FOUR MODELS ADDED TO SCW HOME SHOW

Del E. Webb Communities has built four new model homes, offering the largest home show in the state of Arizona – 25 in all. These exciting designs include a dual master suite plan and a guest house suite layout.

View these homes at the Sun City West Sales Pavilion from 8 a.m. to 5 p.m. Monday through Saturday, and from 9 a.m. to 5 p.m. Sundays. See Paul Tatz's letter on the next page.

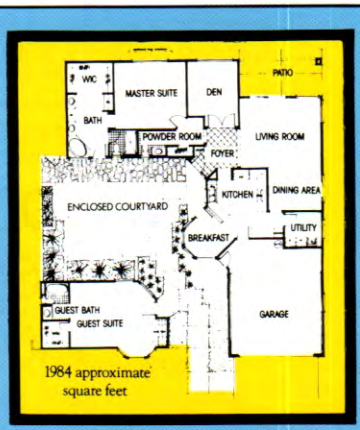

The LA SALLE H8516B
SINGLE-FAMILY HOME

Front Porch, Living Room, Dining Area, Kitchen with Breakfast Area, Utility Room, Patio, Double Carport.

Pre-grand opening price $89,800

OPTION BEDROOM 1/SITTING

OPTION BEDROOM 3

LETTER FROM THE PRESIDENT

Our four new home models illustrated on the preceding page represent Del Webb's commitment to offer the best and the biggest selection of home designs in the state of Arizona.

These exciting and innovative designs are the result of many months of research. We asked people just like you what they wanted in a single-family home design. And they told us!

Our dual master suite, called the Francisco, provides larger accommodations for your visiting friends and family. Our research indicates many singles would like to share a home with another but want equal space and privacy. We think the Francisco will fill that void in the marketplace.

We know that many of you entertain out-of-town visitors, especially during the winter months. Your guests will enjoy even more privacy with the separate, self-contained guest suite model called the Stratford. The guest house also can be used for a secluded reading room, office or hobby studio.

The other two models, the San Gabriel and the La Salle, offer the benefits of a single-family home but with smaller square footage.

We depend quite heavily on market research to help us maintain our dominant position in active adult housing. The several hundred Sun City West buyers and visitors we surveyed indicated the addition of these four models would give us a product line simply beyond comparison. And we agree.

Paul H. Tatz,
President & Chief Executive Officer
Del E. Webb Communities, Inc.

Your Recreation Centers Advisory Board's Q&A

This "Q & A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes.

Please send your questions to the Advisory Board c/o Sun City West Recreations Centers Inc., 19803 R.H. Johnson Blvd., Sun City West, AZ 85375.

Q. What is the Asset Replacement Fund and how much is in it now?

A. The Asset Replacement Fund is a sum of money held in escrow for the future use of members of the Recreation Centers of Sun City West, Inc. to pay for unforseen major Recreation Centers Division expenses. It cannot be used until Webb has turned over management of the Recreation Centers to its members. (For the sake of simplicity, Recreation Centers of Sun City West, Inc. will be referred to as the Association in what follows. Members of the Recreation Centers will be referred to as Members.) All Members contribute to the Fund annually and so does Webb. The current annual $89 fee which members pay is divided as follows: $82 goes to pay for operating and maintenance costs of the Recreation Centers Division of the Association; $7 goes into the Asset Replacement Fund. (The Association is composed of three divisions each designed to be self-supporting: the Golf Division, the Bowling Division and the Recreation Centers Division which includes all other facilities.) Webb contributes $2 per year to the Fund for each Association member listed as of June 30, the end of the fiscal year, and Webb will continue to contribute to the Fund until it reaches a total of $1,250,000. Owners of apartments also are required to pay yearly Association assessments based on 1.8 occupants per unit or upon the actual number of occupants, whichever is greater. A proportionate amount of their assessment is added to the Fund. The total in the Fund will continue to grow even after Webb has fulfilled its contrubution commitment as Members will continue their contributions. The Asset Replacement Fund is invested by the Association in interest bearing instruments that currently earn from 7 percent to 9.75 percent interest. The amount in the Fund at the end of September 1987 was $627,816.98. Based on projected population growth and a conservative average return of 6.5 percent with all interest reinvested, the Fund will reach $1,790,000 by the end of 1992. As noted above, the money in the Fund will not be available for any expenditure until Webb has turned over the management of the Recreation Centers of Sun City West, Inc. to the Members of the Association.

STATE CLUBS

Minnesota
9 a.m. Jan. 23 breakfast at Briarwood Country Club. Mail 1988 dues ($2 per person) to P.O. Box 5131, SCW 85375; attention Jim Morford, treas.

Iowa
Dinner and meeting at Briarwood Country Club Feb. 19. Watch for further details.

Arthritis Expo '88

The Arthritis Foundation of Central Arizona will present its EXPO '88 in the R.H. Johnson Social Hall from 9 a.m. to 4 p.m. Jan. 28.

More than 660,000 persons in Arizona suffer from arthritis to the degree that they require medical attention. The figure is 36 million nationwide.

EXPO '88 will include exercise demonstrations, biofeedback displays, and workshops on hip replacements, sleep disorders and osteoporosis. There also will be prize drawings, complimentary refreshments and a number of informational displays.

The event is sponsored by Del E. Webb Communities.

SCW Garage Sale A Great Success

Sun Cities residents Ken and Marie Crawford staff the Make-A-Wish table where fundraising items were sold.

Sun City Wester Al Spanjer found the treasure he was looking for at the garage sale.

An estimated 23,000 persons crowded into the Johnson Recreation Center parking lot recently to take part in what has grown to be one of, if not THE, largest garage sale in the Valley of the Sun.

This year, the sale benefitted the Make-A-Wish Foundation. The sellers offered voluntary contributions which totaled more than $3,000. The Sundome Lions Club, which operated the food concessions, raised $800 for Make-A-Wish, as well. Thank you all for your kindness and generosity.

State Club Social

Last year, residents braved a cold and wet day to join in the fun. The event has been moved indoors this year.

Del E. Webb Communities is pleased to sponsor the State Club Social from 1 to 4 p.m. on Jan. 25 in the R.H. Jonhson Recreation Center Social Hall. This is a great opportunity to meet folks from your home state and renew old friendships. All Sun City West residents and visitors are invited to attend.

Presently, 34 states are represented by organized clubs. If you don't see your home state listed and would like to start one contact Martha Moyer in the Del Webb Public Affairs office at 876-3455.

State Clubs which have formed: Alaska, California, Colorado, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Maryland, Michigan, Minnesota, Montana, Missouri, Nebraska, New England, New Jersey, New York, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, South Dakota, Texas, Virginia, Washington and Wisconsin.

Kuentz Recreation Center Under Way

Sun City Westers can watch the progress on the latest lifestyle amenity under construction in this community. Del Webb Construction Services is busy working on the Fred Kuentz Recreation Center located near the intersection of R.H. Johnson and Stardust boulevards. The facility is scheduled for completion later this year.

Del E. Webb Communities President Paul Tatz (L) and Recreation Center Advisory Board President Jack O'Connor joined retired Del Webb Chairman and CEO Fred Kuentz (R) in the center's groundbreaking ceremonies.

Monte Carlo Hits the Jackpot!

Thousands of Sun Cities residents hit the gaming tables for the annual Monte Carlo Carnival.

We have a winner! Gamblers played with fake money but the real winner is the Community Services Building. The Monte Carlo Carnival is one of the fund raisers that help pay for the construction of the facility.

Visit Vistoso

Del Webb's Sun City Vistoso offers 10 model homes which are open from 8 a.m. to 5 p.m. daily.

Sun City Westers are invited to visit their sister-city to the south – Sun City Vistoso. Nestled against the backdrop of the towering Santa Catalina Mountains, Sun City Vistoso offers the finest of living in the Tucson area.

Stay for a week in the beautifully furnished garden villa. You'll also receive a complimentary round of golf at the Sun City Vistoso Golf Club and enjoy the many activities in the Mountain Vista Recreation Center. Or, relax poolside. The area is surrounded by striking desert panoramas and majestic views.

The Janaury-April Vacation Village rate is $450 a week for two guests, plus 6 percent sales tax. A maximum of four guests may stay in the two bedroom villas for an additional fee of $79.50 per person. One guest must be age 45 or older and no one can be less than 19. Reservations are limited to available dates. Call 975-2270 ext. 3057 for reservation information.

Variety Show '88

Leaders of organized entertainment groups are invited to attend a 1988 Variety Show meeting at 9:15 a.m. Jan. 21 in the Valley National Bank lower level conference room.

Group leaders are asked to please call 975-1172, 584-7759 or 584-1598 to confirm attendance.

Individual entertainers may call the above numbers for February/March audition appointments.

ARIZONA CLASSIC SR. PGA TOUR AT HILLCREST MARCH 14-20

The greats of golf will return to Hillcrest Golf Club in Sun City West March 14-20 for the Pointe/Del E. Webb Arizona Classic. The proceeds from this tournament will benefit the Walter O. Boswell Memorial Hospital, the Del E. Webb Memorial Hospital and the Institute for Biogerontology Research in the Sun Cities.

Join such legends as Miller Barber, Gay Brewer, Billy Casper, Orville Moody, Doug Sanders and Art Wall out on the courses and help maintain quality medical services in the Sun Cities.

The Arizona Classic is offering a number of sponsor packages, including the $500, 18-hole sponsor who gets invitations to the gala celebrity Pro-Am awards banquet at the Pointe at Tapatio Cliffs, four VIP badges entitling the bearer admission to the tournament all week, 20 good-any-one-day tickets, invitations to the kick-off wine and cheese party, reserved parking, reserved seating behind the 18th green on the final two days of play and recognition in the official souvenir program.

Included in the sponsorship packages this year are two new offerings: the Par Three and the Hole-in-One. The purchase of either allows the opportunity to play on six of Arizona's most challenging and beautiful courses: Canada Hills Golf Club, Tucson; Foothills Golf Club, Phoenix; Hillcrest Golf Club, Sun City West; The Resort at Gold Canyon, Apache Junction; Sun City Vistoso, Oro Valley; and Westbrook Village Country Club, Peoria.

Call the Arizona Classic office at 930-4220 for further information.

LETTER FROM THE PRESIDENT

WISE TO INVEST IN SUN CITY WEST

Sun City West home values appreciated 8 percent in 1987, the highest rate in the Valley of the Sun, according to the Arizona Bureau of Business and Economic Research. Sun City West has enjoyed this coveted position since 1981.

It's comforting to know that your Sun City West home is appreciating at a rate faster than the homes, say, in Scottsdale or Paradise Valley. It's equally reassuring to know that our residents' hard-earned funds have been placed in a commodity that is increasing in value.

There are a number of reasons why Sun City West is at the head of the pack. Sun City West offers a lifestyle no other developer comes close to matching. All of the homes are designed and built with quality in mind. And, now with 25 models available ranging in price from the $60s to $230,000, Sun City West has something for everyone.

Most importantly, our residents' zeal and loyalty to the community has spread not only across the country, but the world as well. This fervor continues to draw over 160,000 people to our Model Home Pavilion each year, allowing the population and home values to continue to grow.

