webb Memorial Hospital which will be located right here in Sun City West. The year also brought an additional medical facility and new shopping centers to our community.

Looking at sales, 1985 was a very good year. We had a tremendous fourth quarter selling more units during that period than any previous time in the history of Sun City West. For those of you participating in our Refer-A-Friend program ... Thank You! You helped add 765 new residents to our community. And, as sales increase, we're able to bring you more of the amenities that have made Sun City West great.

In 1986, you will be playing on the community's sixth golf course, an executive 18 which is already under construction. We will also being development north of Meeker Boulevard — a big step in the progress of this community. As that development continues, you'll soon see a Community Service Building take shape on land that was deeded to the PORA Foundation by DEVCO.

We're looking forward to another good year in 1986. As we head into the eighth year of this community's development, we realize we are already past the mid-point in its growth. "Halfway there and Growing Strong" was the theme of our Seventh Birthday Party in October. Needless-to-say, we've still got a lot of room to grow in the next eight years.

Mardi Gras Comes To SCW

Each year during February, the city of New Orlea comes alive with the elaborate Rex Pageant on Mardi Gras (Fat Tuesday) which this year falls on Feb. 11. This year residents have a unique opportun ty to share in a special version of this historical celebration right here in Sun City West.

DEVCO is hosting the community's first "Mardi G ras Carnival", Tuesday, February 11 from 6 to 9 p.m. at the Social Hall. Due to space limitations, admission will be by ticket only. Tickets will sell for $10 per person, with DEVCO underwriting all additional costs. Price of admission will include a professionally-catered hors d'oeuvre buffet featuring garden fresh vegetables with lobster dip and spicy cajon dip, hot brie cheese with pepper and bacon, Baton Rouge shrimp in sauce, Louisiana Gulf Coast oysters, chicken creole and miniature St. Charles jalappeno cheese rolls. Also included will be one complimentary cocktail per ticketholder and a fanfare of entertainment and dancing.

And what would Mardi Gras be without maskers? That's right, the Mardi Gras tradition centers around masquerading, therefore, ticketholders will be required to come in costumes with facial masks, making way for a costume contest, complete with grand prizes and a panel of celebrity judges.

"Maskers" may wear costumes symbolizing a prevalent personality trait. (For instance, someone with a good sense of humor might dress as a clown or a court jester.) Costumes may also characterize one's heritage and/or nationality. Other popular Mardi Gras costumes include the attire of medieval royalty, knights and peasants.

Tickets will be on sale in the Arts & Crafts Villa e of Johnson Recreation Center (in front of the office) January 14 to January 17 from 9 a.m. to 12 p.m. Thereafter, tickets may be purchased at DEVCO Headquarters at 13950 Meeker Blvd. (A limited number of tickets will be available. Make plans to get yours early!)

So with jolly maskers, entertainment, dancing, food and costume contest, Sun City West will put its own special stamp on the famous Mardi Gras tradition!

It's Much More Than Muscle...

ARIZONA SENIOR OLYMPICS

Arizona Senior Olympics will launch its 1986 games February 22 from Arizona State University. More than 50 events will be hosted Valley-wide throughout the week which will conclude March 2 in Sun City West.

Activities range from swimming and track and field to fencing and table tennis and are specifically designed for adults age 50 and over for *all* levels of ability. First-time athletes are just as welcome, and just as numerous, as lifetime jocks. It doesn't take muscle to participate — it just takes desire and will.

Three major events — lawnbowling, golf and roadracing — will be hosted in Sun City West. The lawnbowling events will be at Johnson Lawn Bowl Greens throughout the week. The golf and roadracing events will be on Sunday, March 2.

The golf event will be hosted at Hillcrest and will feature double shotgun starts at 8 a.m. and 12:30 p.m. The green fee for this special event is $11 (includes mandatory cart) in addition to a nominal registration fee.

The roadracing events will include 5K, 10K and half marathon runs, and a 5K race walk and will begin at Beardsley Park Recreation Center at 9 a.m.

Competition for Arizona Senior Olympics is in eight age divisions with medals being awarded to the top three participants in each division.

Advance registration is required. Entry forms for the 1986 Arizona Senior Olympics are now available at the Recreation Center office, the Sun City West library, and the DEVCO Headquarters Building. All entry forms must be received by February 7.

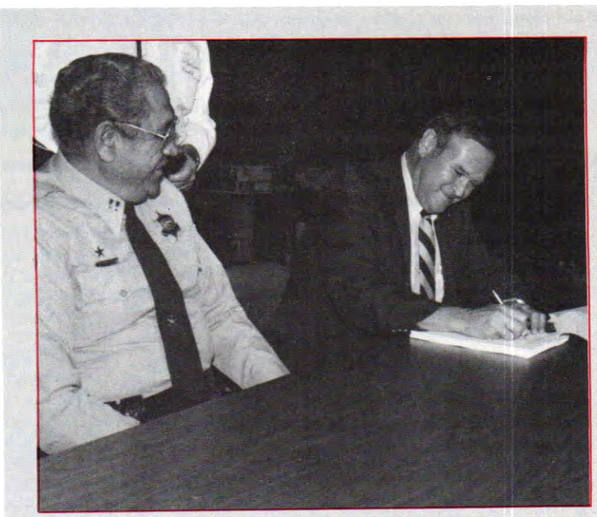

DEVCO FORMS COMMITTEE FOR FITNESS WEEK '86

As Arizona Senior Olympics draws to a close on Mar. 2, Sun City West's second annual "Health & Fitness Week" will open with a host of activities — from a lecture series to exercise workshops to a relay triathlon and much more.

Last year's Fitness Week was a tremendous success largely due to the efforts of a team of resident volunteers who assisted DEVCO in the planning of more than 20 special events.

DEVCO will revive this committee during January. Anyone interested in joining the committee is invited to attend the first meeting Monday, January 6 at 10:30 a.m. in the Johnson Lecture Hall. During this first session, ideas for events will be discussed and sub-committees will be formed to address specific activities.

Be watching for more details on "Health & Fitness Week '86" in the weeks to come!

Monte Carlo '85 A Success . . .

PORA's 1985 Monte Carlo Day was another rousing success with more than 3,000 attending for a day of "mock" casino fun and prizes. The event raised an estimated $31,000 which was donated to the building fund for Sun City West's Community Services Center. DEVCO president, Paul Tatz (above, right) was on hand at the Nov. 21 event to officially transfer the deed to the community services site to PORA. Ted Lira, commander of the SCW Sheriff's Posse, looked on as Tatz signed the agreement which also provides for a 99-year lease of one-acre of the 3.6-acre site from the PORA Foundation to the Posse.

THE BUDWEISER CLYDESDALES THUNDER IN TO SUN CITY WEST

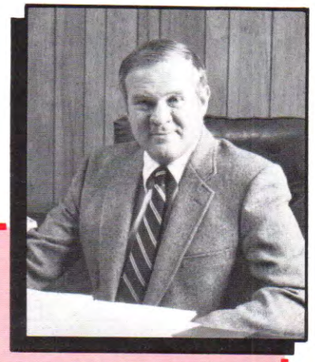

An American Tradition For More Than 50 Years

In 1933, to celebrate the end of Prohibition, August A. Busch, Jr. hitched up a team of eight huge Clydesdale horses to a big, bright brewery wagon and presented it to his father at Busch Stadium before 35,000 St. Louis Cardinal baseball fans. What began 52 years ago as a ceremonial gesture is today an enduring love affair as the mighty Clydesdales thunder across the country, appearing in state fairs, horse shows, and parades, winning the hearts of all who watch them.

On February 7 at 11 a.m. these world-famous horses will thunder into Sun City West. The Team will be hitched and on display in the parking area between the Sundome and the Crestview Restaurant. As part of their appearance, the horses will be led through the community's commercial core. With hoofs pounding and feathered legs flying, the Team puts on a remarkable exhibition, executing intricate maneuvers with precision and power.

The event is open to the general public, free of charge, and is being hosted by Golden Eagle Distributors, Inc. in conjunction with the Del E. Webb Development Co., L.P.

FROM THE PRESIDENT....

A NEW AUTHOR

For those of you who regularly read this column, it may come as a surprise to find a different author. During the last few years, Fred Kuentz and I have worked together as a team to rejuvenate this project. We are both proud of our success and of the management team we have assembled. As Fred nears his retirement, he has requested that I assume the responsibility of drafting this monthly letter.

I have learned a great deal from Fred in many areas of business. Perhaps the most valuable lesson was in communication. Fred Kuentz has always been an effective communicator. He brought that ability with him when he joined DEVCO and he easily transferred that effectiveness to the community.

Fred opened many doors to the residents of Sun City West. I doubt if this company has ever been more responsive to your needs or requests. We now work closely with PORA on a wide range of topics. We meet regularly with the Recreation Centers Advisory Board. And, through our "90 Day Letter", we solicit responses from our new homeowners to continually improve our product and our service.

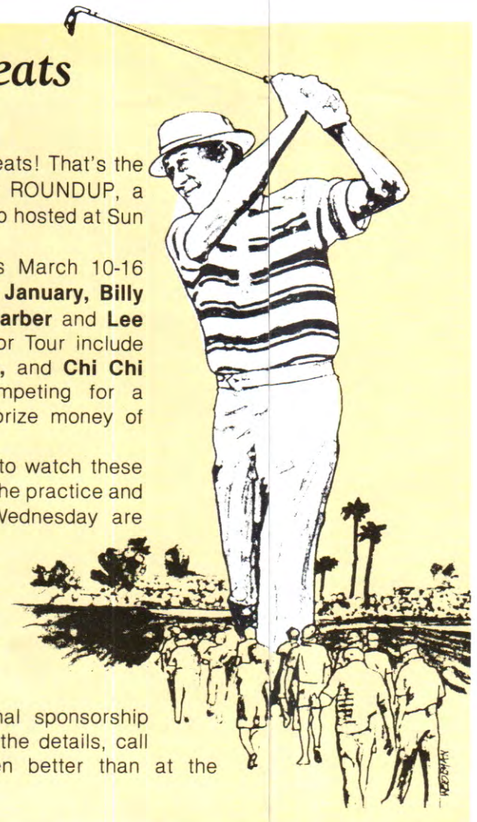

A large part of our success can be attributed to effective communication. I intend to keep the doors at DEVCO open. We will continue to work with community groups and remain responsive to residents.

As a part of that commitment, I would like to announce the formation of our Del Webb Speakers Bureau. Members of our management team are now available to address your club or organization. We feel this is a vital link between ourselves and the community. It will allow us the opportunity to tell you first-hand about our current and on-going plans for Sun City West. Our presentation is built around an informative 12-minute slide show, after which, we will be happy to answer any of your questions.

If you would like to arrange an appearance, contact our public affairs office at 876-3455. We look forward to meeting with you.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

See Golf's Greats March 10-16

Great golf played by golf's greats! That's the Del E. Webb Senior PGA Tour ROUNDUP, a prestigious 54-hole championship hosted at Sun City West's own Hillcrest.

The 1986 ROUNDUP returns March 10-16 with such golf legends as **Don January, Billy Casper, Gene Littler, Miller Barber** and **Lee Elder.** Newcomers to the Senior Tour include **Gary Player, Bruce Crampton,** and **Chi Chi Rodriguez.** Each will be competing for a $200,000 purse including first-prize money of $30,000.

Sun City Westers are invited to watch these golf greats in action. Tickets for the practice and qualifying rounds on Monday-Wednesday are only $4 at the gate, with tickets to the Pro-Am (Thursday and Friday) and the tournament (Friday-Sunday) being only $8 at the gate. A special "Good-Any-Day" package is available in advance for $28. In addition, a variety of business and personal sponsorship packages are available. For all the details, call 975-3066. Golf has never been better than at the ROUNDUP!

Costume Tour Visits SCW

The Utah Shakespearean Festival's traveling costume tour will appear at the Johnson Center Social Hall Thursday, February 6 at 2 p.m. This enchanting program traces the evolution of clothing from the Dark Ages through the death of Queen Elizabeth I and features more than 60 stunning costumes. All Sun City Westers are invited to attend the event, free of charge.

Lois Leigh *(l-r) her hu more than duction and*

(sitting) spearheaded the festival with the help of sband, ***Gerald, Mac Lund, George Pike*** *and 400 resident volunteers who helped in the pro- distribution of more than 115,488 luminaries.*

as Festival A Glowing Success . . .

s Eve of 1985 meant something very n Sun City West. More than 115,488 representing 71 percent community tion, set the community aglow with the he season. An estimated $20,000 was rough the project and will be donated mmunity Services Building Fund. With ss of this first-time endeavor, Sun City can look forward to an encore in 1986.