Paul H. Tatz,
President & Chief Executive Officer
Del E. Webb Communities, Inc.

Your Recreation Centers Advisory Board's Q&A

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes.

Please send your questions to the Advisory Board c/o Sun City West Recreation Centers Inc., 19803 R.H. Johnson Blvd., Sun City West, AZ 85375.

Q Who made the decision to change the way the ■ Recreation Centers' Activities Calendar is distributed and why?

A The decision to place the Activity Calendar in ■ PHOENIX METRO Magazine was the result of a recommendation made by the Del Webb Public Affairs office to the Recreation Centers Advisory Board. After review, the Board voted unanimously in favor of the change.

The Board felt it was a tremendous advantage to have the Activities Calendar mailed to every resident's home rather than having residents go to a specified location to pick one up. The capability to use color photographs instead of just black and white was also considered a plus.

The three-year Del Webb contract with PHOENIX METRO Magazine will provide the Board ample opportunity to review the current structure of disseminating the activities information and decide how it would like to proceed in the future. In the meantime, Sun City West homeowners are enjoying the benefit of receiving not only Sun City West news, but features about the Valley as well.

As is the case when any procedure is changed, some problems can be expected. The Advisory Board and Del Webb are working together to make sure the calendar is meeting the needs of the residents.

If, for some reason,you are a homeowner and not receiving the magazine, simply stop by the Recreation Centers office and pick up a copy of the calendar insert and notify the staff of your address. Subscriptions have not been supplied to renters, who should also pick up a calendar insert each month to keep up on the myriad of activities and events in the community. Extra copies have been made available for your convenience.

The 45-day deadline for submission of information to the calendar has been in effect since August and the clubs have adjusted their schedules to meet the time needs of the magazine. The 45-day suspense is the minimal time required to produce, edit, publish and distribute the magazine.

The Advisory Board will continue to monitor the distribution and editing of the calendar. Resident comments are always appreciated.

SENIORS SOFTBALL TOURNEY

The 1988 Del Webb Senior Invitational Softball Tournament, hosted by the "Sun Cities Amazing 60s Senior Softball Club," will be under way March 11-13 at the softball field on Grand Avenue across from Sun City West.

This year, 14 teams from across the Southwest will vie for the championship. Participants will include teams from Chico, CA; Sacramento, CA; San Diego, CA; La Mesa, CA; Albuquerque, NM, Houston, TX; Lakewood, CO; and the Smithy's Hawaiians.

Stop by the softball field and cheer the guys on. Just turn right on Grand Avenue from Meeker Boulevard. The softball field is about a block up the road on the left side.

The tournament is sponsored by Del E. Webb Communities.

SENIORS TENNIS TOURNEY SPONSORED BY WEBB

The Swing Into Spring Tennis Tournament for men and women age 50 and older is set for April 2-5 at the R.H. Johnson Recreation Center tennis courts. Players are expected from California, Colorado, New Mexico and Texas in addition to those from Arizona.

There will be singles and doubles categories in both the men's and women's divisions. The entry forms must be received no later than March 21 and are available through the Sun City West Racquet Association and also at the Del E. Webb Communities Administration building, 13950 Meeker Blvd.

The event is administered by the Sun City West Racquet Association and is sponsored by Del E. Webb Communities.

VARIETY SHOW AUDITIONS

Last auditions for the Ninth Annual SCW Variety Show are being scheduled for March 10. All interested performers are urged to call 975-1172, 584-1598, or 584-7759 for appointments and further information. The committee also would like to hear from interested parties to help "behind the scenes" later in the year.

STATE CLUBS

ILLINOIS STATE CLUB

March 25 – Turf Paradise Race Track. $11 per person covers admission to clubhouse, buffet and racing form. Buffet starts at 11 a.m. Deadline: March 11. Call and send check to Bob Dubenic, 17010 125th Ave. Phone: 584-6457.

DEL WEBB HOSPITAL'S LADIES IN BLUE

Sun City West's Del Webb Memorial Hospital opened in January with a complement of volunteers to make patients' stays as comfortable as possible. Here are a few faces you may see.

Tours of the hospital are available every other Friday. Reservations are required.

(From left) Elsie Cherry, Shirley Walker and Mae Maiorana help with selections in the gift shop.

Flora Vogt skillfully guides the library cart filled with magazines to the patient units.

Lee Wasson and Penny Saxton greet visitors coming through the front door of the hospital.

STATE CLUB SOCIAL A HIT

The State Club Social held in late January attracted roughly 2,800 persons to the Johnson Social Hall for an afternoon of refreshments, entertainment and fun with folks from "back home."

New England won first prize in the table decorating contest and Missouri's Marilyn Nystrom took first in the costume division.

The Idaho Club offered a real education on the products and services found in the "spuds" state.

The weather in Sun City West is a lot warmer than it is in Alaska but the Alaska State Club sweated it out in the name of fun.

A TOUCH OF 'OLDE MEXICO' AT RHJ

Beginning March 1, the RHJ Snack Shop (located in the Sports Pavilion) will offer a "Call-In/Take-Out Service" and a "Small Party-Catering Service." The new programs complement the recent addition of daily, home-cooked Mexican lunch and dinner specials. While specializing in Mexican foods, the Snack Shop still offers a wide selection of traditional foods.

The "Call-In/Take-Out Service" allows you to phone in a lunch or dinner order, pick the order up in 15-30 minutes, and then eat a hot, fresh meal in the convenience of your home. What could be easier?

The "Small Party-Catering Service" will provide various selections of party foods and beverages. You make the selections, give the Snack Shop a minimum of 48 hours advance notice, and sign on the dotted line. When it's party time, just pick up your order and enjoy. Again, Mexican specialties will be the highlight.

Drop by the RHJ Snack Shop and talk with Chris Valdivia, the new Food and Beverage Supervisor. She'll be glad to show you the new Party Menu and discuss her new programs. Call 584-6629 to order or to ask for additional information.

SWING INTO SPRING TENNIS AT R.H. JOHNSON

Westers Toni Sengbush and Roy Wente can be found most any day at the tennis courts. For the second year, they are serving as directors of the Swing Into Spring Tennis Tournament.

The courts at Johnson Recreation Center are busy much of the time during the spring. But the action will pick up even more April 2-5 as seniors from across the Southwest gather for competition.

Del Webb and the Sun City West Racquet Club present the third annual "Swing Into Spring" Seniors Tennis Tournament April 2-5 at the R.H. Johnson Recreation Center courts.

The tournament will feature singles and doubles events for men and women age 50 and older from across the Southwest. Winners, finalists and consolation finishers in each five-year age grouping will receive a silver serving plate award.

Sun City Westers Toni Sengbush and Roy Wente are serving as Tournament directors with Bill Holloway of Sun City as Tournament Referee.

Stop by the courts and watch your favorite single or doubles teams compete for the silver.

LETTER FROM THE PRESIDENT

GROUND BROKEN IN LAS VEGAS

I am pleased to tell you this month that we have broken ground in Las Vegas for our next Sun City venture. We selected a choice piece of property about eight miles from downtown Las Vegas for our continued expansion of Del E. Webb Communities, Inc. in the Southwest.

We have received outstanding cooperation from city officials and are pleased with the enthusiasm they have displayed toward the project. Our master plan has been approved and local firms have begun working at the site.

Construction on the 18-hole golf course, designed by architect Greg Nash and the legendary Sr. PGA Pro Billy Casper, is our first priority. Greg designed the courses here in Sun City West, so many of you are familiar with his work.

The model home complex is scheduled for completion in November. Housing construction will begin that month with the golf course opening and pre-sale activity slated for December. The official grand opening of the project is scheduled for January, 1989.

The project will initially encompass 1,050 acres, with a projected population of 6,000. We also have an option on an additional 842 contiguous acres. Development of the Phase II property would push the project's population to about 11,000 people. Our project is part of 25,000 acres master-planned by Howard Hughes Properties. We will develop our own property.

We are extremely excited about this next Sun City, and it appears many potential homebuyers are, as well. We've received well over 1,200 requests for more information and we haven't spent a dime on advertising yet. Our 28 years of experience in building active adult communities has paved the path for what we expect will be a very successful venture.

Paul H. Tatz,
President & Chief Executive Officer
Del E. Webb Communities, Inc.

Your Recreation Centers Advisory Board's Q&A

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes.

Please send your questions to the Advisory Board c/o Sun City West Recreation Centers Inc., 19803 R.H. Johnson Blvd., Sun City West, AZ 85375.

Q What is the "Special Assessment" provision in our Bylaws and who can enact it?

A The Bylaws reference for this provision is Article III, Paragraph 3.4b. The purpose of the "Special Assessment" is: (1) to provide the membership with a means to offset unanticipated expenses that were not allowed for in the annual budget; (2) to safeguard the membership from unanticipated disasters (not covered by insurance); (3) to enable the membership to support unanticipated, essential acquisitions of equipment or property; and (4) to support the Association's needs in time of catastrophic event, or unanticipated operational failing. The "Special Assessment" provision is not a requirement of Federal statute, but is patterned after guidelines issued by many Federal Agencies; e.g., The Federal Housing Administration.

A "Special Assessment" can only be levied with the majority assent of the voting membership at a meeting specifically called for such purpose, or at the annual meeting. This provision stipulates that the "voting membership" *excludes* the developer (Webb). The Governing Board can make the *subject* of a special assessment an agenda item for the membership, but it cannot *affect* the assessment, or unduly influence a vote on the subject. The Advsiory Board fully supports the rationale and need for the "Special Assessment" provision of the Association Bylaws.

SOUTHWESTERN INVITATIONAL AT SUN CITY ART MUSEUM

The 21st Southwestern Invitational, an annual exhibition of work by artists now living in Arizona, will be on view at the Sun Cities Art Museum April 4 - May 1.

The diversity of styles, techniques, media and ideas makes the 21st Southwestern Invitational an excellent overview of contemporary art in Arizona and a lively exhibition to visit. Works include painting, sculpture, jewelry and photography.

The 21st Southwestern Invitational was organized by the Yuma Art Center and is touring under the auspices of the Traveling Exhibition program of the Arizona Commission on the Arts.

The Sun Cities Art Museum is located on Bell Road between Sun City and Sun City West and is open 10 a.m. - 4 p.m. Tuesday through Saturday and 1 p.m. - 4 p.m. on Sunday.

PAT BOONE CLASSIC RETURNS TO HILLCREST

The eighth annual Pat Boone Golf Classic returns to Hillcrest Golf Club on April 8. This will be a scramble format tournament with shotgun starts at 8 a.m. and 1 p.m.

Prizes include hole-in-one cars on par 3s (#3, #8 and #17) courtesy of Schaefer-Smith-Ankeney Insurance, $15,000 cash for the first hole-in-one on #14, and the closest to the pin on #3, #8, #14 and #17 wins a weekend trip for two courtesy of Southwest Airlines.

The $175 entry donation includes cart, golf, awards and prizes, awards dinner for two, continental breakfast, buffet lunch, refreshments on the golf course, a commemorative golf prize and give-away bags.

The event is sponsored by Del Webb and Safeway Stores Inc. for the benefit of Arizona Easter Seals for Crippled Children and Adults.

STATE CLUBS

WISCONSIN STATE CLUB

Steak Fry by Burnt Biscuit Bunch — Beardsley Park — April 28. Cost of $7.50 includes 12-oz. rib eye steak.

Further details will be mailed to all paid-up members and a general notice will appear in the various local papers in advance of the event. For more information on the Wisconsin State Club, contact Phyllis or Howard Schwebke at 584-2524.

MINNESOTA STATE CLUB

Minnesota State Club Spring Get-Together — April 9 at Beardsley Park. Music and dinner, 3 p.m. - 6 p.m. Call Bill at 584-5427 for further information.

SUN CITY WEST FEST PAPARAZZI

Nearly 8,000 people turned out at the Sun City West Fest featuring arts and crafts from the Sun Cities, food booths, musical entertainment and antique cars. The annual event was sponsored by Del Webb.

The Jazzettes were among several local dance clubs who helped distribute information about the festival activity locations.

The arts and crafts vendors seemed to do a great business under the clear blue skies.

After wandering through a huge parking lot and viewing roughly 150 arts and crafts exhibits, it was time to sit down, take a break and sample some of the wonderful food.

THE INVENTORY INCENTIVE

Save up to $13,000 on the purchase of a new Sun City West home! By purchasing an inventory home, you'll realize not only significant cost savings but the advantage of immediate delivery, as well.

These inventory homes escaped the last price increase because they were on the drawing board or already under construction. Buyers still have the opportunity to choose floor coverings, light fixtures and more, adding your special touch. Most of these inventory homes are located in nearly completed areas, so you'll know exactly what your neighborhood will look like.

Call a Sun City West sales counselor for further information.

NOTICE TO RESIDENTS
LEAVING TOWN FOR SUMMER

APRIL SAVINGS ON SCW/SCV VACATION SPECIALS

In the East, April showers bring May flowers, but in sunny Arizona, April brings savings at Del Webb's Vacation Special garden suites in Sun City West and Sun City Vistoso. If you have friends planning a visit, April is the month to let them sample the Sun Cities lifestyle by participating in the Vacation Special program.

For just $299, a savings of 33 percent from the normal April rate, your friends will enjoy a fully-furnished garden suite, a complimentary round of golf, plus unlimited access to millions of dollars in recreational amenities.

For a Sun City West reservation phone 1-800-528-2604 or in Arizona, 975-2270 ext. 3057. For accommodations at Sun City Vistoso phone 1-800-433-9611 or in Arizona, 975-2270 ext. 3057.

NEW NEIGHBORS ... NEW FRIENDS

When you see these folks at the pool or on the golf course give them an extra special hello and welcome them as your new neighbors. The next Newcomers Coffee will be held at 9 a.m. April 21.

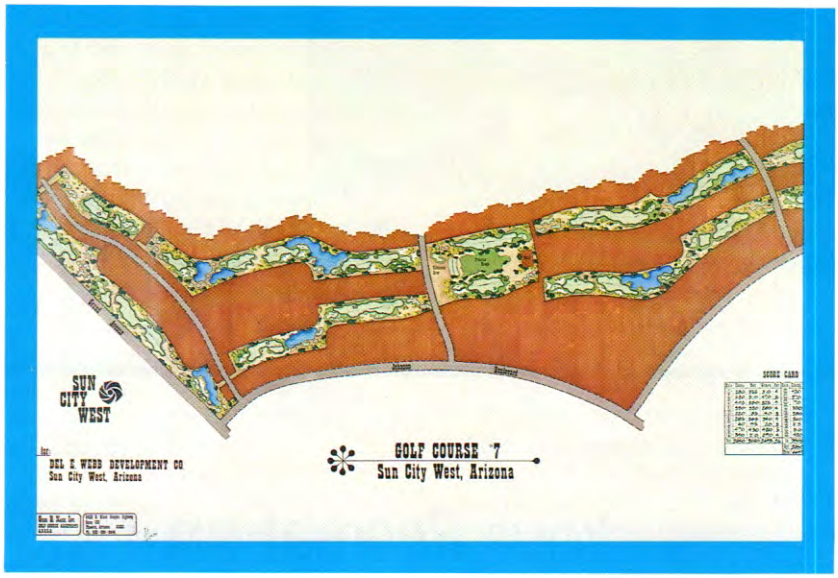

Del Webb's SUN CITY WEST

ACTIVITIES CALENDAR

HOMES SINCE INCEPTION - 8,660 HOMES SOLD IN 1988 (thru 3/28) — 126 POPULATION — 17,084 MAY, 1988

NAME THE GOLF COURSE CONTEST

Golf Course #7 is being carved out of the dirt north of R.H. Johnson and Stardust Boulevards as the level of anticipation increases for the community's first desert golf course. The desert environment will actually be re-introduced.

There's only one problem. While "Golf Course #7" isn't a particularly bad name, it does lack a certain amount of creativity and descriptiveness.

Sun City Westers have the chance to change that. Del Webb is sponsoring a "Name the Golf Course Contest." The prize is 3 days/2 nights accommodations at Del Webb's Mint Hotel in Las Vegas, including roundtrip airfare for two from Phoenix.

To enter you must be a Sun City West resident. Mail or bring your entry by June 1 to the Del Webb Public Affairs Department, P.O. Box 1705, Sun City West, AZ 85372-1705.

Here's some background to assist in selecting the best name:

- Located near the Community Services Center, Posse Headquarters and the Fred Kuentz Recreation Center.
- Only desert golf course in the Sun Cities.
- Par 72 championship.
- 6,648 yards.
- 30,000 desert shrubs and 1,000 trees.
- Fifth course run by the Recreation Centers of Sun City West.
- Seventh course in Sun City West.

LETTER FROM THE PRESIDENT

DEVELOPMENT UPDATE

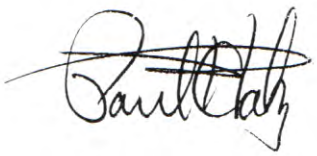

1988 is a year of progress for us here in Sun City West, with our efforts being concentrated in the northwestern area of the community. Aside from home building, construction crews are working on the seventh golf course and on your third recreation center.

Del Webb Construction Services is moving full steam ahead on the Fred Kuentz Recreation Center. The facility will include craft rooms, a 300 seat theatre, a fitness room, outdoor pool, softball field and more. We are looking forward to a January 1989 opening date for the latest addition to Sun City West's long list of recreational amenities.

The opening date has not been established and is still being reviewed by Del Webb and Recreation Center management. This unique desert course requires special attention initially to ensure long term playing enjoyment. Some 30,000 desert shrubs and 1,000 trees will be planted, in contrast to a traditional course which has few.

Because this course will be different than the other Sun Cities courses we must also test the drainage thoroughly before opening the course for play. We feel it is best to take our time opening this course and guarantee first rate playability than to rush the process and come up short in the long run.

There is a lot of building activity in Sun City West attracting attention from both residents and visitors. But for your own safety we request you not travel through construction areas, as debris in the streets could cause tire damage. However, we do encourage you to keep abreast of the status of development and view the neighborhoods newly completed.

Paul H. Tatz,
President & Chief Executive Officer
Del E. Webb Communities, Inc.

Your Recreation Centers Advisory Board's Q&A

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes.

Please send your questions to the Advisory Board c/o Sun City West Recreation Centers Inc., 19803 R.H. Johnson Blvd., Sun City West, AZ 85375.

Q Who will pay for Sun City West's Special Events after Webb leaves?

A Many residents believe that the Recreation Centers pay for such Special Events as 4th of July fireworks, Senior Softball Tournament, Arizona Senior Olympics, Big Band Dance, etc. The Recreation Centers do not pay for these. Webb foots the bill and probably will continue to do so until building and selling new homes is completed. Then what?

The Advisory Board's Study Committee, assuming residents want to continue these activities, makes these recommendations: Give highest priority to 4th of July fireworks, five Concerts in the Park, Arizona Senior Olympics, Arts and Crafts Fair, Sun City West Birthday Party. The Committee recommends support to chartered Clubs for a Senior Softball Tournament, Senior Tennis Tournament, Big Band Dance and Newcomers Activity. (The Thanksgiving Day service in the Sundome is sponsored by the Ministerial Association. Monte Carlo and the Luminaria program are run by and for the benefit of the SCW Foundation.)

If the membership wishes to continue support of the events listed above, annual membership fees may have to be increased. If other organizations plus local merchants and banks take on some of the financial burden, an increase in membership fees may be offset in whole or in part.

STATE CLUBS

NEW JERSEY CLUB

The New Jersey Club of Sun City West will hold a short business meeting, followed by a speaker, on Friday, May 20th, at 1:00 p.m. This meeting will be held at the new Community Services Building at Johnson Boulevard and Stardust. All Sun City Westers from New Jersey are invited to attend. For information, please call Billie – 584-1977.

PENNSYLVANIA SOCIAL CLUB

The May 13 meeting of the Pennsylvania Club will be an evening out at a local dinner theatre. Details to follow.

NOTICE TO RESIDENTS

CONCERT IN THE PARK

Affinity

Our monthly Concert in the Park series will kick off May 10 at 7:30 p.m. with the extremely versatile vocal and instrumental group **Affinity**. Their vast repertoire includes lush four part harmony, arrangements of Glenn Miller, the Four Freshmen, jazz, country and more.

This Phoenix-based group has played at resorts and conventions around the country, earning standing ovations and respect from their audiences. Their appearances in the Valley of the Sun include four years at the Phoenix Open PGA Golf Tournament, the Boulders Resort, Registry Resort, Arizona Biltmore and Mountain Shadows Resort.

The concert is sponsored by Del Webb Communities and will be held outdoors at the Beardsley Park Recreation Center, 12755 Beardsley Road. The general public is welcome. Concert goers should bring their own seating.

ARIZONA CLASSIC SIGHTS

The 1988 Pointe/Del Webb Arizona Classic Sr. PGA Tournament attracted tens of thousands of people to Hillcrest Golf Club here in Sun City West. It was a fabulous week, great weather, good turn out, and tremendous support from the community.

Here are some of the sights of tournament supporters.

CRAFT CLUB FOCUS

Mary Van Deesel sews on a machine in the craft complex.

A painting class works from a model, a fellow SCW resident. Numerous craft classes are offered in the retirement community.

WEBB HOSPITAL NEWS

Radiation therapy for cancer patients is now available on the campus of the Del E. Webb Memorial Hospital. The Radiation Oncology Center, located on the west side of the hospital, is privately operated under the direction of Thomas D. Runyon, M.D., and will offer radiation therapy on an inpatient and outpatient basis. An Open House was held on April 20.

The 5,500 square-foot center houses a High-Energy Electron Linear Accelerator. High-energy X-rays shorten the treatment time. A sharper X-ray beam profile allows greater accuracy in treating the diseased site, thus reducing side effects.

The center eventually will accommodate two accelerators that are shielded by three-foot thick concrete ceilings and four-foot thick walls.