Mardi Gras Party Cancelled — New Celebration Planned

The elaborate Mardi Gras party, scheduled for Tuesday, Feb. 11 from 6 to 9 p.m. in the Johnson Center Social hall, has been cancelled due to inadequate support. The grand scale of the DEVCO-hosted event, complete with professionally-catered food buffet, live entertainment and authentic decorations, warranted the selling of tickets to meet a portion of the cost. With ticket sales going slowly and caterer arrangements and deadlines pending, the company was forced to call it off. **Immediate ticket refunds are available at DEVCO Headquarters (13950 Meeker Blvd.). Ticketholders must present tickets in order to receive a refund.**

In place of the party, the company will host a free "Mardi Gras Park Concert" at Beardsley Park Recreation Center Tuesday, February 11 from 2 to 4 p.m. The concert will feature Pat Trapani's six-piece Oakstreet Parade Dixieland Band with its lively collection of Dixie tunes. For the more festive, a Mardi Gras costume contest will be included in this celebration with grand prizes going to the top three winners. Prizes to be awarded will be a trip for two to scenic Lake Powell (first), dinner for two at the Crestview followed by tickets to the Bill Cosby Show at the Sundome (second), and Sunday Brunch for four at the Crestview (third).

However, costumes are not required. So you can come as you are and just enjoy! **Those attending must bring their own seating.**

SPECIAL EVENTS UPDATE . . .

1986 Sun Cities Arts & Crafts Fair . . . This annual event is scheduled for Saturday, March 22 from 9 a.m. to 3 p.m. in the parking area between the Sundome and the Crestview. Entry forms will be available beginning February 18 at the R.H. Johnson Recreation Center office and at DEVCO Headquarters (13950 Meeker Blvd.). Entry forms will also run in the News Sun on February 18 and the Wester and the Sun City Independent on February 19. Clubs, as well as individuals, are invited to participate in this DEVCO-sponsored event.

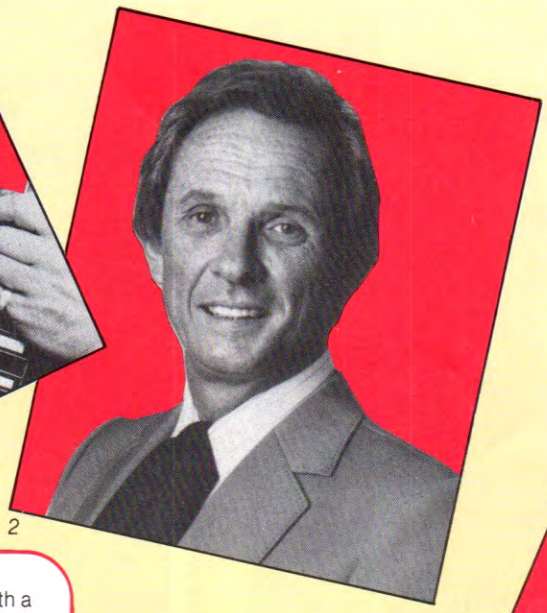

Arizona Senior Olympics . . . The 1986 games will feature three popular events right here in Sun City West. Lawnbowling will begin February 24 at the Johnson Lawn Bowl greens, while March 2 is the date for the golf event at Hillcrest and the roadraces at Beardsley Park. Entry forms are available at the Johnson Recreation Center office, the SCW Library and at DEVCO Headquarters. To take advantage of the low entry fees, get your entry in by February 7. Even if you don't participate, make plans to come out and root for your friends and neighbors!

Health & Fitness Week Dates Changed . . . Sun City West's second annual Health & Fitness Week, originally planned for March 2-8, has been rescheduled for March 17-21. Plans are now underway for the week which will feature a lecture series, exercise workshops and a relay team triathlon. Be watching the Wester for further details!

FEBRUARY BRINGS MORE STARS.....

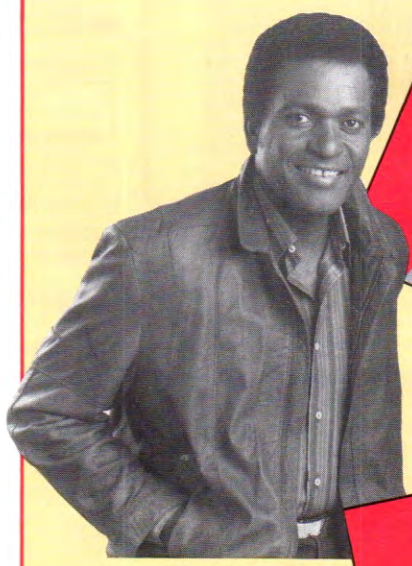

Roy Clark & Mel Tillis
Two Shows!...Feb. 2

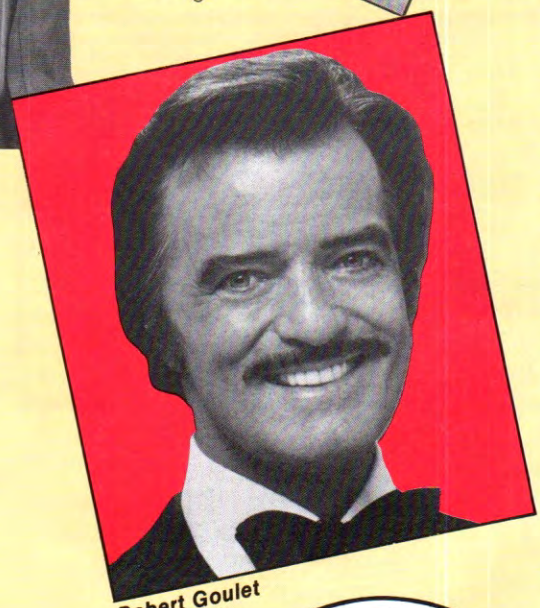

The Valentine month opens Feb. 1 at 8 p.m. with a **Big Band Hit Parade** featuring Carmen Cavallaro, June Valli, and Herb Jeffries and the Gene Krupa Orchestra ($9, $7, $6). Country sensations **Roy Clark** and **Mel Tillis** take the stage together on Feb. 2 with two shows at 2 and 8 p.m. ($16, $14, $12). On Feb. 3 at 8 p.m., Dr. Alan Greenspan takes the podium with his economic expertise, continuing the Sundome's Celebrity Forum ($7). Next up is another thrilling travel film which will take its viewers **"Inside Japan"** with the evening's host Gene Wiancko ($3.25). Then it's **Wayne Newton,** Mr. Las Vegas himself, in two blockbuster shows Feb. 8 at 2 and 8 p.m. ($16, $14, $12). The **Scottsdale Sweet Adelines** follow with the Desert City Six for an afternoon of first-class musical entertainment Feb. 9 at 2 p.m. ($7, $6, $5). Ballet lovers will want to reserve their Sundome seats for Feb. 15 at 8 p.m. when the Tulsa Ballet Theatre presents its stunning rendition of the classic, **"Coppelia"** ($7, $6, $5). **Charley Pride** brings his collection of country hits Feb. 16 at 2 p.m. ($14, $12, $10), then it's off to Naples on Feb. 18 at 8 p.m. with Art Wilson's travel film adventure **"Around The Bay Of Naples"** ($3.25). The champion of Broadway and America's musical theatre, **Robert Goulet,** follows on Feb. 22 at 8 p.m. ($14, $12, $10). On Feb. 23 at 3 p.m., Prof. Peter Schickle joins the Sun Cities Symphony Orchestra as P.D.Q. Bach for an afternoon of musical fun. Closing out the month is a concert dance with **Dan Terry and the Equal Opportunity Dance Band** featuring vocalist Rozay on Feb. 28 at 8 p.m. ($6).

The ROUNDUP tournament is sponsored by the Sun Health Foundation with proceeds benefitting Sun City's non-profit Boswell Memorial Hospital.

FROM THE PRESIDENT....

THE HEART OF THE COMMUNITY

In 1982, Sun City West embarked on a challenging mission — a mission which has become very special because it stands to benefit each and every resident of the community.

This mission is about all of the things which are so much a part of life here in Sun City West — giving, caring and helping.

This mission is of course the fund drive for Sun City West's Community Services Center which will house such social service organizations as Lending Hands, the PRIDES, Interfaith Services and Meals-On-Wheels.

In late 1985, DEVCO officially transferred the deed to the 3.6-acre community services site to the PORA Foundation, which was formed to oversee the fund drive, and to receive and maintain the site. When the drive was begun in 1982, a goal was set for a groundbreaking in early 1987. The funds needed to begin construction on an initial phase of 7,500 sq. ft. would be $300,000.

With the generous help of four annual Monte Carlo events, the 1985 Luminarias Festival and individual contributions, the fund has grown to approximately $150,000.

Although 1986 will be a crucial year for the fund drive, we at DEVCO commend the residents of this community for the progress made thus far. As it has been said many times before on this very page, you never cease to amaze us.

We take great pride in our association with the community services project. When complete, it will be the visible heart of the community, a tribute to well-deserving organizations and to the people who have inspired them.

We wish this special mission continued success and hope that each and every one of you will choose to support it.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

AFTER MONTHS OF CRAFTING...It's Time For The Fair!

THE SUN CITIES ARTS & CRAFTS FAIR

Saturday, March 22

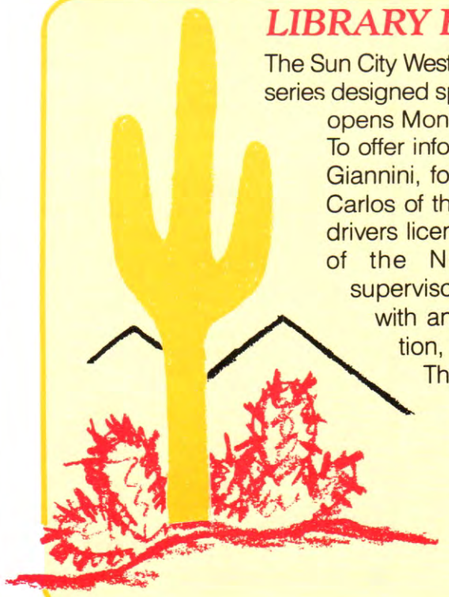

It's time once again for one of the Sun Cities most popular community events, the fourth annual "Sun Cities Arts & Crafts Fair." This year's sale is set for Saturday, March 22 from 9AM to 3PM in the parking area between the Sundome and the Crestview.

More than 150 residents from Sun City and Sun City West participated in last year's fair which attracted 10,000 browsers and buyers from throughout the Valley.

Entry forms are now available at the R.H. Johnson Recreation Center office and at DEVCO Headquarters. There's no fee to sell at the event, however, participants must reside in Sun City or Sun City West. Club entries, as well as individual entries, are welcome.

The Sun Cities Arts & Crafts Fair is for the selling of handcrafted items only. Rummage items will not be permitted.

Whether to sell or shop, make plans now to participate!

LIBRARY HOSTS "ARIZONA FOR NEWCOMERS"

The Sun City West Friends of the Library will sponsor their third annual informational series designed specifically for newcomers to Sun City West. The two-part program opens Monday, March 3 at 1:30 PM with an impressive panel of speakers. To offer information on the Csanti Foundation's Elderhostel will be Debra Giannini, followed by a presentation on estate planning with William Don Carlos of the O'Connor Cavanaugh Firm. To answer questions regarding drivers licensing, titling and car registration will be Jay Axeley, supervisor of the North Phoenix Licensing Station, and Marie Lenze, supervisor of the Enforcement Section. The first session will conclude with an overview of the Cigna Plan, a health maintenance organization, with its president Bert B. Wagener.

The program resumes on Monday, March 10 at 1:30 PM with Carole Carpenter, Maricopa County's District 4 Supervisor, explaining the functions of the County Board of Supervisors. Also scheduled to speak are Dorothy Hubbell, a noted Navajo Indian expert; John Jett, director of Arizona's Department of Mines and Mineral Resources; and Pamela Kennedy, executive vice president of the Sun Health Foundation. Anyone interested in attending should call the Library at 584-2405.

HEALTH & FITNESS WEEK '86

"Be Fit For Life"

March will be a month for fun and fitness with the second annual "Sun City West Health & Fitness Week," March 17-21. The theme of this year's program is "Be Fit For Life" and signifies the importance of total fitness in maintaining an active, full life. The many methods and approaches to maintaining total fitness will be the focus of a weeklong schedule of activities sponsored by DEVCO and coordinated by the community's 1986 Health & Fitness Committee.

All events are absolutely free and are open to Sun City West residents and their guests. Here's a sampling of what is to be offered. For complete information, pick up your "Be Fit For Life" program brochure at the Johnson Recreation Center office, the SCW Library or at DEVCO Headquarters.

"Be Fit For Life" Lecture Series

This year's lecture series will be hosted in Johnson Recreation Center's Social Hall and will feature an impressive line-up of noted health professionals.

Mon., March 17 1-3PM	"Being Fit for Life," Opening Lecture. Complimentary refreshments will be served.
Tues., March 18 2-3PM	"Arthritis Fitness Programs" Janie Dahl, physical therapist.
Wed., March 19 10-11AM	"Eating Your Way To Good Health" Karolyn Frye, Dietician, Boswell Hospital.
Thurs., March 20 3-4PM	"Laughter Is the Best Medicine" Carol Ciocca, Counselor and Educator and the Sun City West Laugh-In Club

Introductory Exercise Workshops

The 1986 Exercise Workshops are being hosted by community clubs as a means of introducing various activities to beginners. Those attending the workshops should come ready to actively participate. Workshops to be hosted include Energetics Exercise, bicycling, arthritis aquatic exercise, yoga, platform tennis, tennis, table tennis, Jazzercise, racquetball, "Sit and Befit" exercise program, weight training, water exercise, and a walking and Par course workout.