CONCERT UNDER THE STARS

Entertainer Dale Evans first presented pianist Craig Dahn to the national television audience in 1986.

On June 14 at 7:30 p.m. Sun City West will welcome pianist Craig Dahn to Beardsley Park for a concert under the stars. Dahn has come a long way in a very short time.

A May 1984 graduate of Arizona State University, he had performed in Las Vegas with Lawrence Welk, Liberace, Dale Evans and Mickey Finn by the time he was just 20 years old. He also has made numerous television appearances and has just returned from months of touring and performing around the world.

Dahn's show includes a wide variety of music, from classical through ragtime, boogie woogie to pop. His ability to entertain as well as play, sets him apart as a really unusual talent.

His Sun City West appearance is sponsored by Del Webb and is free and open to the public. Beardsley Park Recreation Center, 12755 Beardsley Rd., is located on the corner of Beardsley Road and 128th Avenue. Concert-goers should bring their own seating.

4th OF JULY IN SCW

John Adams said on July 4, 1776, "This day will be the most memorable in the history of America. . .illuminations (fireworks) from one end of this continent to the other, from this time forward forevermore."

Celebrate Independence Day in Sun City West with an outdoor concert and fireworks display, sponsored by Del Webb. The music begins at 8 p.m. with the fireworks illuminating the dark sky at approximately 9:45 p.m. Our show will open with a resounding crack of thunder surrounded by silver lightning — an honorable freedom salute announcing that Independence Day is here! Expect a brilliant array of colors as the 333 aerial shells from around the world thrill and amaze you.

Bring family and friends and make an evening of it! The event is free and open to the public.

Entertainment will be set up in the vacant lot between the Sundome and Crestview Restaurant. The fireworks will be shot off over the beautiful Hillcrest Golf Course.

LETTER FROM THE PRESIDENT

THE "NEW" WEBB

During my frequent conversations with Sun City Westers, the selected topic of discussion seems to be the direction of the Del Webb Corporation. My response is to characterize Del Webb as a corporation positioning itself for continued success.

Del Webb has a 60-year history in Arizona. During that time, we have established a strong reputation in our many markets. In the last several years, our reputation and success in the adult community industry has been unchallengable. That success was a decisive factor in our recent decision to sell our leisure operations and concentrate our energies and capital in real estate development.

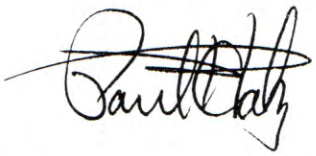

That decision was well-received by our many publics. Industry analysts agreed that Webb was moving in the right direction. Since that announcement, the value of Webb stock has increased. And importantly, the confidence of our customers has been strengthened.

We have a unique relationship with the people of the Sun Cities. It's rare to hear a corporate chairman discuss his company's moral and ethical obligations to its customers, but that's just what Webb Chairman Phil Dion did at a recent Open Forum in Sun City West. At that forum, I believe we answered all questions in a concise and honest manner. The most important outcome of that meeting however, was our assurances, to residents, that Webb would honor its commitments and complete the development of Sun City West.

Our major capital commitments are now in place or under construction. The new recreation center and golf course will be completed next year. As a developer, our greatest return from Sun City West lies in the years ahead. No businessman would walk away from that.

We have additional commitments to residents at Sun City Vistoso and soon, at Sun City Summerlin in Las Vegas. As a real estate company, whose strength is in adult community development, our reputation and long-term success is predicated on honoring these commitments.

I hope all Sun Cities residents recognize this sincerity and the opportunities for continued success at the Del Webb Corporation.

Paul H. Tatz,
President & Chief Executive Officer
Del E. Webb Communities, Inc.

Your Recreation Centers Advisory Board's Q&A

INFORMATION SOURCE

In an effort to make it easier for residents to learn more about their Recreation Centers' operations, your Advisory Board has expanded the informational data available in your Library.

Located on a shelf near the Library Reference Desk, and identified as RECREATION CENTER INFORMATION, are twelve (12) white binders. These binders contain (1) Articles of Incorporation; (2) The Association's By-Laws; (3) the Master Agreement between the Del E. Webb Communities, Inc. and the Recreation Centers of Sun City West, Inc. and (4) other pertinent legal documents. All of the above documents are indexed so specific subjects can easily be located. Also, these binders contain Advisory and Governing Board meeting minutes and financial data, including the current annual Operating Budget, a current year-to-date budget summary and the current year-to-date detailed report. There are also year-end audit reports for the past several years.

Q Renters in Sun City can buy a Recreation Center membership card for $25.00 compared to $100 paid by Sun City renters. Isn't our fee unrealistically low?

A First of all, renters in Sun City West *cannot* buy a recreation card. The only holders of recreation cards in Sun City West are owners of residential real property. When property owners in Sun City West lease or rent their residential real property they are required to place on file their recreation center cards in the Recreation Center office, before their leasees or renters can be issued a renters' activity card.

The renter activity card is identified by a large "R" imprinted on the face of the card. This card is good for one year or the term of the lease, whichever is shorter. The costs for processing this transaction are covered by a $25.00 administrative charge. This charge is often paid by the Leasee or Renter and is commonly referred to as a Renters' Card Fee.

If additional information is desired, we refer you to Article 3.4, Paragraph (3), Page 10 of the Association By-Laws.

WISCONSIN STATE CLUB

A bratwurst and potluck picnic on Thursday, June 9 at Estrella Park will be the club's last event until the Fall season.

Upcoming feature events include: Wickenburg Inn Hayride and Steak Fry, Oct. 2; Laughlin Turnaround (date to be announced); Christmas Party, Dec. 6 at Briarwood Country Club.

Fur further information about the Bratwurst Picnic and Potluck or future events, contact Phyllis or Howard Schwebke at 584-2524.

SHARE IT WITH A FRIEND BACK HOME

Have friends interested in the Sun City West lifestyle? Invite them out for three days or a week to stay in one of Del Webb's Vacation Special apartments. The summer rates are cool and the crowds are gone. It's the perfect opportunity to visit with your friends and yet, still enjoy your privacy.

Del Webb is offering a special summer rate of $98 per couple for a three day visit and $199 for a week – that's a 55 percent savings off the winter rate! As many of you have experienced yourself, the Vacation Special garden apartments are furnished and fully equipped with all the comforts of home.

Your friends will also receive a free round of golf at one of our championship courses, three complimentary lines of bowling, a continental breakfast and community bus tour, plus unlimited access to the recreational facilities that you enjoy here everyday.

Stop by the Vacation Headquarters, located in the Crestview Restaurant building, and pick up Vacation Special brochures to send to your friends. They'll thank you for introducing them to Sun City West.

SUNDOME
CENTER FOR THE PERFORMING ARTS

SYMPHONY BEGINS ITS 21st YEAR

How many adult communities in the world have their own symphony orchestra? Only the Sun Cities, that we're aware of. That's pretty impressive. . . and so is the orchestra, composed mainly of volunteers from the Sun Cities area.

The Sun Cities Symphony Orchestra will begin its 21st season this fall with a new permanent conductor and a lineup of talented performers.

Richard Stoltzman, clarinetist, will perform at the October 30th concert. Hailed as a superb jazz performer, as well as a classical artist, he has appeared at the Hollywood Bowl, Carnegie Hall, performed with the New York Philharmonic and LaScala, as well as being featured on "The Tonight Show."

The Dec. 11 concert will feature the Sun Cities Symphonic Chorus, under the direction of Dr. Russell Hammar. The 70-voice chorus will be making its sixth appearance with the Symphony.

Benny Kim, a graduate of the Juilliard School and winner of the prestigious Young Concert Artists International Auditions in 1983, is the guest artist for the Jan. 29 concert. Violinist Benny Kim has charmed audiences and has often been suggested as an heir-apparent to the much-loved Itzhak Perlman.

The final concert on April 9 features Mary Beth Peil and Robert Goodloe, singing ever-popular tunes from timeless Broadway musicals. Peil made her debut as the last Mrs. Anna opposite Yul Brenner in "The King and I." Goodloe has sung in more than 40 roles with the Metropolitan Opera and starred on Broadway. Together they represent a pops concert of elegance and consummate style.

There will be no price increase for the 1988-89 season. Ticket information is available by contacting the Symphony Office, 972-4484.

WELCOME NEWCOMERS

A cozy group of new Westers were recently welcomed to the community at the Newcomers Coffee. The event is taking a summer hiatus and will return in October.

NOTICE TO RESIDENTS

LEAVING TOWN FOR SUMMER

CRAFT CLUB FOCUS

Weaver Anne Rankin untangles snarled yarn at a loom in the recreation center.

George Quinn tackles a leathercraft project in the Arts and Crafts Village. Nice work George.

Del Webb's SUN CITY WEST

ACTIVITIES CALENDAR

DEL E. WEBB DEVELOPMENT CO., L.P. • POST OFFICE BOX 1705 • SUN CITY WEST, ARIZONA 85375

HOMES SINCE INCEPTION - 8,766 | HOMES SOLD IN 1988 (thru 5/31) — 232 | POPULATION — 17,101 | JULY, 1988

"Dixieland Aces" will strike up the music at 8 p.m. with a fireworks display to follow at dusk (approximately 9:45 p.m.).

INDEPENDENCE DAY CELEBRATION IN SUN CITY WEST

Help Del Webb celebrate national independence as the skies over Sun City West light up with a rainbow of brilliant colors on the 4th of July. Join your friends at the lot between the Sundome Center for the Performing Arts and the Crestview Restaurant at 8 p.m.

"Dixie Aces" will perform your favorite Dixieland tunes before the fireworks show begins. This five piece group has enjoyed receptive audiences around the Valley for quite some time. Bring along your musical requests and see if you can stump the band!

The fireworks show will open with a resounding crack of thunder surrounded by silver lighting—an honorable freedom salute designed to announce for miles that Independence Day is here!

Bring family and friends with you for an evening of fun. Introduce them to the Sun City West way of enjoying life.

LETTER FROM THE PRESIDENT

PITCH IN THIS SUMMER

Here in Sun City West we enjoy the benefits of living and working in the world's best-selling active adult community. While we have unparalleled recreational amenities, the appeal of the community extends further.

It is not uncommon to see residents out for an evening stroll after dark. They know that Sun City West enjoys one of the lowest crime rates per capita in the U.S. due to the volunteer efforts of the Sheriff's Posse.

Walk into the new Del E. Webb Memorial Hospital and you'll be greeted with the friendly faces of volunteers working the information desk or assisting in any of the many departments.

Stop by the Sun Cities Art Museum this summer and you'll see children from surrounding communities learning to appreciate works of art, with the guidance of our residents.

Drive through El Mirage and you'll see retired businessmen, Sun Cities residents, hammering nails and sawing lumber, helping a struggling family realize their dream of a new, affordable home.

Take your bicycle out on any given Saturday morning and see the PRIDES at work, keeping your community spotless.

The list of examples is too long to include in this Activities Calendar. The volunteer force in Sun City West is significant.

But this is the time of year, as you know, when some residents opt to vacation elsewhere. This is the time of the year when the many volunteer groups are especially in need of your time, creativity, energy and willingness to pitch in.