A special swimming session will be featured Tuesday, March 18 from 10AM to 12PM at Beardsley Pool by Northern Arizona University's Swim Team. A diving exhibition will be presented by the diving team along with swimming workshops.

Relay Team Triathlon

Last year more than 100 Sun City Westers formed 35 teams to participate in the community's first-ever Relay Team Triathlon. In the Sun City West team triathlon, one person walks or runs 2 miles, another person bikes 5 miles and another swims .07 mile (or six lengths of Beardsley Pool). These events are performed consecutively with an overall course time being computed to determine winners in three categories (male, female, mixed) and two divisions (A- run, bike, swim and B- walk, bike, swim). This year's event will be hosted at Beardsley Park on Friday, March 21. The official race start time will be 9AM.

All participants will be given a 1986 Health & Fitness Week t-shirt and trophies will be awarded to the top three teams in each category and division.

Entry forms are now available at the Johnson Center office and at DEVCO Headquarters. All entries must be received by Friday, March 14.

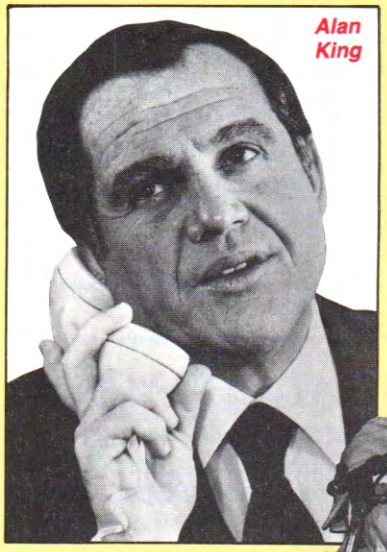

Form a team with family and/or friends and make plans to participate in this fun community event.

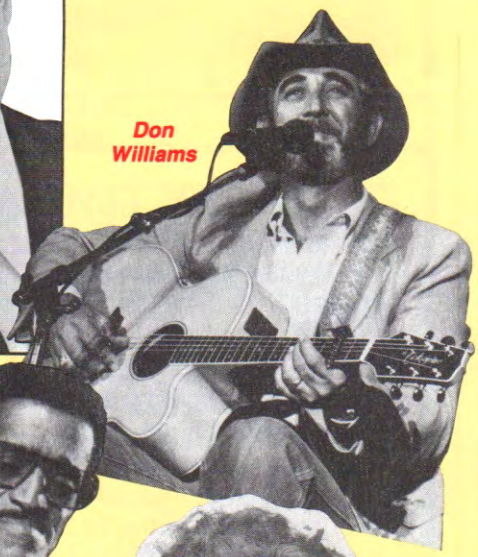

Closing Event

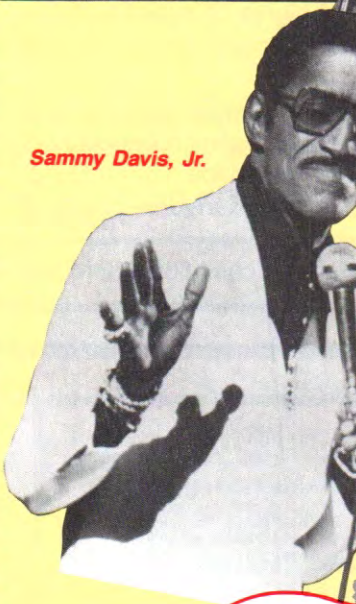

Sun City Westers are invited to come out and cheer for their neighbors as they compete in the Relay Team Triathlon on Friday, March 21. Following the event, Beardsley Park will come alive with a special program of live entertainment. Complimentary refreshments will also be served.

Mark those calendars and make plans now to "Think Fitness" March 17-21!

NAME GOLF COURSE #6 AND WIN!

Construction is now underway on Sun City West's sixth golf course. And DEVCO wants the community to name it! The company will host a community-wide "Name The Golf Course" contest beginning April 1. The person submitting the winning name will be awarded a Rainbow Explorer Package for two to beautiful Lake Powell. The package includes two nights accommodations at Wahweap Lodge and an all-day boat tour to Rainbow Bridge National Monument, compliments of Del E. Webb Recreational Properties.

Entry blanks and ballot boxes are at all Sun City West golf course pro shops, at the Johnson Center Social Hall and at the Beardsley Park Card Room. A rendering of the new executive par-60 course is posted at each location.

The deadline for entries is April 18, with the winning name to be announced the week of April 21. The name will be selected by a special resident panel. In case of a tie, the winner of the Lake Powell trip will be determined by a random drawing.

FROM THE PRESIDENT....

INVOLVEMENT

It's easy for a developer to *SAY* it's involved with its community. It takes a much bigger commitment to *SHOW* it's involved. At Del Webb, we take a great deal of pride in our commitment to be involved with this community and its residents.

That commitment can manifest itself in many ways. Through our Public Affairs department, we schedule and coordinate many events throughout the year. It's not uncommon for us to spend $100,000 annually in the creation of these events. We see this as our way of contributing to the active lifestyle of Sun City West.

If you read the Activities Calendar on a regular basis, you're well aware of these activities. Just last month we sponsored Sun City West's Health & Fitness Week, the Sun Cities Arts & Crafts Fair, the Del Webb Senior Softball Tournament and several events in the Arizona Senior Olympics. We were also instrumental in bringing the Senior PGA Tour Roundup back to Sun City West.

Involvement can take many other forms as well. Maybe it's a donation to Interfaith Services or the Lions; providing space for the Luminaria Committee or Lending Hands; sponsoring important community events such as Monte Carlo, the Variety Show or the Thanksgiving Day Service; or working closely with community groups such as PORA and the Recreation Center Advisory Board.

One of the projects requiring a close working relationship with community groups is the proposed adoption of new deed restrictions for Sun City West. DEVCO management worked beside PORA, the Condominium Chairman's Association and the Recreation Centers Advisory Board in the drafting of these new restrictions.

In addition to this drafting procedure, we also printed more than 6,000 copies of the deed restrictions for distribution to the community. This was an example of the developer and residents working together in the interest of the community. It's this kind of involvement that sets Sun City West apart from other communities.

We're proud of our involvement and intend to remain involved for many years to come.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

DEVCO TAKES ON THE SC's SOFTBALL TEAMS

It's time once again . . . for DEVCO's "Good Guys" to face the Sun Cities Senior Softball team in the community sports event of the season.

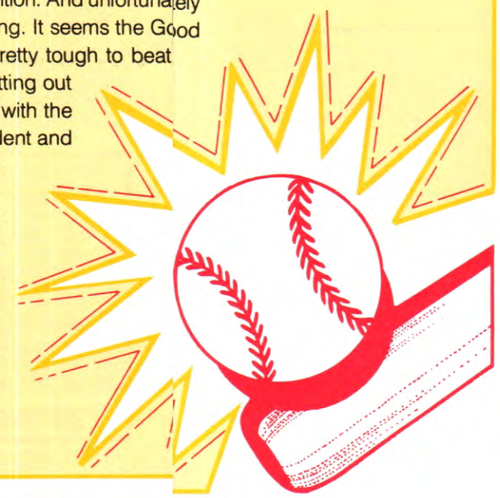

On Saturday, April 12 at 9:30 AM the Good Guys, comprised of DEVCO employees, and the Seniors will meet for a morning of fun and challenge.

This match has become a springtime tradition. And unfortunately for DEVCO, it has meant a tradition of losing. It seems the Good Guys have found their Sun Cities rivals pretty tough to beat

"As always, we're looking forward to getting out into the community and having some fun with the residents," said Paul Tatz, DEVCO's president and Good Guys coach. "However, let it be known we're out to win this time!"

Two games are on tap for the day. The first will be between the Good Guys and the Sun Cities 50's team, while the second will see the Good Guys taking on the 60's team.

The games will be played at the ballpark located off Grand Avenue, approximately ¼ mile north of Meeker Blvd. Everyone is invited to attend.

COLLEGE STAGE BAND PERFORMS IN THE PARK

The internationally acclaimed stage band from Gustavus Adolphus College of St. Peter, Minnesota, will appear for a free concert at the Beardsley Park Recreation Center Friday, April 4 at 2 PM.

The band, consisting of 21 members including a vocalist, will perform a program that will appeal to all ages. Favorites from the big band era as well as contemporary selections will be featured. The concert will consist of two 40-minute sets. **Residents must bring their own seating.**

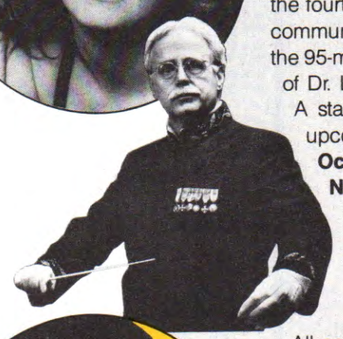

The Gustavus Adolphus College Department of music is a member of the National Association of Schools of Music. Nearly half of the college's 2,200 students are involved in some aspect of the Department of Music's programs. Students at the college represent 46 states and 15 foreign countries.

Music is an integral part of the liberal arts curriculum at Gustavus, located in St. Peter, Minnesota. The instrumental program at Gustavus offers 13 ensembles for student participation. They include two concert bands, three stage bands, woodwind ensembles, brass ensembles, a percussion ensemble and an orchestra.

The group is directed by Mark Lammers. Lammers was director of the University of Minnesota Bands during 1976-77. He has been at Gustavus since 1970 as a professor of music.

Gustavus Adolphus College is a private liberal arts institution founded in 1862 by Swedish immigrants and is affiliated with the Lutheran Church in America.

SILVERCRAFT DISPLAY WINS AWARD

During March, the Toy-Ki Silvercraft Club entered the annual Maricopa County Gem and Mineral Show at the Phoenix Fairgrounds.

The club's first-time entry of an elaborate display of silvercraft works took a first place ribbon and generated Valley-wide attention to the caliber of the club's craftmanship.

Maurice Griffin (right), the club's president, and Clarence Holden, vice-president, shared Toy-Ki's victory with the community by displaying the "winning showcase" in the club's craftroom on March 20.

According to Maurice, the club members responsible for the project are Max Wachowiak, Dick Latzke, Lyle Eaton, Ed Owens, and Luigi & Rosina Masero.

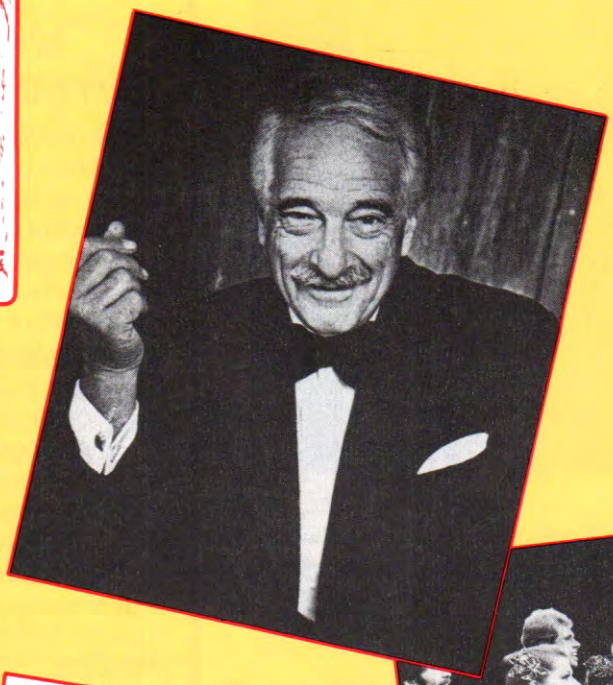

Congratulations!

WEBB CONDUCTS COMMUNITY EVENTS SURVEY

WE NEED YOUR HELP!

As part of our commitment to active adult living, Del E. Webb Communities, Inc. is asking you to help shape the activities offered in Sun City West.

The Public Affairs department has implemented an exhaustive community relations campaign, each year staging more than fifteen major events. This takes a lot of time and money — last year Webb contributed more than $100,000 dollars to the community events in Sun City West.

As Sun City West continues to attract new residents the interests will likely change and grow as well. It is very important that Webb be kept apprised of your wishes.

You will fine a survey inserted in this calendar. It will take only a few minutes to complete. When filled out, please return either to the Johnson Recreation Center administration office or to Webb's Headquarters Building at 13950 Meeker Blvd.

This is the first survey we have taken of community events, so your input is especially important.

FROM THE PRESIDENT....

WORLD FAMOUS

Sun City West has joined Sun City as a world-famous community. Some people may think we make that claim with no real justification. What I'd like to do is illustrate the international reputation these communities have achieved.