If you have the time, consider volunteering this summer. Although there is no financial remuneration, your rewards will be realized time and time again with a special warm feeling of satisfaction, knowing you've helped.

Let's keep Sun City West the envy of all other adult communities by maintaining this high degree of resident participation and enthusiasm.

Paul H. Tatz,
President & Chief Executive Officer
Del E. Webb Communities, Inc.

Your Recreation Centers Advisory Board's Q&A

Q How are the charges for Recreation Center Cards figured for the Palomar Apartments and Madison House?

A First of all, the tenants of these two facilities are *not* issued Recreation Center "Membership" cards, they are issued "Renter Activity" cards.

The Palomar has 162 apartment units. In the agreement between the owners, SCW Associates, a California limited partnership, and the Recreation Centers of Sun City West, Inc., a membership charge of 1.8 per unit was established. Therefore, multiplying 162 apartment units by 1.8 equals 292, which is the number of Annual Recreation Center Fees, at $96.00 each, the owner is required to pay each year. Also, there is a $25.00 fee for issuing a Renter Activity Card which, per agreement, the owner can pay or have the tenant pay.

In the case of the Madison House, there are 196 living units. Since the Madison House operation and occupancy is quite different from the Palomar, the membership purchases have been set at 1.2 per living unit. Therefore, multiplying 196 by 1.2 equals 235, which will eventually be the number of Annual Recreation Center Fees, at $96.00 each, that the owner will purchase.

Due to the catered living type of lease offered by Madison House it is taking longer to lease all of the units. Therefore, the agreement between the Madison House Owners and Recreation Centers has a monthly "phase-in" schedule for payment of Annual Recreation Center Fees by months. The schedule provides that all 235 annual fees will be paid by March of 1989. At the end of June, 1988, they will have paid for 181 annual fees, leaving 54 to be paid. These will be paid for at the rate of six additional each month until March, 1989.

These apartment owners, like all other owners who rent or lease their residential units, are required to leave on file in the Recreation Center Office the official Membership Card for which they have paid an Annual Membership Fee.

If any additional information is desired regarding apartment-type rentals, please write the Advisory Board.

NEW RECREATION CLUB CHARTERED

A new club has been chartered by the Recreation Centers of Sun City West, Inc. The Panquinque "Pan" Social Club will meet every Thursday at 7 p.m. in the Beardsley Recreation Center card room. Beginners are welcome. Learn with the group.

"Pan" has been a favorite game for so many years that its origin is obscure. It is known that it was played as far back as the Gold Rush days of California and Alaska. Whatever its origin, this game is very popular throughout the western part of the country. In fact, in some areas "Pan" and poker enjoy equal popularity.

♦ ♣ ♠ ♥

The game is described as "quick, decisive action" coupled with sustained interest over long periods of play.

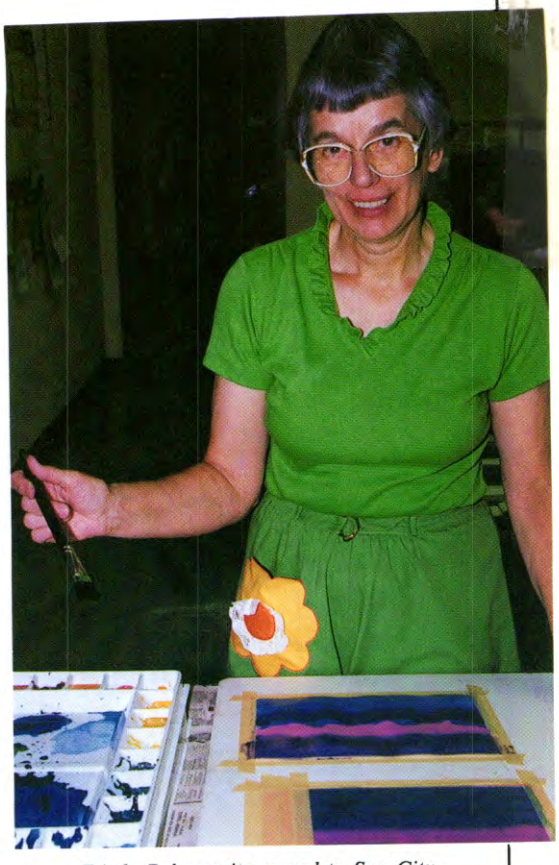

Westers Elaine Berkowitz, Norma Lowenstein, Renee Rabin and Shirley Teitelbaum are the organizers of this new club. Give Shirley a call at 584-6796 if you'd like additional information.

WATERCOLOR CLASS DEVELOPS ARTISTIC EXPRESSION

Westers have the opportunity to learn just about any craft activity. Our roving photographer recently caught up with the watercolor class held at R.H. Johnson Recreation Center where the residents were learning about flat and graded washes.

(L) Roberta Molnar first started with watercolors last fall in Michigan. She just moved here in December from the Detroit area. (R) Inka Muller also moved here in December, from Chicago and has just discovered an interest in watercolors.

Frieda Rabenowitz moved to Sun City West 7 years ago from Chicago.

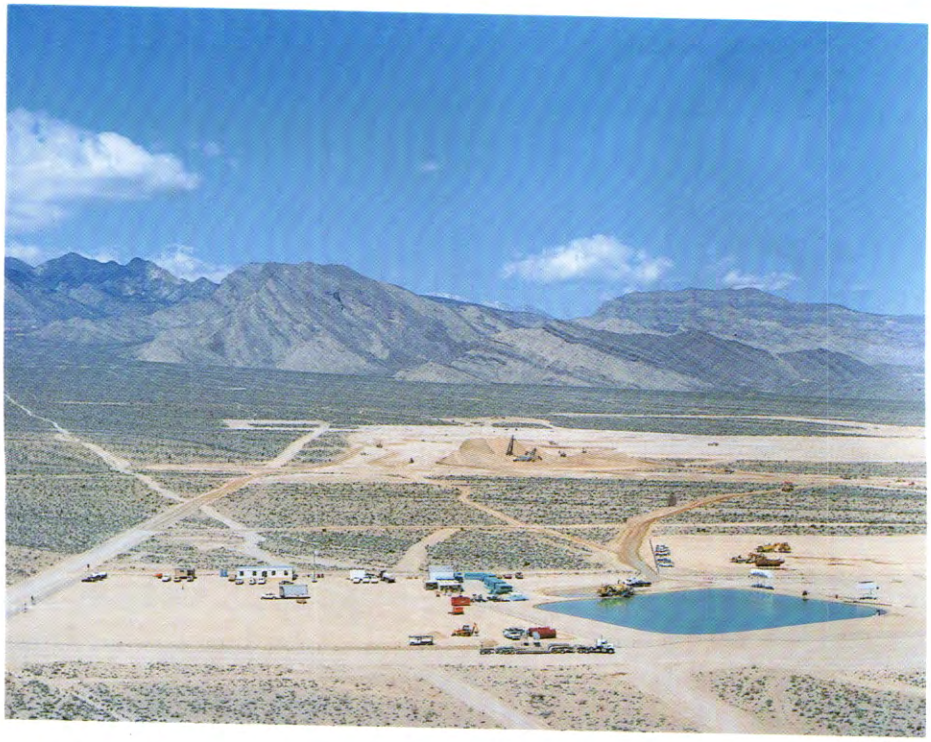

Leta Thompson arrived here from Minnesota 7 years ago, as well.

SISTER COMMUNITY UPDATE

Sr. PGA pro Billy Casper is using his 34 years and 51 career victories on the PGA Tour to create Sun City Summerlin's golf course, his very first golf course design.

The Del Webb construction yard in the foreground and the golf course construction beyond are dwarfed by the towering Spring Mountain Range on the northwest side of Las Vegas.

Sun City Summerlin, your sister community in Las Vegas, is making its mark on the desert floor with the construction of an 18-hole championship golf course. This par-72 course is designed by Sr. PGA golfer Billy Casper and Greg Nash, who has built 12 Del Webb courses in the Sun Cities.

Ground was officially broken March 21st for Del Webb's newest Sun City, bringing the active adult lifestyle to Nevada. The back nine of the golf course should be ready for play late this year with the front nine opening soon thereafter.

Preliminary work has begun on the construction of the model home complex which will feature seven single family homes, three duplexes and three garden villas designed by Richardson-Nagy-Martin of Newport Beach. Pre-sales are anticipated to begin in November with the first home deliveries in April, 1989.

Sun City Summerlin's 1,050-acre first phase is located eight miles northwest of downtown Las Vegas between Cheyenne Avenue and Lake Mead Boulevard, about two miles west of U.S. 95.

KUENTZ RECREATION CENTER ON SCHEDULE

Sun City West's third recreation center is moving along right on schedule. Completion of the $5 million project is anticipated in January, 1989.

Named in honor of Del Webb Communities' retired chairman of the board and chief executive officer, Fred Kunetz, the recreation center is being built by Del Webb and will be operated by the Recreation Centers of Sun City West, Inc.

The center will include:

- 300 seat theatre
- women's club
- art room
- weaving room
- woodworking shop
- metal shop
- physical fitness center
- therapy pool
- 5,000 sq. ft. outdoor pool
- six tennis courts
- quarter mile jogging track
- softball field
- five multi-purpose rooms

Del Webb Construction Services, a sister-subsidiary of Del Webb Communities, is constructing the facility.

The center is located on 14 acres of land near the intersection of R.H. Johnson and Stardust boulevards. If driving in the area, please use extra caution due to the heavy equipment and debris. Construction is not only in full swing on the recreation center but on Trail Ridge Golf Course right across the street.

LETTER FROM THE PRESIDENT

BEHIND THE SCENES

On the surface, it's easy to see what Del Webb has provided for the residents of the Sun Cities. Mr. Webb promised an active lifestyle. The golf courses and recreation centers fulfilled that promise. What is not so apparent is the role this company plays, behind the scenes, to protect and foster the Sun Cities lifestyle.

You won't find this commitment addressed in our advertising. You will rarely read about it in the newspapers. You'll seldom hear a Del Webb official talk about it. But this commitment is a responsibility we accept on behalf of all Sun Cities residents.

We work very closely with state and county elected officials through an effective lobbying program. We did not support the property tax increase as it was submitted and voiced our position and concerns to lawmakers. We are very active in our support of senior citizen overlay zoning and steadfastly enforce our deed restrictions. Our Architectural Review Committee closely monitors all new building in Sun City West to ensure compliance with our high standards.

We also played a very active role in the planning of Grand Avenue, to reduce noise and pollution and make the new roadway more accessible to Sun Cities residents.

Few people realize that we subsidized the operation of the Safeway store in Sun City West, ensuring resident access to services. Nor do they realize contributions of more than $40,000 were made last year supporting community groups. We have subsidized the operation of the Sundome for the last three years. We regularly provide equipment and facilities to community groups seeking our assistance. And we continue to support about $100,000 worth of community events for our residents' enjoyment every year.

Not all of this is as easy to see as our homes and facilities. But it is as important to Del Webb as anything we do. That's part of the Del Webb commitment – a benefit only residents of the Sun Citites can enjoy.