Just last month, the BBC television network in England aired an hour-long documentary about our communities. Journalists from Great Britain visited the Sun Cities and reported what they found. During the last few weeks, we have received dozens of letters from people who watched the program. All of the comments were very favorable, and a few of the people asked for further information. Maybe they're considering a move?

The Japanese are always amazed with the lifestyle of our communities. We host journalists, television producers, researchers and builders from Japan almost monthly. For them, the idea of adults living away from the family unit is difficult to understand. The Japanese are still a society with close family ties. Yet, as they become more indoctrinated to western society, they are examining the active adult lifestyle with the hopes of bringing a similar concept to their country.

Not long ago, we also hosted a delegation from New Zealand. The group consisted of builders who again, wanted to investigate the possibility of bringing an adult community to their country. As always, they were quite impressed with the community we have established.

In addition, the Sun Cities have residents from 50 foreign countries and that alone creates a widespread word-of-mouth awareness of the Sun Cities.

You should take a great deal of pride in the fact that you live in Sun City West. It's a community that is indeed world-famous. It's a community that leaves lasting impressions on those who see it, and it's also a community we are very proud of at DEVCO.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

SPORTSMAN'S CLUB HOSTS FISHING SHOW

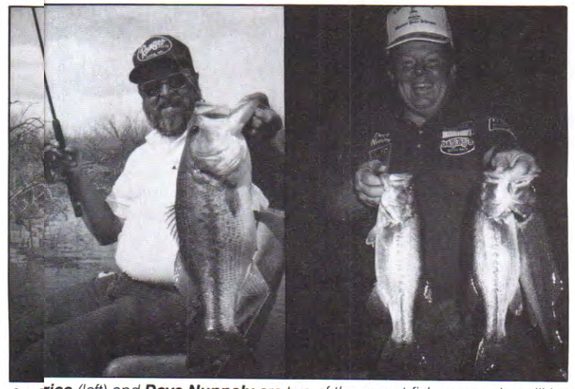

The Sun City City West Sportsman's Club will host an entertaining Fishing Clinic and Show at the R.H. Johnson Recreation Center Social Hall May 19 at 1 P.M. J.B. Wagoner, outdoor writer and pro fisherman, and "H.G." Listiak, KOY-Radio's award-winning sportscaster, will lead the afternoon's panel featuring more than 11 fishing experts.

Included on the agenda will be Bob Phillips with a segment on "Fishing In Old Mexico"; Ed Lagan on "Fishing in Lower Colorado and Yuma"; and Ronnie Lee Thomas, who will share his expertise on fly tying and outdoor artistry. Representatives from the Arizona Game and Fish Department will also be on hand with a variety of helpful fishing hints.

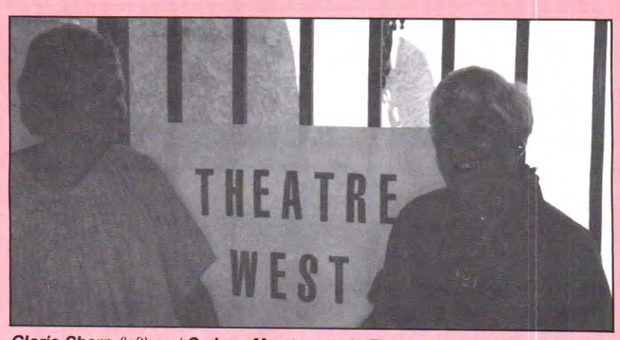

The afternoon will also feature an elaborate display of fully-equipped Ranger fishing boats. Complimentary refreshments will be served and door prizes will be awarded.

The event is open to the general public at no charge.

The recently-formed Sportsman's Club is comprised of 120 members who share an interest in fishing, hunting, hiking, birdwatching, and various other outdoor activities. Anyone interested in learning more about the club is welcome to contact Joe Brenneisen, the club's president, at 584-3900.

Art Price *(left) and* ***Dave Nunnely*** *are two of the expert fishermen who will be in Sun City West May 19 to present a "Fishing Showcase." Art, a bass fishing champion, will be joined by* ***John Murray*** *to deliver a presentation on bass fishing in the Southwest. Dave will be on hand to answer questions regarding Arizona's B.A.S. organization.*

Gloria Sharp *(left) and* ***Sydney Morgan*** *star in Theater West's one-act play "The Girls of August."* ***Gloria*** *moved here seven years ago from California.* ***Sydney*** *arrived here four years ago from the Big Apple.*

Theater West... Curtain Up!

Sun City West's theater group has been busy, busy, busy this spring staging a number of productions. In April, the group presented the three-act play "Second Time Around" by Henry Dinker in addition to three one-act plays.

Theater West boasts some 40 members ranging in experience from novice to the more seasoned professional. Theater President Florence Carmi noted that the one-act plays give the beginner a chance to experience the performing arts without investing a lot of time or nervous energy.

Theater West is always looking for new faces — if interested contact Florence Carmi.

AND THE WINNER IS...

Dennis Rehder of Sun City West has won a Rainbow Explorer Package for two to beautiful Lake Powell. The package includes two nights accommodations at Wahweap Lodge and an all-day boat tour to Rainbow Bridge National Monument, compliments of Del E. Webb Recreational Properties.

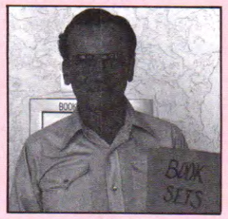

Dennis was among nearly 200 people who selected ECHOMESA as the name in Webb's community-wide "Name the Golf Course" contest. A panel of community residents and Webb representatives sifted through nearly 6,000 entries and then conducted a random drawing for the Lake Powell trip.

The golf course, located north of Meeker Blvd. between R. H Johnson and 135th Avenues, is expected to be open for play later this year. The 18-hole executive course will be for the residents of Sun City West and their guests.

CONGRATULATIONS DENNIS — HAVE A GREAT TIME!

Book Sale Raises $$$ for Library...

The Sun City West Library will purchase new books and tapes thanks to a used book sale held on April 19th. Over 750 books were priced to move — many only 25¢ each! Each year the Friends of the Library volunteer group organizes a book sale in November. But due to an excess number of books in the library a second sale was deemed necessary. The volunteers each contributed at least two hours of their time for the Saturday sale which netted $435.55.

Dr. Leon Ginsburg, *president of the Friends of the Library volunteers checks out the books on the day of the sale.* ***Dr. Ginsburg*** *moved to Sun City West from Los Angeles.*

Marietta Tornow *(left) and* ***Frieda Schwartz*** *are just two of the library volunteers who helped out at the book sale.* ***Marietta*** *moved here from Rochester, Mi. in 1985.* ***Frieda*** *arrived here in 1979 from Skokie, Ill.*

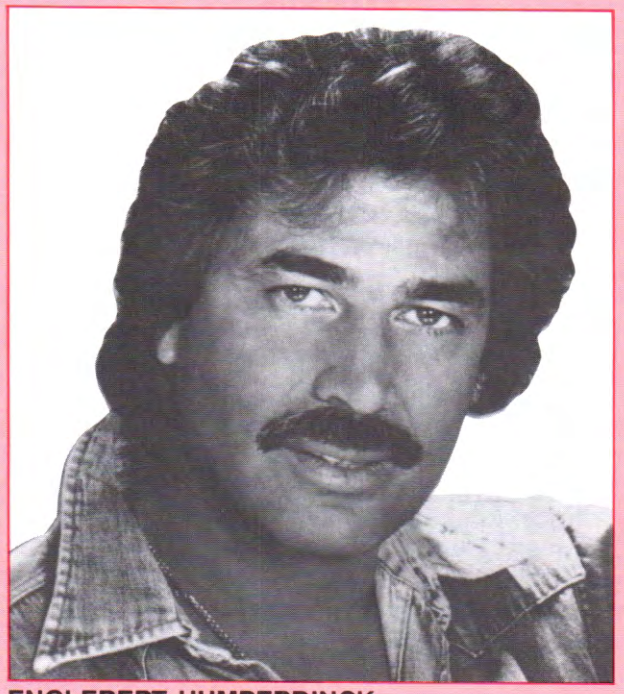

Del Webb Vice-President and Assistant to the President, ***Ann Loos*** *hands over a check to* ***George Merkle,*** *executive vice-president of the Sun City West Community Fund.*

WEBB DONATES COMMUNITY FUNDS...

People in need of financial assistance received a helping hand from Del E. Webb Communities, Inc. this past month. Webb contributed $2,500 collectively to the Sun City West and Sun City Community Funds. The Funds are available to residents who may be experiencing financial distress due to illness or other misfortunes. They also serve as centralized fundraisers eliminating numerous charity drives each year. Grants are made to qualified organizations in lieu of conducting individual campaigns.

CLOSING OUT THE SEASON WITH ENGELBERT AND BYU . . .

ENGLEBERT HUMPERDINCK
Friday, May 16 at 8 p.m.

He's talented, he's versatile, and he's one of the most popular singing stars in the world. Don't miss Englebert Humperdinck at the Sundome for the first time ever!
Tickets: $12, $10.

Summer Concert Series

BEAT THE HEAT WITH THE RHYTHM OF THE MUSIC

We are pleased to announce the scheduling for this year's summer "Concert In The Park" series. The performances will be staged at Beardsley Park from 7:30 p.m. to 9 p.m. unless otherwise specified. Be sure to bring your own lawnchair and your neighbors!

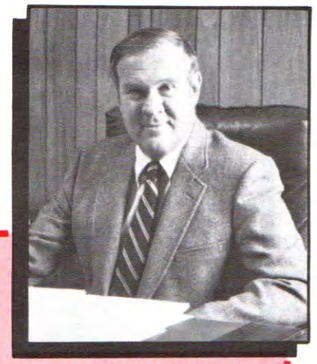

JUNE 10 - THE SOUTHWEST BRASS QUINTET will treat us to the sounds of ceremonial fanfares, suites of ragtime, marches, and broadway shows. This five piece band from Phoenix has been performing in the Valley for ten years.

JULY 4th - THE SIDE STREET STRUTTERS of Disneyland fame will entice us with Dixieland tunes. This former Scottsdale group has built a tremendous following so come early! They will perform at the fireworks site. (See related article inside).

AUGUST 19th - IGOR'S COWBOY JAZZ BAND is the west you came to see . . . and hear! They are high-energy performers with a fast paced show of good-time music and tall tales. This six piece group from Tempe is sure to get your foot a tappin.'

SEPTEMBER 16th - THE TED GODDARD QUINTET will close out the season with some great jazz music. Some of their arrangements have aired on radio stations statewide including KJZZ here in the Valley. They've also performed at jazz festivals throughout Arizona.

FROM THE PRESIDENT....

SUN CITY VISTOSO

Several months ago, when we announced our plans to build another Sun City project near Tucson, we promised to keep you informed of developments at that site. A lot has happened during the past few months and I'd like to bring you up to date with Sun City Vistoso.

On Wednesday, May 21, we officially broke ground at the site. Joining us for the occasion were many Tucson VIP's. Their interest in the project and their welcome made us feel like a new neighbor.

While we are taking a highly regarded reputation into this new project, I think that Sun City Vistoso will develop a character all its own, one very unique to the Tucson environment.

Environment is a very important word to the people of Tucson and Pima County. We are very much aware of their high regard for the preservation of the area's scenic splendor. We early on recognized that concern and began to tailor the Vistoso project to the environment, leaving about 300 of our 1,000 acres as natural open space.

Work has already begun on our 18-hole championship golf course. Thanks to the area's terrain, this course promises to be one of the most challenging we have ever built. Its unique design has also allowed us to use 1/3 less water than conventional courses, helping us to preserve a valuable resource.

Work is now underway on the project's infrastructure. We anticipate construction of the recreation center, pro shop, sales pavilion and model homes to begin in August. The homes will have a distinctive Tucson style. The 12 floorplans will range from the $60's to about $150,000. As with Sun City West, our Vistoso homes will feature quality construction and energy efficiency. We hope to begin pre-sales in November, with the Grand Opening scheduled for mid-January, 1987.

As most of you know, Vistoso will have a population of about 5,000 people when it's completed. In addition to the golf course and recreation center, the project will include two satellite recreation centers, hiking and bike paths, shopping, commercial and religious facilities.

I hope you'll have an opportunity to visit Sun City Vistoso, your newest sister community, once it's open. Until then, we'll continue to keep you informed of our progress there, and our plans for the continued development of Sun City West.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

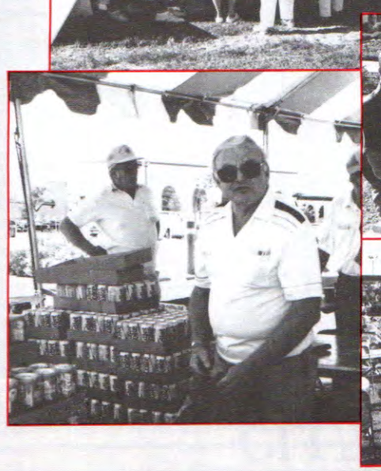

FUN AT THE COMMUNITY PICNIC

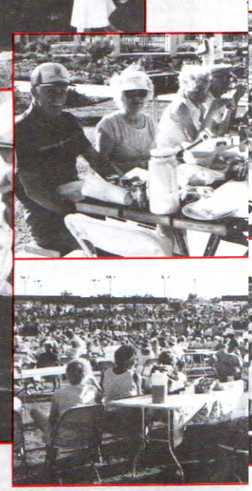

Mix a warm, sunny day with good friends, good food and great entertainment and what do you get? Del Webb's first community picnic.