Paul H. Tatz,
President & Chief Executive Officer
Del E. Webb Communities, Inc.

Your Recreation Centers Advisory Board's Q&A

Q. What is the history of the Asset Replacement Fund?

A. The Sun City West Asset Replacement Fund was established July 1, 1982. It had been proposed by the management staff of the Recreation Centers, endorsed by the Advisory Board, and was approved by the Governing Board. The Fund was created for the express purpose of accumulating money to replace and improve the Recreation Centers' facilities and equipment. The Fund will not be expended until the residents assume full responsibility for managing and financing the operation of the Recreation Centers (after Webb).

Initially (1982), $5 of the annual $80 Recreation Centers membership fee was placed in the Fund. On July 1, 1984, when the yearly membership fee was raised to $82, the entire $2 increase was added to the Fund. At that time, Webb also offered to help the Fund grow by contributing $2 per year per Recreation Centers member and pledged to continue this contribution until the Fund reached $1.25 million.

When yearly fees were increased to $89 in 1986, the amount contributed to the Fund per member remained at $7. After July 1, 1988, when the membership fee was raised to $96, $8 of each member's fee will be placed in the Fund along with the $2 per member annual contribution from Webb (total of $10 per member per year).

To the best of our knowledge, the Recreation Centers Asset Replacement Fund is unique among retirement communities. It provides the membership with a significant measure of financial self-reliance for the time when Webb leaves our community. As of May 31, 1988, the balance of the fund was $733,138.53. By December 31, 1990, with certain assumptions relative to the growth of the community and the rate of return on investments, the Asset Replacement Fund should approach $1.4 million.

SUN CITY WEST

The northwest valley of the sun
has a new community for living and fun
Like Del Webb's Sun City and dream
it's also a place that must be seen.

This model town — Sun City West;
for retirement and living it is the best.
It has all the facilities to make life there
both fun and interesting and easy to bear.

Golf and tennis and swimming you get
bowling, hobbies and dancing you bet.
Be a joiner or spectator you can choose
sports or activities how can you lose.

The homes are beautiful and well laid out
with golf courses and parks all about
and utilities buried beneath paved streets
all make living there a wonderful treat.

An important ingredient to a good life
are friends and neighbors that you like.
They come from all over the U.S.A.
eager to get acquainted and friendly to stay.

So except for trips no more will we roam
because now we've found our beautiful home.
No hassle or traffic or big city crime
at Sun City West for the rest of our time.

Hal Thomas
Sun City Wester

"HOT PEPPERS" SLATED FOR SEPTEMBER CONCERT

Grab your serape and maracas and head to Beardsley Park on September 13th for the "Hot Peppers" concert under the stars. It all begins at 7:30 p.m.

"Hot Peppers" is a Mariachi alternative with colorful costuming and Mexican/Tijuana Brass-style music.

Sponsored by Del Webb, the concert is free and open to the public. Concert-goers should bring their own seating.

DANCE FITNESS OFFERS WORKSHOP

The Dance Fitness Club will be sponsoring a Dance Workshop on Monday and Wednesday evenings, 6-7 p.m., beginning September 12, at the Music Room at Beardsley Park. The Dance Workshop will include Jazz, Modern and Creative dance for a membership fee of $1. No experience is necessary and the workshop is open to Rec Card holders and club members. Wear comfortable clothing and non-skid shoes.

The special workshop is in addition to regular Monday, Wednesday and Friday morning Jazzercise classes held at R.H. Johnson Social Hall.

END OF MONTH REVIEW– Fort Huachuca. August 31. 538-2752.

VEGETABLE GARDEN PLOTS AVAILABLE FOR WESTERS

Miss your farm or garden left behind when you moved to Sun City West? Don't fret!

The Sun City West Garden Club has 20-by-40 foot garden plots available for Westers who'd like to grow vegetables for their own tables. Located at the southern end of 137th Drive off of Aleppo Drive, the garden plots are equipped with an irrigation system and are ready to use.

Arizona has an amazing growing season – 11 months! The gardeners are growing anything and everything including corn, beans, tomatoes, artichokes, asparagus, squash, celery, onions and zucchini. Club members are always willing to lend a hand and assist those who may be new to gardening.

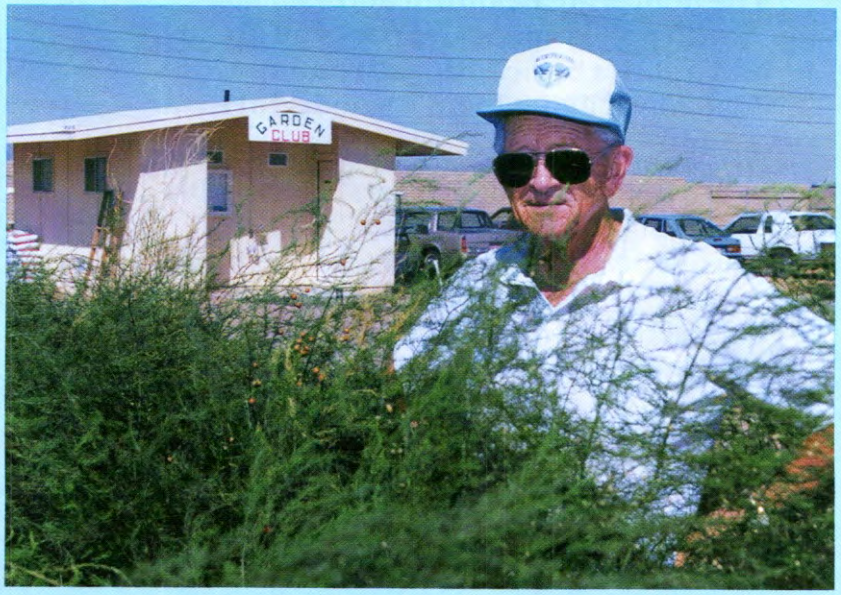

The land was donated by Del Webb to the Recreation Centers for the exclusive use of gardening. Consequently, it is available to all Westers who wish to try their hand in the sport of gardening.

Those who wish futher information should call Dick Muncie, club treasurer at 584-4942.

Incidentally, the University of Arizona Cooperative Extension Service is using one of the SCW garden plots for a Phoenix Urban Garden project. This is a federally funded program active in Maricopa County since 1985. Twenty-one cities were chosen in the state to join in the project. Water conservation is the main interest in the Sun City West project. The U of A is using one plot with a timed sprinkler irrigated system rather than bubbler irrigation to determine the difference in growing capabilities.

Florence Huth grew a beautiful artichoke, among other delicious veggies.

The asparagus grass growing on Verl Unander's plot is nearly as tall as he is!

From L-R: John Bakken, v.p.; Jean Wood, pres.; Dick Muncie, treas.; and Lloyd Murphy are active members of the club and welcome new gardners.

ARIZONA REFLECTIONS

In the lobby of the Del Webb Memorial Hospital hangs a beautiful copper enameled creation entitled "Arizona Reflection," capturing the vibrant colors of the southwest. The Sun City West Copper Cookers Creations Club raised the $1,200 for supplies, designed the mural, cut the the copper, enameled the piece and assembled it. In all, the club invested more than 1,500 hours on the project.

Copper enameling is the art of firing ground glass onto copper at extremely high temperatures. There are 84 pieces in the mural and each piece was fired an average of six times at temperatures in the kilns ranging from 1500 to 1700 degrees. Of the 101 club members, 41 worked on the mural.

"Arizona Reflections" is dedicated to the memory of Jack Brady, who along with his wife Jean, founded the Copper Cookers Creation Club in 1980. The club has grown to be one of the largest copper enameling clubs in the world. Over 700 Sun City Westers have taken the preliminary six week course since the club was established.

Jean Brady started the Copper Cookers Creations Club with her husband Jack, who was the principal instructor. Club members say his help at the beginning of the mural project was invaluable. The project was dedicated in his memory.

From L-R: Millie Isaacs, principal enamelist; Bert Henry, project chair and design originator and Fran Zenor, color rendering originator welcome everyone to stop by the Del Webb Memorial Hospital to view "Arizona Reflections" which hangs in the lobby.

NAME SELECTED FOR GOLF COURSE #7

"Trail Ridge" has been selected as the name of Sun City West's seventh golf course. More than 2,600 entries were made in the Del Webb-sponsored Name the Golf Course contest and selecting only one was a difficult task.

Several entries were made with the Trail Ridge suggestion. Consequently, a random drawing was conducted to determine the winner of the Las Vegas trip. F.P. Otto of Titan Drive was the winner! The panel of judges included representatives from Webb, the Recreation Centers of Sun City West management and advisory board.

Trail Ridge will open during the fourth quarter of 1989. The Par-72 desert course is unique for the Sun Cities. This is the first desert golf course in the area and the irrigation system must be monitored very closely before it is open for play.

The course, built by Webb, will be operated by the Recreation Centers for use by Sun City Westers and their guests. This will be the fifth course operated by the Recreation Centers and the seventh in Sun City West.

Trail Ridge is taking shape in the northwest corner of Sun City West. The course will be open during the fourth quarter, 1989.

USAF PRODUCTION

TOPS IN BLUE RETURNS TO SCW

TOPS IN BLUE, the U.S. Air Force's world renowned top entertainment touring group is coming to Sun City West on October 2. Their free appearance at the Sundome is sponsored by Del Webb Communities and ASU/Sundome. Admission is by ticket only.

TOPS IN BLUE is a production from beginning to end. The all-Air Force cast offers a total execution of art, music, special effects and choreography in this musical extravaganza.

Each year, in a worldwide competition lasting several months, the Air Force picks its finest talent. Over 6,000 talent contestants competed for finalist positions in the Worldwide Talent Contest. Once at Worldwide, 250 contestants are subjected to extensive competition, interviews and auditions lasting more than a week. At the end of this exhaustive process, the TOPS IN BLUE candidates are chosen and then enter into a month of rigorous rehearsals which last 18 hours a day!

Tickets will be available at the Sundome beginning September 5.

LETTER FROM THE PRESIDENT

NEW MODELS

This November, we will introduce a new model homes series in Sun City West. And, like our previous series, these new models will bring innovation in planning and design to Sun City West home buyers.

Traditionally, we have built new model homes in Sun City West every two to three years. Since opening our Heritage series in 1978, we have successfully improved out product year after year. Our new International series will reflect our 30 years of experience in building homes for active adults. And, coupled with our on-going research and design programs, the results are homes that deliver the quality and features today's adult buyer demands.

These new homes will offer spacious and open interiors, convenient and functional traffic patterns, abundant storage space and many of the other features Del Webb home buyers have come to expect. They will also be built to Del Webb's high construction standards.

One of the most notable changes in our new homes will be the addition of natural gas. For the first time in Sun City West, home buyers will have the opportunity to select either electric or natural gas for appliances, heating and cooling. It's all part of our commitment to deliver the best value to our buyers.

Our model home selection will continue to be dominated by outstanding single family floorplans. Some subtle changes to our popular patio homes have fostered a new name – Executive Villas – for this mode. And, a dramatic redesign of our duplexes have brought about a consolidation of our duplex and garden villa designs. I'm confident these changes will meet with immediate buyer approval.

And as for the name "International Series," there's a good reason. Our exterior elevations will feature Southwestern, Spanish Colonial, Mediterranean and Continental architecture. Without a doubt, these will be the most attractive exterior designs we have ever created in the Sun Cities.

I invite you to visit these new models when they open in early November. I'm sure you and your friends will see the innovation 30 years of experience and a willingness to listen can bring to home design.

Paul H. Tatz,
President & Chief Executive Officer
Del E. Webb Communities, Inc.

Your Recreation Centers Advisory Board's Q&A

Q What is the status of the new Recreation Center and Golf Course #7?

A The Fred P. Kuentz Recreation Center is currently on schedule and maintaining its estimated completion date of January 25, 1989. To keep the construction price within the $5.2 million budget, minor modifications were made on the basic architectural plan and some concessions were made to the activity plan. While the original concept remains intact for all buildings, tennis courts were reduced from 8 to 6 and the miniature golf course was omitted. All other facilities and amenities in the Kuentz project remain with the same scope and design as originally publicized.

Golf Course #7 was officially named Trail Ridge Golf Course this past July as part of a residents' "Name the Golf Course Contest" sponsored by Del Webb Communities. The majority of seeding and landscaping has been completed at this time. Because of the unique landscaping associated with this desert course, and the need to fully evaluate irrigation systems and turf conditions, Webb will delay the actual transfer of this facility to the Recreation Centers until late 1989. At that time, all water and related electrical systems will have been fully adjusted to meet the needs of the magnificent turf and landscaping plan. The playing turf on opening day will be mature and in tournament condition. Until the time of transfer, Webb will be fully responsible for its maintenance and upkeep.

HEARTS THAT CARE ... SHARE

The 7th Sun City West Community Fund campaign will kick off Oct. 1 with community-wide door-to-door dissemination of information on what the Fund is and who it serves. The Community Fund has established a $95,000 goal for its 1988-89 fund raising year. Last year donations did not keep up with the community growth and consequently some agencies did not receive very necessary funding.

The Community Fund allows residents to make one tax-deductible donation that helps many organizations such as the American Red Cross, Interfaith Services, Sun Cities Area Transit and Lending Hands, to name a few.

DEADLINES:

Deadline for Oct. Activities Calendar is Aug. 10. Please submit copy in writing. All Recreation Center copy must be submitted through the Rec Center Office. All other copy must go through the Del Webb Public Affairs Office.

TIME TO CLEAR OUT THOSE TREASURES!

The Great Sun City West Garage Sale will be held October 29 at the R.H. Johnson Recreation Center parking lot in front of the facility from 8 a.m. to 2 p.m. Once again, this great event will benefit a great cause, the Make-A-Wish Foundation.

Garage sale entry forms will appear in the September 15 editions of the "Wester" and "Daily News-Sun." Clip them out and mail to Del Webb Communities along with your tax deductible donation to Make-A-Wish Foundation which grants wishes to terminally ill children.

Last year, nearly $4,000 was raised for Make-A-Wish, including a large donation from the Sundome Lions Club which manned the concession stand. While $4,000 is a start, we can do much better! Help terminally ill children realize one last happy outing, maybe to Disneyland or perhaps just a ride on a fire engine. There are children on the list who may not experience their wish because there are more Make-A-Wish children than there is money. So, please be generous.

As per usual, Del Webb will underwrite the cost of renting the tables and will provide the advertising to get the shoppers to the site, in addition to supplying all of the other behind-the-scenes elements that are required to make an event successful. The Sundome Lions Club will once again staff the concessions tent.

Due to the increased demand for space, one table will be allotted per household. Organizations and clubs will be allowed additional space if it is available.

The rules and procedures are the same as in years past. No arts and crafts will be allowed; all vehicles must be cleared from the selling area no later than 7:30 a.m. and will not be allowed back in until 2 p.m. More detailed information will be provided when your assigned space is mailed back to you.

NEWCOMERS' COFFEES BEING REVISED

Beginning with the first Newcomers' Coffee of the fall season (October 20), a new format will be unveiled. The stage presentations will be consolidated into a prepared script and 35mm slide briefing, and group promotional tables will be relocated to the main portion of the Social Hall. The changes are designed to promote a "Welcome Home" approach for new residents. The new low-key format will offer a streamlined and time-conscious presentation which will enable newcomers an opportunity to concentrate on the topics. The jointly-sponsored Del Webb Communities-Recreation Centers monthly get-together will aim for a casual, warm atmosphere with plenty of information and suggestions.

Groups already allocated tables for the Newcomers' Coffees are Prides, Posse, PORA, Lending Hands and Sun Health Foundation. Other tables will be made available, but will be limited entirely to those groups who offer a community-wide appeal, or those groups who offer a centralized or consolidated promotion for a large number of affiliated groups. Those interested in applying for a table under this criteria should contact the Recreation Centers Administration Office (Attn: Steve O'Donnell), no later than September 15.

CONTEMPORARY NAVAJO WEAVING

The Sun Cities Art Museum will open its 1988-89 season in the Gladys Jensen Gallery, September 18 through October 23, with "Contemporary Navajo Weaving from the Hubbell Trading Post," an Arizona Commission on the Arts Traveling Exhibition.

The Hubbell Trading Post, operated by the National Park Service, is located at Ganado, Ariz. – 30 miles west of Window Rock in the heart of the Navajo Nation. The Trading Post began operating in 1883 and has continued trading in the traditional way for more than 125 years.

The weavings are accompanied by interviews with 28 weavers conducted during 1985 and 1986. The weavers range in age from 16 to 98.

Prior to the 1940s most rugs in the area were red, black and white on gray backgrounds. During the '40s, requests began to come in for Ganado rugs on red ground and the weavers accommodated those requests. The rug design now known as the Ganado Red rug is comprised of black, white and gray pattern on a red background. For the most part, weaving among the Navajos continues to be a woman's activity that is integrated into her daily routine.

STATE CLUB NEWS

NEW JERSEY

A meeting is set for 1 p.m. on Sept. 23 at the Community Services Building. Guest speaker will be Carole Carpenter, County Board of Supervisors. For further information call 584-1977.

DANCE FITNESS STAGES FASHION SHOW

"Fall Into Fitness" is the theme of the Dance Fitness Club-sponsored fashion show to be held Oct. 4 in the R.H. Johnson Recreation Center Social Hall. The doors will open at 11:30 for the noon luncheon and show to benefit the Sun City West Foundation.

More than a fashion show, Fall Into Fitness is, in essence, a short play about women attending a health resort. The sportswear modeled by members of the Dance Fitness Club will be appropriate for the various activities the characters enjoy at the mock resort. Nancy Dewhurst, resident Jazzercise instructor, is choreographing the production.

The $12 ticket price includes the luncheon. Tickets may be purchased at the Dance Fitness class, Monday, Wednesday and Friday from 9:15 a.m. to 10:15 a.m. at the Social Hall. They are also available at the Sun City West Foundation office at the Community Services Building at the corner of R.H. Johnson and Stardust Boulevards from 9 a.m. to 2 p.m. The ticket chairwoman is Fran Burkhardt, 584-7197.

The proceeds will benefit the Sun City West Foundation which is the fund-raising entity for the Community Services Building. Roughly $300,000 is needed to construct the third phase of the building which will house the Interfaith Services Day Care Program.

From left to right: Ann Pamplin, model; Nancy Dewhurst, choreographer; Betty Smith, model; and Dance Fitness president Bobbie Sherrie present a sneak peak at some of the clothes for the upcoming fashion show.

"WEST OF BROADWAY"

This year's Sun City West residents' variety show, "West of Broadway," is set for Dec. 1-2 at the Sundome. The community population base is brimming with talent. And each year the variety show comes one step closer to bumping long-standing performances off Broadway theatre stages.

All proceeds from "West of Broadway" will go to the Sun Health Foundation for the benefit of the Del Webb Memorial Hospital in Sun City West. The $3 general admission tickets will go on sale Oct. 11 at the Sundome Box Office and at the Sun Health Foundation office, Boswell Support Services Building from 9 a.m. to 4 p.m., Monday through Friday.

Major financial sponsors underwriting the expenses of this year's show are Del Webb Communities, Valley National Bank and the Prudential Insurance Company. Special appreciation is given to ASU/Sundome and the Sundome Performing Arts Association for the use of the facility.

THE SUN CITIES SADDLE CLUB

Horses are a vital part of the history and folklore of the West. Many people who migrate here from the Midwest and East have a great desire to participate in horse riding activities or just to be around horses and horse people. The Sun Cities Saddle Club helps them to fulfill these desires.

The club has trail rides every Thursday from October to the end of May. Some members own their horses, and stable space is available at the Sun City Stables, located near the Agua Fria River bed, south of Bell Road at 115th Avenue. Most of our members rent horses from a veteran horse supplier, who delivers the horses by special rig, to trail heads all over the Valley.

Rides start from various places in the Valley, like Lake Pleasant, the Superstitions, Estrella and McDowell mountains, and also in the Carefree, Cave Creek and Wickenburg areas.

Once a month the club has a special ride which will include a three-hour trail ride followed by lunch for the riders and non-riders at specialty eateries like Los Caballeros, Wickenburg Tennis Club, The Horny Toad and South Mountain Park.

The 4th Tuesday of each month the club has a membership meeting at 9:30 a.m. at the Wooddale Center, 9940 W. Union Hills Dr., Sun City. List of rides for the following month are distributed and new members are introduced.

Membership in the club is limited to residents of Sun City and Sun City West. Total number now equals 136, of which 30-40% are from Sun City West, the number one source of new members. They are so enthusiastic.

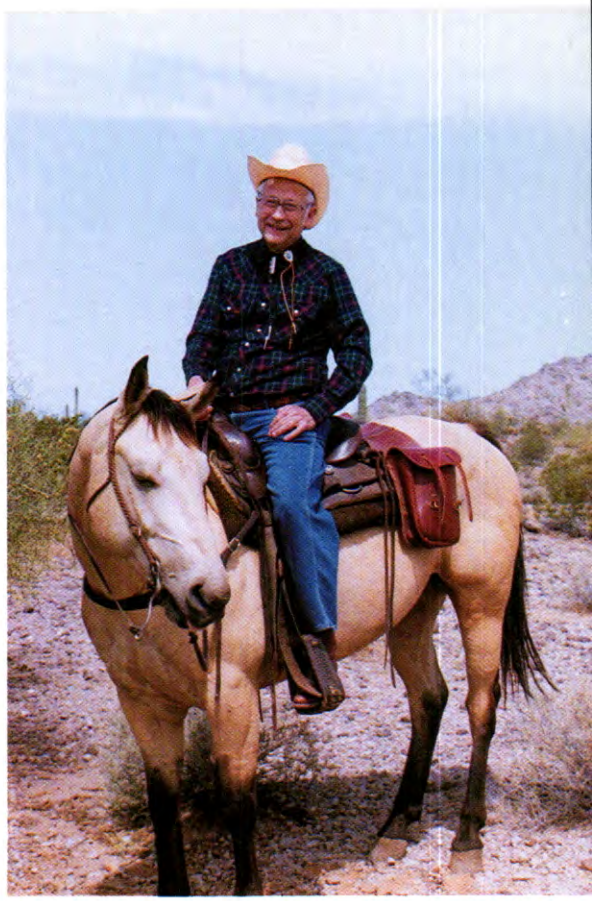

The riding season ends with a two-day outing in mid-May. This will feature an afternoon ride the first day, a dinner dance that night and a morning ride the second day. These events are held at resorts outside of our area – in Tucson, Payson, Prescott, Patagonia and Death Valley.