Some 1,500 people streamed into Beardsley Park on May 10th to partake in the fun. A thousand thanks go out to the Sundome Lions Club which provided the manpower for the picnic. The members were in charge of arranging for and distributing the food and drink, with Webb picking up the tab. We're sure everyone in attendance will agree the Lions did a terrific job getting everyone fed quickly.

Picnic-goers were treated to performances by the Nani Komohana Tutus and the Sun City Westerners Square Dance Club. And Mr. Big Band Music, Paul Cornell, got the mood a 'swingin with his collection of records from the 30s, 40s and 50s. From the pictures, it looks like everyone had a great time!

ATTENTION GOLFERS

Hillcrest Announces Special Summer Rates

Beginning May 1st through October 31st summer rates are in effect at Hillcrest Golf Course.

Residents	Resident Guests	Non-Residents
$10.00 - 18 holes	$12.00 - 18 holes	$14.00 - 18 holes
$ 5.00 - 9 holes	$ 6.00 - 9 holes	$ 7.00 - 9 holes

A current Membership Card from the Recreation Center of Sun City West, Inc. establishes residency. Sun City residents with a Recreation Card may play at the Resident Guest rate without being accompanied by a Sun City West Resident.

Hillcrest facilities include pro shop, practice range, rental equipment, snack shop and bar.

Come out, enjoy Hillcrest's beauty and playability while taking advantage of these special summer rates.

SURVEY RESULTS

To the hundreds of Sun City West residents who took the time to complete the Activities Survey from last month's calendar — thank you!

We are in the process of categorizing your responses. We're delighted so many of you are pleased with the activities offered and can't think of a thing to be added. There were also a number of really good suggestions which we will carefully review.

Unfortunately, our budget will not allow for free IRAs or free gasoline for all the residents, two of the more interesting requests! Thanks again for your responses.

CELEBRATE WITH A BANG!

DEVCO's Fourth of July Celebration promises to be bigger and better than ever. We've been lucky enough to book the "Side Street Strutters" for your musical enjoyment. This Dixieland Band is coming to us straight from Disneyland where they are the park's "Official Band." The "Side Street Strutters" have appeared on television in the United States and England treating the crowds to their high energy, show-style performances. The show begins at 7:30 p.m.

The spectacular fireworks display will begin after dusk (about 8:45). Expect brilliant patterns, wild effects, screaming whistles, and trails of colorful fire rising into the night sky. Hundreds of shells from all over the world will explode over the beautiful Hillcrest Golf Course.

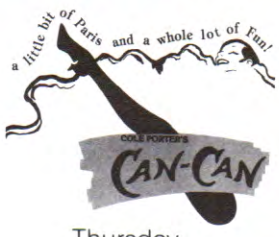

Bring your lawn chair and come join the fun. The festivities will take place between the Sundome and Crestview Restaurant.

☆☆THE WESTERN STAR☆☆

Volume VII, Issue 4 June, 1986

William T. Woodyard
Publisher and Editor

LuCille H. Johnson
Asst. Editor and Circulation Manager

The article following appeared as a full page presentation by the United Technologies Corporation, Hartford, Ct. in The Wall Street Journal on May 8, 1986. It is reproduced here by the permission of the copywriter--The United Technologies Corporation.

THE DUMBEST PERSON IN THE WORLD

How dumb?
Very dumb.
It's the
American
who knocks
what he's got.
Here's what
he's got:
A country of
unbounded beauty.
Almost unlimited
natural resources.
A judicial system
that is the envy
of the rest of
the world.
Food so plentiful
overeating is a
major problem.
A press
nobody can dominate.
A ballot box
nobody can stuff.
Churches of your choice.
One hundred million jobs.
Freedom to go anywhere
you want, with the
planes, cars and highways
to get you there.
Social Security.
Medicare.
Unemployment insurance.
Public schools and
plentiful scholarships.
Opportunity to become a
millionaire.
O.K., Complainer,
what's your
second
choice?
Go.

BUDGET PREPARATION

The FY 1986-87 budget is in the process of being finalized. The budget which will become effective July 1, 1986 includes major expenditures for the construction of two additional bocce courts, repair and recarpet the R. H. Johnson Mini-Golf Course, refurbish both the interior and exterior of the Pebblebrook and Stardust Golf Course Pro Shops, repair and reseal the Pebblebrook and the Stardust Golf Course cart paths and paint all of the exterior walls of the R. H. Johnson Recreation Center.

The Governing Board has approved the annual membership fee be increased from $82.00 to $89.00. Residents are reminded that $7.00 of each annual membership fee is placed in escrow for the Asset Replacement Fund. DEVCO also contributes $2.00 per resident per year to the Asset Replacement Fund. As of April 30, 1986 monies held in escrow for the Asset Replacement Fund amounted to $347,617.17. The Asset Replacement Fund is to be made available to the Recreation Center when the residents assume full responsibility for the managing and financing of the affairs of the Recreation Centers.

The annual prepaid greens fee card good at any of the Recreation Centers golf courses will be $495.00 per year--up from $455.00. In addition to the three Recreation Center golf courses now available for play, it is expected that the Echo Mesa Executive Golf Course will be available for play by November of this year. In accordance with the Master Agreement, DEVCO will subsidize the operation of the Echo Mesa Golf Course for two years or until the course operates at a break-even point, whichever occurs first. Small adjustments in daily greens fees will be made to help, in part, to defray increased operating costs and keep the Golf Division viable. The cost of an annual golf cart permit good at all the Recreation Center Golf Courses remains unchanged at $125.00 per year.

The summer rate 20-punch prepaid greens fee card good at any Recreation Center Golf Course remains unchanged at $100.00 each.

A nominal increase will bring the cost of bowling to $1.00 per line and $1.25 for guests. No change is to be made in the cost of bowling lockers or rental equipment.

The increase in Recreation Center fees was necessary, in part, to offset the large increase in liability insurance premium which now amounts to about fourteen dollars per resident per year. Inflation and increased utility costs as well as the operation and maintenance of additional facilities also contributed to the need for the increase in fees.

In order to achieve a balanced budget for the year, it is expected that DEVCO will contribute in excess of $300,000 toward Recreation Center operating costs in accordance with the Master Agreement.

When the budget has been approved by the Governing Board in mid-June, a copy will be placed in the R. H. Johnson Library for perusal by the residents.

BEARDSLEY PARK POOL TO REMAIN CLOSED

The Aquatic Center of the Beardsley Park Recreation Center will remain closed until further notice. The reason the closure period has been extended is to insure that all of the systems supporting the operation of the swimming pools are operating properly. The R. H. Johnson Pools and the Exercise Room will remain open until 9:00 p.m. daily and until 6:00 p.m. on Sundays until the Beardsley Park pool reopens. The exercise groups will continue on their present schedules at the R. H. Johnson Pool.

RAB
RECREATION ADVISORY BOARD OF SUN CITY WEST

LOOKING AHEAD

A talented local resident, Ernest Edison, recently completed a study of SCW, entitled "OPTIONS AVAILABLE FOR SCW AFTER DEVCO". Among other things, Edison tabulates the numerous community activities and services that DEVCO regularly sponsors and pays for. When DEVCO leaves in 5-7 years, all of these community-wide undertakings may disappear unless the residents or local commercial interests make some plans to fill the gap. Examples are:

Annual Arts and Crafts Fair at the Sundome
Music in the Park Concerts at Beardsley Park
Major Sponsor Senior PGA Golf Tournament
SCW Health and Fitness Week
Annual Fireworks Display
Donated Sundome for Thanksgiving Services, Monte Carlo, Variety Show,etc.

I suggest the need of a committee of concerned residents and local merchants to develop a menu of annual events to preserve the best of the past or propose new ones for the benefit of the entire community.

Along similar lines of advance planning, two new projects have been launched to study some of the future options. 1) Presumably prompted by Edison's report, both PORA and the Advisory Board of the Recreation Centers have voted to participate in a joint study of the feasibility, as well as the advantages and disadvantages, of merging PORA and the Advisory Board. This study could clarify many practical aspects of such a potential merger and contribute much to the decision-making process for the community down the road.

2) As we all know, the SCW Library is an architectural landmark and provides valuable intellectual benefits to our residents. The Library, however, has a very limited income and currently is operating at an annual loss of approximately $90,000. Monies donated to "Friends of the Library" are used to purchase new books and do not pay for operating costs. The sizeable deficit is included as a portion of DEVCO's approximately $300,000 subsidy of the Recreation Centers for FY 1985-86. What should we do, if anything, to insure a viable Library after DEVCO leaves SCW? To study this problem, the Advisory Board, in full cooperation with the "Friends of the Library" has appointed a six member "SCW Library Long Term Study Committee". This committee will study all aspects pertinent to our Library and give us recommendations for action in due time.

KEEP LOOKING AHEAD!!!!

BILL THOMAS, PRESIDENT
Advisory Board

.....

REPORT ON THE STATUS OF THE PLANNING OF OUR THIRD RECREATION CENTER

The latest count shows a total of 49 requests for facilities at our third Recreation Center. All we need to do is convince DEVCO to build a fourth Recreation Center and we possibly could satisfy everyone's "hopes and wishes", but I can't believe any of us feel that will happen. So your Advisory Board and its Planning Committee will just have to do their very best to provide the facilities that are practical and will serve our community as a whole. We are sure we will not be able to provide all of the grandeur that some of the requests include but we are still in the early planning stages--who knows what miracles might get pulled off.

The initial planning phase is well underway. We have met with eight clubs to review their requests. We have reviewed six other requests but have not scheduled meeting with those clubs at this time. We will continue to meet with clubs during the summer but as you know getting folks together in summer isn't the easiest thing to do. We will just have to see what can be accomplished this summer and expect a very busy Fall for all those involved in producing an overall recommendation to DEVCO by January, 1987.

In the meantime, we need to clear the air regarding the letter writing and petition type approach some clubs are using. Be assured it is a waste of time. It creates a paper glut problem and we don't intend to answer each of them. All that is needed is a well prepared and documented recommendation from the clubs regarding their requests. How well and accurate those needs are portrayed is the key, not how much paper can be generated. So, please leave it to your club's officers and/or board to "carry the ball". We are interested in getting facts and total usage needs.

Each Recreation Center member can be assured we intend to approach the planning of our Recreation Center #3 in a very methodical and just way. We know we can't satisfy everyone 100%, but it is our aim to come as close as possible.

We will keep you informed on our progress as time marches on.

Jack O'Connor, Chairman
Advisory Board Planning Committee
Recreation Center #3

.....

CARD PLAY AT BEARDSLEY PARK The most active function of non-athletic clubs in SCW is card play. All of this is not done at Beardsley Park. Homes, banks and churches account for many games.

Seven bridge clubs play during the week. The week of May 5, 1986 458 persons participated. During the same period of time bridge was played on Wednesday at the Women's Social Club, on Tuesday and Thursday at the Men's Club. As no record is maintained as to the type of games played, only the number of people playing is available.

Mah Jongg had 49 players that week. At the Men's Club 461 men played poker, pinochle and bridge, and possibly other games. The Women's Club had 27 members present, Canasta 23, Pinochle 28, Chess 14 and Sheepshead 7. These figures total 1018 and represent the effect of winter residents leaving.

To those of you who recognize only names like Bridge and Poker strange sounding names like Sheepshead, Panguine, and Euchre are games of interest to many and when enough interest is shown in these games they will also be scheduled at Beardsley.

There are a number of bridge instructors (fee charged) for those who desire to learn bridge. Mah Jongg also has a Beginner's Class (free). The Men's Club started a free class at 1:00 p.m. Saturdays to teach those interested in learning Panguine. If the game you like is not mentioned get busy, let your desires be known and you will soon be participating in card play.

Harry Temple, Member-Advisory Board

ARTICLES FOR INCLUSION IN RAB ARE WRITTEN BY THE MEMBERS OF THE ADVISORY BOARD. THE PURPOSE IS TO KEEP RESIDENTS INFORMED OF ISSUES OF CURRENT INTEREST. RAB WILL BE PUBLISHED AS NEEDED AND DISTRIBUTED ALONG WITH THE WESTERN STAR.

CELEBRATE THE 4th IN SUN CITY WEST

"THE SIDE STREET STRUTTERS"

Join Del Webb in celebrating the Fourth of July in Sun City West. Disneyland's official band, "The Side Street Strutters" will entertain beginning at 7:30 p.m. with their impressive musical resume. By combining their own 1980's contemporary style with classic dixieland hits dating 100 years back, the "Strutters" have thrilled audiences at some of the largest jazz festivals in America.

The fireworks extravaganza will begin lighting the desert sky at dusk (about 8:45 p.m.). Several hundred shells from all over the world will explode over Hillcrest golf course slicing the darkness of night with an array of brilliant colors.

The festivities will take place between the Sundome and the Crestview Restaurant, so please bring your own seating. Soda pop will be sold at the site by members of the Sundome Lions Club to raise money for their various projects.

FROM THE PRESIDENT....

SALES

Almost everything that happens in Sun City West revolves around sales. If sales are good, activity abounds. If sales are bad, activity slows. We need only look back to the recession of the early 1980's to see this rule in practice.

I'm happy to report that sales in Sun City West are good. By the end of June, we will have sold more than 400 homes this year. That puts us ahead of last year's record-breaking pace.

This success is a factor of many influences. We pride ourselves on quality construction and affordability. Climate and recreational amenities are important. Safety and cleanliness plays a major role, as do you, the residents of Sun City West. Our research has indicated that a large percentage of our buyers first become aware of the community through you. We certainly appreciate your support. Hopefully, it's an expression of your satisfaction and our desire to make this community second to none.

As we sell more homes, the population of Sun City West grows. And in that growth, we find more and more businesses anxious to locate here. An example is the new center across from Beardsley Park and the major complex under construction at the entrance to Sun City West. It will include a Lucky's, Revco and many other businesses for your convenience. The center is scheduled to open in November of this year.

Churches are another important part of Sun City West. In total, there are 37 churches in the Sun Cities. In Sun City West, Shepherd of the Hills United Methodist Church recently opened, while Lord of Life Lutheran and Desert Palms and Covenant Presbyterian churches are under construction. These churches too, were made possible by the rapid growth of Sun City West.

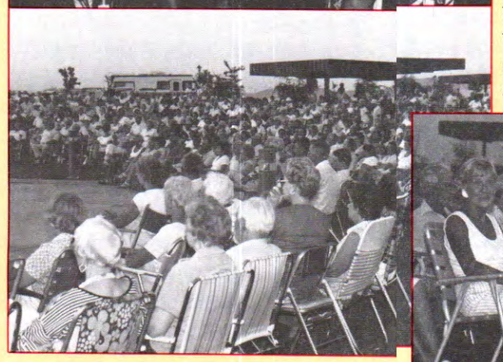

I'm sure those of you leaving for the summer will be surprised by the progress when you return. Unit 22 is filling up quickly; R. H. Johnson Boulevard will push through to Stardust by the end of the year; and Del E. Webb Memorial Hospital continues to make progress toward its early 1988 opening.

There's a lot happening in Sun City West and we hope you'll continue to tell your friends.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

SOUNDS OF MUSIC

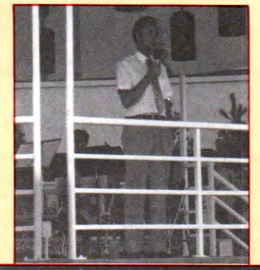

The sounds of trumpets, trombones and a French horn were emanating from Beardsley Park on Tuesday, June 10th as Webb kicked off the summer Concert in the Park series with the musical talents of Phoenix's Southwest Brass Quintet.

The warm afternoon air gave way to a comfortable evening as concert time approached. The temperature dropped and the winds calmed making it a perfect evening for an outdoor concert for people of all ages.

Music lovers started filtering into the park as the sun began to set behind Beardsley Recreation Center. By the time the Southwest Brass Quintet took their place in the gazebo, well over a thousand people, armed with lawnchairs, had found their place on the grass. Others simply enjoyed the evening from the comfort of their golf carts and bicycles.

The Southwest Brass Quintet provided a truly enjoyable evening, selecting from their repertoire ragtimes, marches, fanfares, capping the night with music from the movie Star Wars. They also offered commentaries about each piece of music giving the audience an abbreviated music lesson. Their performance drew a standing ovation and whistles from the most appreciative audience.

MORE SUMMER CONCERTS

Webb's summer Concert in the Park series continues with musical performances scheduled for Beardsley Park in August and September.

"Igor's Cowboy Jazz Band" is more than a group of talented musicians. They are showmen who like to have a lot of fun on stage! The band is sure to appeal to a very diverse audience performing cowboy, dixieland jazz and bluegrass music — something for everyone.

"Igor's Cowboy Jazz Band" has enjoyed the attention of the national spotlight including appearances on the Tonight Show, the David Frost Show and the Gong Show where Dan "Igor" Glenn captured three wins!

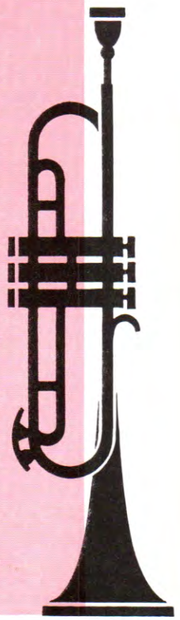

"Igor's Cowboy Jazz Band" will perform Tuesday, August 19 from 7:30 p.m. to 9 p.m. in Beardsley Park.

In September, Webb will host the "Ted Goddard Quintet" at Beardsley Park. Some of their jazz arrangements have been recorded locally and aired on various radio stations statewide. They have also performed at a number of jazz festivals in Arizona.

Founded in 1985, the quintet is comprised of five men with diversified talents and skills, each of whom earns his living in the demanding and highly competitive world of professional music. Each member also has a continuing interest in music education and the discovery and development of young, talented performers.

The "Ted Goddard Quintet" will perform Tuesday, September 16 from 7:30 p.m. to 9 p.m. at Beardsley.

The concerts are free and open to the public. Please bring your own seating.

MONTE CARLO CARNIVAL

The Monte Carlo Carnival is still five months away, but the work has already begun to make this year's festivities bigger and better than ever. In the past, Monte Carlo was just one day of gaming activities. But this year there will be ten days of gaming, tournaments, entertainment, a dinner dance, a barbeque, a cookie bake-off contest, a "beauty contest" and more. This will all take place November 5-14.

The funds raised from the carnival will benefit a very worthy cause: the new Community Services Building to be built next year on land donated by Webb at the corner of R. H. Johnson and Stardust boulevards. The facility will house Lending Hands, Interfaith Services, the PRIDES, a thrift shop and other agencies.

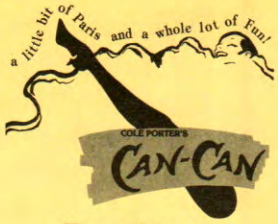

The Monte Carlo Organizing Committee is looking for your help and support in making this fund raising event a great success. If you can volunteer your time please contact the PORA Foundation office at 584-4288.

AUGUST'S SCW CONCERT IN THE PARK

"Igor's Cowboy Jazz Band" *is pictured here with comedian/impersonator Rich Little (3rd from left) backstage of the Sundome ("Igor" is 2nd from left).*

IGOR'S COWBOY JAZZ BAND

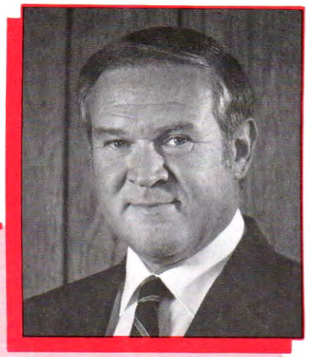

Dan "Igor" Glenn is a high-energy performer with a fast-paced show of good-time music and tall tales. His vocal range reaches into four octaves from gospel-style bass to soprano yodel.

"Igor", a former New Christy Minstrel, has appeared on television with Johnny Carson, David Frost, Bob Hope, Ian and Sylvia (Canada), national shows in Japan and Korea, regional commercials in New York and California, and has been a three-time winner of the NBC "Gong Show."

"Igor's Cowboy Jazz Band" has been together since the 70's. The combination cowboy, dixieland jazz, bluegrass, cavalry troop band recently was the opening act for noted musician Doc Watson.

"Igor's Cowboy Jazz Band" will play at Beardsley Park, **August 19** at **7:30 p.m.** *PLEASE BRING YOUR OWN SEATING.*

FROM THE PRESIDENT....

A CARING COMMUNITY

It's unfortunate, but the Phoenix metropolitan area has a very distorted view of what Sun City and Sun City West are all about. Too many times people base their impressions about a place through what they see, hear or read, and too many times, that information paints the wrong picture.

A person need only spend a short time in these communities to understand their caring nature. The Sun Cities are not isolated communities. They are communities that reach-out and share with their neighbors.

There are numerous stories such as the anonymous donation of $5,000 which helped Glendale High School students purchase a wheelchair for a fellow student; or your annual donation to the Westside Food Bank, the largest single donation in its history; or the outpouring of support to flood victims in southern Arizona a few years ago; or the purchase of playground equipment or scholarship donations to local schools. The list could go on and on.

The Sun Cities are not the child-hating place some people would want others to think. The Sun Cities are pro-adult, not anti-children. While I was dining in the Crestview Restaurant last month, I was amazed at the smiles that graced residents' faces when a child of perhaps 18-months walked through with her parents.

I sometimes wonder why a donation of thousands of dollars worth of toys, given to the Marine Corps' Toys-For-Tots program is not reported with the same zeal as other stories.

I'm sure you can relate many similar stories which touch at the heart of these communities. You are very caring people indeed.

At Del Webb, your efforts do not go unnoticed. We see it everyday. And I promise you that we will do our part to make sure the rest of Phoenix knows it, too.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

A LOOK AT THE FOURTH IN SCW

Thousands turned out on the 4th of July for Del W[illegible]ebb's festivities. The "Side Street Strutters" from Disneyland charmed the crowd with their delightful audience rapport and musical talents. The fireworks were a big hit as well. A speci[illegible]l thanks go out to the Sundome crew for their technical assistance and the Sundome Lions Club for quenching the thirsts of many by selling refreshments. We look forward to next ye[illegible]ar's Independence Day activities which will be held at a yet undetermined site.

WATCHING SUN HEALTH'S DEL WEBB GROW...

The hospital's five stories will include a total of 210,000 square feet, an[illegible]d will include an emergency department, diagnostic services, medical imaging, surgical intens[illegible]ive care unit, intensive care unit, coronary care unit, and anticipated obstetrics and p[illegible]ediatrics services.

Sun City West's own community hospital is under construction on Meeker Boulevard near Grand Avenue. The Del E. Webb Memorial Hospital will provide 24-hour emergency care and a comprehensive range of acute care services to Westers when it opens in January, 1988.

One of the new hospital's most important features will be its close affiliation with its sister-facility, Boswell Memorial Hospital in Sun City. Patients will benefit greatly from shared knowledge and sensitivity to the special needs of area patients acquired by Boswell's management team during its 15-year history.

At the 203-bed hospital, emphasis will be placed on the diagnosis and treatment of diseases related to aging, such as heart disease, strokes, lung disease, cancer and arthritis.

The hospital will be the tallest structure in Sun City West, with two five-story circular towers with patient rooms attached to a core building. The design if similar to that used at Boswell, with circular nursing units allowing nurses to observe and quickly respond to patients in their area.

Westers have always been able to rely on Boswell Hospital for quality inpatient care. But Boswell is now virtually full during the peak winter season, and Sun City West continues to grow steadily, adding 1,600 people each year. The residents expect quick access to the best modern health care, and Del E. Webb Memorial Hospital will soon meet that need.

Named for the founder and driving force of the Sun Cities, the non-profit Del E. Webb Memorial Hospital will make an already excellent place to live even better.

VOLUNTEERS NEEDED FOR MONTE CARLO CARNIVAL

Volunteers are needed to work in the following areas. If you can help, please call the PORA office at 584-4288. The Monte Carlo Carnival will raise funds for the construction of the Community Services Building.

Operations: transport/set up equipment, cashiers, communications, VIP registration, prize tickets/drawings

NEW BUSINESSES COMING TO SUN CITY WEST

Drivers along Meeker or R.H. Johnson Boulevards and Camino del Sol have no doubt noticed quite a bit of commercial construction activity.

There are a number of specialty shops, retail spaces and office suites coming to Sun City West for which the dirt is being moved and the foundations poured.

"Sun City West's commercial real estate market is in a period of in-fill growth," said Phil Brant, Webb's manager of commercial sales and leasing. In-fills are parcels developed for specialized uses after there is established building and retail trade.

For example, the Sun City West Car Wash on Camino del Sol is well under construction. This is a service which many Westers had requested, and will be the community's first, full service, computerized car wash. It should be open for business by the end of September.

Just down the road near Spanish Garden Drive, work has begun on the new Arby's Restaurant, Sun City West's first convenience food outlet.

And speaking of convenience, a parcel near 137th Drive and Camino del Sol has been sold and a new Circle K will be built. No construction timetable has been announced.

The building of the new Del E. Webb Memorial Hospital has prompted a need for new medical offices. The 82-acre medical campus will include not only the 203-bed hospital, but additional health care related facilities to augment hospital development.