The club is truly Western – open, friendly, cooperative and our activities bring some members closer to their fantasies of being cowboys or cowgirls.

Residents wishing more information about the club should call Membership Chairman Lowell O'Grady (584-9596) or Secretary Dave Roberts (584-2607).

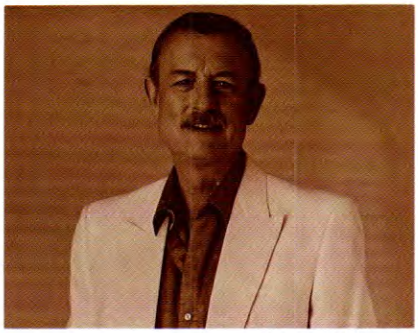

From left to right: Ann Jewett, Club Treasurer; Chuck Billingsley, Past-President; and Chuck McEndree, Parade Chairman on his famous horse, "Goldie."

Sun City Wester Lowell O'Grady and his favorite horse "Powder" were captured enjoying a day at Estrella Park.

Del Webb's SUN CITY WEST

ACTIVITIES CALENDAR

DEL WEBB CORPORATION • POST OFFICE BOX 1705 • SUN CITY WEST, ARIZONA 85375

HOMES SINCE INCEPTION - 8,906 | HOMES SOLD IN 1988 (thru 8/31) — 372 | POPULATION — 17,140 | OCTOBER, 1988

Celebrate Sun City West's 10th Birthday

Sun City West turns ten years old this month, marking a decade of exciting growth. Del Webb invites all Sun City West residents and visitors to help us celebrate this grand occasion at Hillcrest Golf Course.

Sun City West's 10th birthday bash will be held Oct. 13, from 4:30 to 7 p.m. Festivities will include a community picnic, entertainment and lots of birthday cake. Everyone should bring lawn chairs or picnic blankets on which to sit, as seating will not be provided.

Port-A-Pit catering will provide picnic dinners featuring barbecued chicken wingettes, fruit cups, hot dogs, and potato chips. Dinner tickets must be purchased by Oct. 3 at the Del Webb Administration Building, 13950 Meeker Blvd. The cost is $4 per person. Del Webb will provide the cake, refreshments and entertainment.

People are welcome to join the fun even without partaking in the catered dinner. Get together a big group of friends, neighbors or club members and meet at Hillcrest Golf Course for a late afternoon celebration.

GREAT SUN CITY WEST GARAGE SALE SET FOR OCTOBER 29

It's the time of the year to clear out the old treasures to make room for new ones, and the Great Sun City West Garage Sale will provide the perfect opportunity to turn those collectibles into cash.

All Sun Cities residents may register for a selling space. The entry form has already appeared in the local newspaper, but additional copies are available at the Del Webb Administration Building front lobby, 13950 Meeker Blvd. Entry deadline is Oct. 20.

While there is no charge for the selling space, a contribution to the Make-A-Wish Foundation is requested with the completed entry form. This special organization grants wishes to terminally ill children of central and southern Arizona.

Shoppers and sellers alike also will have the opportunity to participate in the Make-A-Wish raffle. Simply buy a chance to win one of a number of prizes donated by Valley businesses and you'll be helping Make-A-Wish at the same time.

An estimated 23,000 people came to shop at last year's Great Sun City West Garage Sale, turning the R.H. Johnson Recreation Center parking lot into a sea of people.

The sale will be held in the R.H. Johnson Recreation Center parking lot from 8 a.m. to 2 p.m. on Oct. 29. Shopping is open to the general public.

LETTER FROM THE PRESIDENT

AN ANNIVERSARY TO CELEBRATE

Ten years. When one puts it in the perspective of building a city of 17,000 active, involved people, ten years can pass very quickly. It's an accomplishment of which we can all be very proud.

On Oct. 16, 1978, Del Webb welcomed the first residents to Sun City West. Today, these first "pioneers" can recall the birth of Sun City West in vivid terms. The dirt roads and construction equipment. The events and excursions which fostered many new and lasting friendships. The excitement of watching this new community grow.

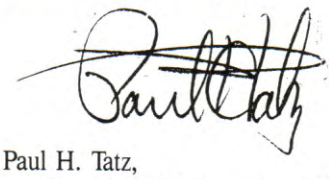

That excitement still exists today. Construction of a new recreation center, golf course and hundreds of homes continues to change the face of our community. Monthly events continue to foster new friendships. At Del Webb, we're proud to be an active participant in this growth. We are also proud of the people who comprise this community.

While some people may look for reasons to criticize Sun City West, the bigger story is what this community has meant to the people of Phoenix during the last ten years.

Your investments in local banks have touched people from all walks of life. You've enabled young couples to finance their first home. You've helped young entrepreneurs launch new businesses. By moving to Sun City West you've helped create thousands of new jobs. Your spending habits keep the Phoenix economy healthy and vital.

During the last ten years, you've donated hundreds of thousands of hours of your time to the community. You've enriched the lives of your neighbors in Sun City West and in neighboring communities. Sun City West volunteers are invaluable parts of the Westside Food Bank, the Dysart School District, the Del Webb Hospital and many other important community organizations.

The Del Webb Corporation is proud of the positive impact our Sun Cities have on local communities, primarily through the works of active and involved citizens. We've accomplished a great deal in ten years and you've certainly contributed your fair share. You have every reasons to boast that, "I live in Sun City West."

Paul H. Tatz,
President & Chief Executive Officer
Del E. Webb Communities, Inc.

Your Recreation Centers Advisory Board's Q&A

Q What are the major issues to be voted on this Fall by the membership?

A The first issue to be put to a vote (in October) is "Who can vote in Recreation Centers membership meetings?" While this subject is covered in the Bylaws, the Bylaws conflict with the Articles of Incorporation. Since the Articles are the governing charter, the clarification must be reflected there and any amendment to the Articles requires a membership vote.

Once voting eligibility has been determined, the most critical issue requiring membership vote is whether or not to retain Webb as manager of our Recreation Centers. The first vote on this issue occurred in 1980 when Sun City West residents voted almost unanimously in favor of Webb's management role. Because of the complex issue involved, and the serious impact that such a vote will have on our community, the Advisory Board will present a series of briefings this fall outlining the subject. It is in the best interest of each and every resident to make a point of attending one of these presentations prior to the December vote.

The third issue to be resolved, also in December, is the annual election of three (3) new Advisory Board members. This vote will decide which residents will be selected to oversee your Recreation Centers during a very critical phase in the eventual transition of Webb management to the residents. Advisory Board President Jack O'Connor, and members Larry MacIntyre and Faye Fiorelli will complete their three-year terms at that time.

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes.

Please send your questions to:
The Advisory Board c/o
Sun City West Recreations Centers Inc.
19803 R.H. Johnson Blvd.
Sun City West, AZ 85375.

Welcome Back Breakfast, Oct. 29, 9 a.m. at the Community Services Building. Free continental breakfast. Reservations by Oct. 25, 584-3985 or 584-3451.

NEW EXERCISE PRESCRIPTION

If you're interested in a workout without all the sweat, work a "Stretch & Tone" class into your day.

Sponsored by the Dance Fitness Club and taught by Sun City West resident instructor, Jan Thomas, the new class will start on Oct. 3 and meet every Monday and Tuesday at 10:30 a.m. in the West Social Hall at R.H. Johnson Center.

"Stretch & Tone" is a shorter jazzercise class, featuring non-aerobic exercise for a 30-40 minute period, with emphasis on flexibility and muscle strengthening. Routines which are choreographed to music make the class fun and effective – just the ticket for those new to exercise or those residents preferring a lighter and less strenuous workout.

Registration will be held the first day of class for recreation card holders. Students are requested to wear comfortable clothing and bring a mat. It is recommended that those new to exercise consult with their physician before starting any workout program.

For further information, call 584-5698 or 584-6731.

Aloha! Monte Carlo Goes Hawaiian

The Monte Carlo Carnival Ball, held at the Briarwood Country Club, takes on a Hawaiian theme this year. The Sun City West Foundation fundraiser will be held Nov. 14 with feativities starting at 5 p.m.

The fun includes gaming – try your luck! A cash bar will be available. Dinner, dancing and Hawaiian entertainment will follow. Hawaiian attire is encouraged.

The $30 per person tickets must be purchased by Oct. 28 at the Sun City West Foundation, located in the Community Services Building near the corner of R.H. Jonhson and Stardust Boulevards. Seating is limited so early reservations are recommended. Further information is available by calling 584-6851.

The Nani Komohana Tutus (pretty western grandmothers), Sun City West's own Hawaiian dancers, will share their cultural dance expertise at the Monte Carlo Carnival Ball. This photo was taken when the troupe performed at Sun City Vistoso.

A YACHT CLUB IN THE DESERT?

Members of the Agua Fria Yacht Club are always ready to have fun on the water or on land, but their primary mission is to raise funds for the Sun City West Foundation.

Yes, it's true. Sun City West now sports the Agua Fria Yacht Club, a tongue-in-cheek group whose primary goal is to raise funds for the third phase of the Community Services Building. They'll be staging various fund-raising events, some on land ... maybe even some on water!

Everyone is invited to the Agua Fria Yacht Club's Launching Party on Wednesday, Oct. 19 at the Community Services Building.

Time:

Launching Ceremony is at 1700 - 2 bells (5 p.m.)
Last Mess Call is at 1900 - 6 bells (7 p.m.)

Fare:

$10 per passage (chow included)

Dress:

Nautical but nice

Grog (wine) and chow down (chicken and fish) commencing immediately upon boarding. Life vests not required.

Tickets are available until Oct. 15 by calling 584-6851 or 975-1965.

The Agua Fria Yacht Club is an activity of the Sun City West Foundation.

"Let's Sing the Old Songs"
At the Westernaires Ice Cream Sociable

The Westernaires, the 70-member choral group, will present their Annual Ice Cream Sociable Mon., Oct. 24 from 5 to 8 p.m. at the R.H. Johnson Recreation Center Social Hall.

Residents, guests and friends are invited to share the good old-fashioned fun in a sing-along. Ice cream, home made cakes, and beverages will be served along with entertainment.

A $2 donation is requested. Tickets will be available at the door.

Members of the Westernaires always enjoy a good song. Some of those who will participate in the Oct. 24 Sociable are: From left (seated) Irvin Rinehart, Charles Margeson, Brad Ward and Art Reiss; (standing) Sig Hjermstad, Lillian Sedlacek, Ray Lorek and Ed McGinnis.

From left, Westernaires Frances Decker, Evelyn Sturm, Marcia