***Phil Brant,** Webb's manager of commercial sales and leasing.*

Northeast on Meeker Boulevard across from Del Webb's Administrative Offices, ground has been broken for the Meeker Medical Building. It is expected that a pharmacy and dental office will compliment the executive medical suites in the 21,000 square foot development. It's scheduled to open in November.

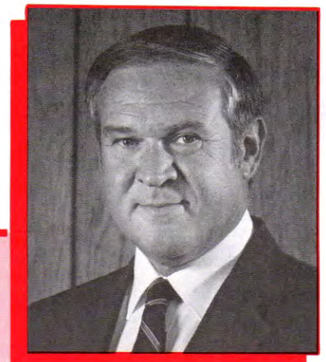

B & B Construction and Development, longtime commercial developers in the Sun Cities, will build a small retail and office complex on Camino del Sol near Meeker. Completion date on that project is early next year.

Sun City West's banking community is awaiting the opening of its latest financial institution. Pima Savings and Loan will celebrate its grand opening September 29 at its R.H. Johnson location.

The in-fills not only satisfy specialty needs within the community, they add to the resurgence of larger projects, the next of which will be the Crossroads Plaza shopping center near Bell Road and R.H. Johnson Boulevard. "The principal drive behind the construction of this center has been a long-felt need of Sun City Westers for a second grocery store. Lucky Markets is a highly regarded chain listed on the New York Stock Exchange with a longtime reputation in Sun City," noted Brant.

Availability of commercial sites within Sun City West is down to about one-third of its original 369 acres. Webb is still searching for additional commercial ventures to enhance the present business community.

FROM THE PRESIDENT....

OUR PHILOSOPHY

It has always been the policy of Del E. Webb Communities, Inc. to build its communities around already established recreational amenities. That philosophy was true of Sun City in 1960, Sun City West in 1978, and will be true for Sun City Vistoso in 1987.

To make that kind of up-front commitment takes confidence and financial strength. These are qualities we have always possessed at Del Webb, especially financial strength. The confidence began at an early date.

When Sun City opened, Del Webb had already invested more than a million dollars in the community's amenities. Del Webb undertook that commitment because he knew these amenities were necessary to make Sun City a success. He was right.

Today in Sun City West, that philosophy has not changed. In fact, it's more important because we now have a reputation to uphold. That reputation has helped make Sun City West the best-selling adult community in America.

When we open new facilities here, we recognize from the outset that the existing population cannot support those facilities. At Del Webb, we see these facilities as a valuable marketing tool. It helps keep Sun City West growing and interest in the project high. For that reason, we subsidize the operation and residents can enjoy these facilities sooner.

Recently, I have had the opportunity to discuss the operation of our recreation centers with members of the private business and government sectors. In every case, they express disbelief that our fees are just $89 per year — rather than per month.

Yet, when we reach our projected population of 25,000, your recreation center fee will cover the centers' cost of operation. With the extensive preventative maintenance schedule now in place, and the asset replacement fund, we are confident the Recreation Centers of Sun City West have a solid financial future.

We hope you are enjoying one of the greatest recreation bargains in America.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

SUN CITIES SYMPHONY 1986-87 SEASON

The 95-member Sun Cities Symphony Orchestra, under the direction of Maestro Eugene P. Lombardi, will present three concerts of traditional symphonic music and two concerts in the lighter vein this season, so there is listening pleasure for everyone.

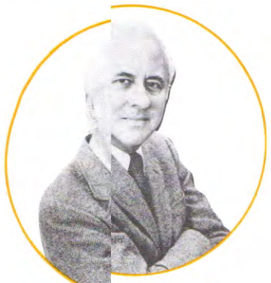

All concerts begin at 3 p.m. on Sundays. It's an easy daylight drive to the Sundome, with acres of free parking.

Early birds will get the best seats. Renewing subscribers and contributing members of the Symphony Association have first choice on seats. After that, seats will be assigned to new subscribers in the sequence in which orders are received at the Symphony office.

Guest artists this season include:

KEITH BRION, *with costumes and mannerisms of the great "March King," recreates a typical Sousa concert with popular songs, familiar light classics, and foot-stomping marches.*

LEONARD PENNARIO, *an American pianist who has performed with major orchestras in America, Europe and the Far East. He has also performed at the White House on numerous occasions.*

RICO SERBO *have*

CANDACE GOETZ *an*wn opera companies *performed with well-kn*nging leading roles in *throughout the world, s*heme, Tigoletto and *such favorites at La B*
Barber of Seville.

VIKTORIA MULLOVA *has been acclaimed as one of the most gifted violinists of her generation. She defected from the Soviet Union in 1983.*

WESTERS ENJOYING DEL WEBB'S SUMMER GAMES

Bridge players gathered for two tournaments sponsored by Webb, one social and one duplicate. Some 230 Westers enjoyed afternoons of challenging card play and refreshments compliments of Webb.

Grand prize winners in the two tournaments were Gerry Glassen & Patti Reminger, Jan & Harry Holland and Lloyd & Ruth Boyd. They all received either Musical Theatre or Lively Arts series tickets to the Sundome.

During the week of August 4, bowlers turned out for the Del E. Webb Open Bowling Tournament at Johnson Lanes. Chester Kawecki and Virginia Alms both won Lake Powell Rainbow Explorer packages. Las Vegas and Laughlin trips were also awarded to Dick Clark, Arthur Rybar, Judy Lium, and Rita Engel.

BILLIARD PLAYERS TAKE NOTE: Webb will host an EIGHT BALL TOURNAMENT on September 15 at R.H. Johnson Recreation Center. Registration forms are available at the monitor's desk near the pool tables. Prizes will be awarded in both men's and women's divisions.

TED GODDARD QUINTET TO PLAY SCW

The sounds of jazz music will be emanating from Beardsley Park on September 16 when the "Ted Goddard Quintet" comes to Sun City West.

Ted Goddard was born into the music business, his father having performed as a noted jazz saxophonist in New York with Claude Thornhill and The NBC Orchestra.

The concerts begins at 7:30 p.m. Concert goers should bring their own seating.

HAPPY 8th BIRTHDAY SUN CITY WEST

FROM L — Del E. Webb Communities, Inc. President and CEO, ***Paul Tatz;*** *former Chairman of the Board,* ***Fred Kuentz*** *and Recreation Centers General Manager,* ***Bill Woodyard*** *take knife to the cake at last year's birthday party.*

Sun City West has come a long way since 1978, the year of its birth. It is now home to roughly 14,000 residents from all around the United States and the globe.

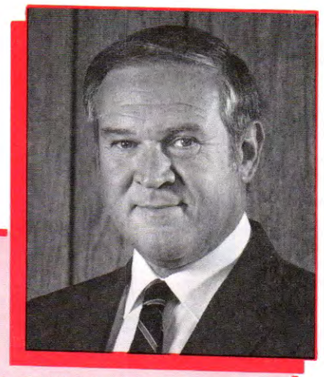

Join your friends and neighbors on Thursday, October 16 from 2 till 5 p.m. at the Johnson Recreation Center to celebrate Sun City West's 8th birthday.

Three bands will be on hand for your listening and dancing pleasure. A seven-piece "big band" group will perform in the Social Hall, a five-piece country and western band will play in the courtyard, and a jazz quartet will be poolside.

Mid-afternoon, the Sun City West Syncronettes will display their grace and finess during a water ballet performance, the Laugh-In Club will tickle your funny bones with jokes and comedic routines and members of the Sun City West Jazzercise Club will kick up their heels with vigor and vitality as part of the festivities.

And what's a party without cake and refreshments — there will be plenty for everyone. So, mark your datebook and make an afternoon of it!

FROM THE PRESIDENT....

A WORKING RELATIONSHIP

To the outside world, Del E. Webb Communities is a master-planner and home builder. During the last 26 years, we have built more than 33,000 homes in the Sun Cities. For most people, that's all they know about Del Webb.

But in the Sun Cities, and to the employees of Del Webb, we are much more than that. While we take a great deal of pride in the quality of our workmanship, that fact alone does not tell the complete story. Our success lies in a combination of attributes that includes our relationship with the communities.

It began 26 years ago in Sun City and continues today in Sun City West. We may be a home builder, but we are also an active member of our communities. Over the years, we have found the best formula for success is maintaining an honest and open relationship with our residents.

In Sun City West, this relationship has contributed to the betterment of the community. We meet regularly with members of the Property Owners and Residents Association (PORA) and the Recreation Center Advisory Board. This rapport has helped us resolve a great many issues while helping us make informed decisions affecting Sun City West. Beardsley Park is just one example of what this cooperation can achieve.

However, our active involvement goes beyond the meeting and conversation stage. In November, PORA will once again sponsor its annual Monte Carlo event. We will be a part of its success through the donation of the Sundome, and Hillcrest Golf Course. We will also provide the Sundome for the annual Thanksgiving Service and the Sun City West Variety Show.

Yet, our support goes beyond this donation. Members of this company are actively involved in other areas of these events. We help in the planning, publicizing, and in some cases, participate in the events themselves. In many ways, this interaction is far more important than providing a building or a golf course. It allows us to get to know you better, to understand your concerns and benefit from your suggestions.

In the Sun Cities and to ourselves, we are far more than just another developer. We enjoy our role as an active participant in a very active community and look forward to continuing this fine working relationship.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

MONTE CARLO GEARING UP

Monte Carlo tickets are now available through Sun City West recreation and service clubs at a charge of $10 for three tickets. Each ticket entitles the purchaser to a chance at major prizes and $1,000 in play money during Monte Carlo Day at the Sundome on Friday, November 14.

Volunteers are still needed for that day, especially cashiers and support staff.

Cookie bakers will want to sift through their files in search of potentially award-winning recipes to enter in the Monte Carlo Cookie Bake Contest. The judging will be held the morning of November 8, with the grand prize winner later appearing on Channel 5's television show, "Cooking With Rita."

Entry information will be available by the middle of this month at the PORA office on Camino del Sol and at Sun City West's Safeway.

DEL WEBB SPEAKERS BUREAU

Attention program chairmen! If you need someone to fill that morning or afternoon speaking slot, Del Webb has the answer. Throughout the fall and winter, these Del Webb officials will offer a special presentation dealing with his or her area of expertise. Everything from construction to sales to marketing and finance is covered. If you would like to schedule an appearance for your group or organization, contact Shirley Wirig in the Webb public affairs department at 876-3451.

DEL WEBB HOTELS CELEBRATE

Del Webb Hotels

Del Webb Hotels is celebrating 25 years in the gaming industry this fall. It all started in 1961, when Del E. Webb Corporation bought the Sahara Nevada Corporation whose assets included the Sahara Las Vegas Hotel on the strip, The Mint Casino, and the Lucky Casino, both in downtown Las Vegas.

The Mint, the only original property still managed by the group, opened its hotel tower in 1965. It was called "the biggest sleeper in Las Vegas" because at that time it was the tallest building in Nevada. Room rates started at $9 a night!

Help Del Webb Hotels celebrate by calling for a reservation today, 1-800-634-6811 (outside Arizona, 1-800-634-6691).

tops in blue
USAF PRODUCTION

TOPS IN BLUE, the Air Force entertainment showcase which annually tours worldwide, will perform at the Sundome October 3 at 8 p.m.

This high paced musical variety show will reach everyone's heart as the cast sings, dances and jokes their way to a fun-filled evening of live entertainment. There will be lavish costumes, exciting choreography and breathtaking sets.

The variety of the show is designed to appeal to all entertainment tastes and the music reflects the most current achievements of the industry — from Broadway to the Grammys, every musical style is represented.

Del E. Webb Communities, Inc. and Luke Air Force Base are sponsoring the event which is free, but **admission is by ticket only.**

Tickets are available at the Sundome and Luke Air Force Base.

Tickets will be limited to two per person and will be available to the general public.

GARAGE SALE COMING SOON

The annual Sun Cities Garage Sale is back by popular demand! Yes, it's time to start cleaning the garage, spare bedrooms and closets in search of those treasures others may like. Mark November 1 on your calendar from 8 a.m. to 2 p.m. at the R. H. Johnson Recreation Center parking lot.

This will be a great opportunity to raise a little extra cash for those holiday festivities or for that $100 robot your grandchild "absolutely must have."

Watch the local newspapers for the advertisement and entry information. Or, pick-up an entry form at Del Webb's administration building. Only Sun City West and Sun City residents may sell their "treasures" at the one-day event.

Del E. Webb Communities, Inc. will provide one 8-foot table per entry form. Entry forms must reach Webb's administration building no later than October 17. A space number will be mailed to you after your entry has been recorded.

LEUKEMIA SUPER SWIM CLASSIC

YOU CAN HELP COMBAT LEUKEMIA

Sun City Westers will have a chance to raise needed funds for the Leukemia Society by participating in the Super Swim Classic to be held at Johnson Pool on October 11 between 11 a.m. and 4 p.m. You may swim at any time during that five hour block.

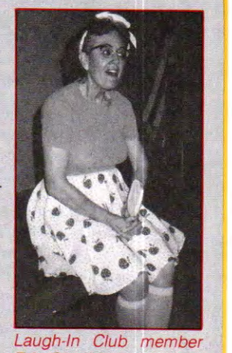

Swimmers and "water walkers" are encouraged to pick up pledge sheets at both Johnson and Beardsley Pools as soon as possible. Simply ask your friends, neighbors, business owners and the like, to sponsor you financially (10¢ - $1) for each lap completed. The point is not how many laps completed but how much money is raised for this worthy cause. Prizes will be awarded for swimmers raising the most money.

An estimated 26,000 people will be diagnosed this year with some form of leukemia, a malignancy which arises in blood forming tissue such as marrow, lymph nodes and spleen.

The Leukemia Society of America hopes to raise $6.2 million for research this year alone, and you can help. If you don't swim or water walk, please consider sponsoring someone.

COMIC RELIEF

FALL IS THE TIME OF YEAR
WHEN EVERYTHING'S BACK IN GEAR
THE LAUGH-IN CLUB IS RARING TO GO
MANY JOKES THEY'LL TELL THAT YOU KNOW
THAT MEANS THAT HERE AND HEREAFTER
THERE'S GOING TO BE A LOT OF LAUGHTER
SO COME AND JOIN IN THE FUN
BRING JOKES AND ONE LINERS AND PUNS.

*Laugh-In Club member **Edy Steving** laughs it up during Sun City West's Health and Fitness week.*

Laugh-In Club meetings are held at Western Savings at Beardsley and 128th Avenue the first Monday of each month at 1:30 p.m.

FROM THE PRESIDENT....

COMMUNITY SPIRIT ABOUNDS

The effort underway in Sun City West to raise funds for a new Community Services Building exemplifies the true meaning of "community spirit." Few places are privileged to have residents so committed to enhancing their environment that they'd take the project on themselves. Sun City West, as we know, is unlike most other communities.

The Community Services Building is scheduled for ground breaking in January, providing $450,000 is raised to construct the first phase.

Del Webb Communities has donated a 3.3 acre parcel of land near the intersection of R.H. Johnson and Stardust Boulevards for the building, which will house organizations such as the Sheriff's Posse, Lending Hands, Interfaith Services, the PRIDES, and other agencies.

This month one of the major fundraisers for the Community Services Building will be underway in Sun City West. The Monte Carlo Carnival has been expanded from a one day event to ten days of fun and excitement.

The PORA Foundation, Sun City West's fundraising entity for community projects, decided that increasing the number of activities would boost resident involvement. It worked! To date over a thousand Westers are contributing their time, money and energies to make this a successful event.

Del Webb understands the importance of the Monte Carlo Carnival and the roll it plays in fostering community pride. Consequently, Del Webb Communities and Del Webb Hotels are major sponsors of the carnival, donating facilities, services, staff, and equipment.

For example, Del Webb is donating use of the Sundome for the night of gaming action, while The Mint Hotel and Casino is supplying gaming paraphernalia and dealer expertise. We are also providing Hillcrest Golf Course for the special golf tournament. This is just part of Del Webb's involvement, but it underscores our commitment to the community and to the projects important to the residents.

Del Webb is helping make the Community Services Building become a reality, and we hope you will give generously to the effort as well.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

POM POMS PERFORM

The Sun Cities Pom Poms will present a variety show to benefit the Alzheimers Research Group on Sunday, November 9 at the Sun Bowl, 2 p.m.

This energetic group has become internationally known through appearances on television and publicity received in major newspapers and magazines throughout the world.

This unique group of Sun City and Sun City West residents range in age from 60 to 83, are noted for their agility in performing dance routines.

Admission is free with a recreation center card, with guests being admitted by courtesy cards available at the Del Webb Administration Building.

Seating will be reserved for Alzheimer patients and their families, so please bring your own seating.

1986 VETERANS DAY IN SUN CITY WEST

For the first time in its history, Sun City West will be the site for ceremonies honoring the veterans of all wars. Services will be held November 11 at 10 a.m. in Beardsley Park.

The principal speaker will be Paul Tatz, president and chief executive officer of Del Webb Communities. The Sun City Concert Band will provide the music and the Color Guard from Luke Air Force Base will also participate.

The residents of the area are urged to attend the ceremony honoring our veterans. Please bring your own seating.

Echo Mesa Golf Course, Sun City West's sixth, will open to the public on Monday, November 3. Echo Mesa is an executive length par-60 course located north of Meeker Boulevard between R.H. Johnson and 135th Avenue.

The Sun City West Community Fund's fifth annual campaign is currently underway with its theme "HEARTS THAT CARE SHARE." Your Community Fund supports a host of non-profit organizations that provide direct and indirect support to Sun City Westers. For example, through its Personal Needs Program the Fund provides financial assistance to residents who experience special emergency needs. The Fund's campaign packets containing information and a pledge card was mailed to all residents and businesses last month. Please return your pledge card with your tax deductible contribution. If you need a packet, please call 974-4713.

LUMINARIAS will again be a part of Sun City West's Christmas Eve! You can place your order now by calling 584-1470. The kits will be ready around mid-December. All proceeds benefit Sun City West's Community Services Building. Be a part of the project!

CELEBRATE AMERICA . . . GIVE THANKS

The Ministerial Association of the Sun Cities will once again present a special Thanksgiving Day service at the Sundome. The program will include music by the Fort Hauchuca Army Band, the Color Guard from Luke Air Force Base, a mass choir of 250 voices and organ music. Rabbi Albert Plotkin of Temple Beth Israel will be the main speaker for the hour long celebration.

Residents from Sun City and Sun City West are invited to the service which begins at 10:30 on November 27.

SUN CITY WEST VARIETY SHOW

"We're Taking A Cruise" on the 7th annual Sun City West Variety Show to be held on December 5 at 8 p.m. at the Sundome. Free tickets to the show will be distributed on November 21 from 9 a.m. to 11 a.m. at a special table set up near the Sundome box office and at the Camino del Sol branch of the Valley National Bank. Tickets will also be available at the other Valley National Bank offices and at the Lakeview Recreation Center.

The show is sponsored by Del E. Webb Communities, Arizona State University and the Valley National Bank.

Those attending the performance are encouraged to bring canned goods which will be donated to the Salvation Army and to the St. Vincent de Paul Society.

BOWLER'S HALL OF FAME

Sun City West now has its own Bowling Hall of Fame after years of sharing with Sun City. This year's inductees were named at a Beardsley Park picnic last month. Those eligible for such an honor must be residents of Sun City West and bowling league members for at least five years.

*From left: **Dick Clark, Bob O'Loughlin** and **Jim Maley** are the first inductees in Sun City West's Hall of Fame. They all displayed meritoreous service to the game or displayed outstanding bowling ability.*

***Hogan Dunlevy** bowled a perfect 300 game at Johnson Lanes. At the Hall of Fame picnic he received plaques from the Bowling Association and from Brunswick, a major supplier to the bowling industry.*

SOUTHPAW BOWLING TEAM

Righties get ready to defend your honor. Sun City West has its first southpaw bowling team. This group of lefties is a regular team that competes with "those other guys."

*Back row: **Frank Chervenke,** capt., **Otto Baumruk, Harvey Baker.** Front row: **Bill Ritson, Marshall Brosniak, Fred Madlo.***

LUMINARIA FESTIVAL

The Luminaria Festival will once again light up the streets of Sun City West on Christmas eve. The Luminaria lighting will take place at dusk, and the one hundred-eighty thousand candles will continue burning all through the community well into the night.

Sound will be added to sight this year, through arrangements with KONC-FM 106.3 which will broadcast a special Luminaria Festival Concert beginning at 5 p.m.

Last year the custom, which dates back 300 years on this continent, was launched as one of the key festivities in Sun City West — and very quickly involved a large majority of residents. Several hundred Westers are involved in the production and sale of the Luminaria kits which contain 12 candles, 12 candle receptacles, 12 special Luminaria sacks, and enough sand to weigh down the sacks. Price: $4.25 per kit.

The Luminaria Festival is an official activity of the PORA Foundation to raise money for the Community Services Building to be constructed soon near the intersection of R.H. Johnson and Stardust Boulevards. Luminaria Festival organizers hope to raise $30,000 this season for the facility.

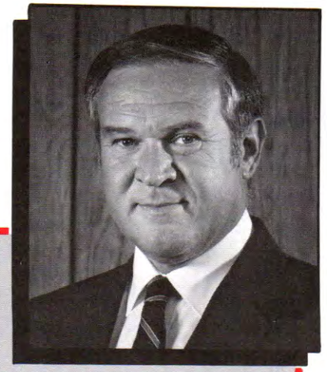

Luminaria volunteers will canvas the neighborhoods the first two weeks of the month taking orders. The Luminaria kits will be available for pick up at the Luminaria "factory" located behind the Lending Hands building the week of December 15.

FROM THE PRESIDENT....

TALENTS

We often boast about the talents of our residents here in Sun City West. When you develop a community of 14,000 people, bringing a multitude of talents from all 50 states, it's easy to boast.

Two December events will allow us an opportunity to help you exhibit these talents . . . the Seventh Annual Sun City West Variety Show and our special Holiday festivities at our Model Home Pavilion.

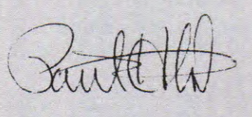

The Variety Show premiers on Friday, Dec. 5. What started out as a small program has now grown into a major production requiring year-long planning. Not only does it require special talents such as singing and dancing, it also capitalizes on talents ranging from writing to set design. You don't need to be a veteran of Broadway to play an important part in this show. To all those who work so hard in this production, accept the applause Friday night as recognition of a job well done.

I'd also like to encourage everyone to visit our Model Home Pavilion during the month of December. While there, you can enjoy the talents of other Westers. Members of the Silk Flower, Stained Glass, Woodworking and Encore Needle & Crafts clubs have decorated four trees which add a special Holiday spirit to the pavilion. This is a competition for the clubs, so while you're there, cast a ballot for your favorite tree.

Like those involved in the Variety Show, members of these clubs have been working all year creating their special ornaments. These hand-crafted items are not only beautiful, they also showcase the talents of Sun City Westers to the thousands of people who visit our pavilion.

Additionally, the Westernaires of Sun City West will be performing at the pavilion throughout the Holiday season. We're pleased they could help us bring the sounds of the season to Sun City West . . . in addition to the sights. Their performance schedule is listed in this edition of the Calendar.

These two events truly illustrate the diversity of talents in our community. No one really retires in Sun City West. They find new ways to express their own special talents.

Paul H. Tatz, President and Chief Executive Officer
Del E. Webb Communities, Inc.

DECK THE SALES PAVILION WITH BOUGHS OF HOLLY

The Sun City West Sales Pavilion is decked out for the holidays courtesy of four Recreation Center clubs participating in the Webb-sponsored Tree Trimming Contest.

The Creative Silk Flower Craft Club, the returning champion, is faced with tough competition from the Woodworking Club, the Stained Glass Crafters and Encore Needle and Crafts. All of the groups have invested countless hours and months in preparing their creations which will be judged by Sales Pavilion visitors.

Adding to the Holiday festivities will be the Westernaires who will carol from model to model on December 13, 14, 20 and 21 from 2 p.m. to 3 p.m.

The Creative Silk Flower Craft Club is the returning champion of the Del Webb Tree Trimming Contest. Seated: Peg Van de Voorde and Betty Maull. Standing: Elenor Murray, Mildred Schiattarella, Dorothy McGirr, Dorothy Schultz, Vivian Schrage, Lois Ratican, Helen Hunt, and Clara Maas.

DEL E. WEBB COMMUNITIES WISHES EVERYONE A SAFE AND HAPPY HOLIDAY!

The only Mint that gives it away!

DEL WEBB'S MINT CASINO · HOTEL DOWNTOWN

"We're Taking a Cruise" on December 5 at the Sundome. Tickets for the 7th annual Sun City West Variety Show have already been distributed. Ticket holders who are unable to use their's are asked to return them to the Sundome so that others may have a chance to see the fun.

Don't forget to bring a canned food donation for the Salvation Army and St. Vincent de Paul Society. The contributions will be distributed in this area.

The Rhythm Tappers will dance their way to Brazil and Paris in the upcoming SCW Variety Show.

ARIZONA SENIOR OLYMPICS

TWO SENIOR OLYMPICS EVENTS TO BE HELD IN SCW

It's time to start training for the Arizona Senior Olympics to be held in the Valley between February 21 and March 1.

Most of the events will be held at Arizona State University in Tempe, but Sun City West will host two events.

R. H. Johnson Recreation Center will be the site for the Lawn Bowling competitions from February 23-27. A road race on March 1 will begin and end in Beardsley Park and will include a 5K, 10K, half marathon, and a 5K race walk. Both of the events are supported by Del Webb Communities.

NEW FACES IN TOWN

These new Sun City Westers were welcomed to the community during November's Newcomers Coffee at the Johnson Social Hall. The next Newcomers Coffee will be held December 18 at 9 a.m. in the Social Hall.
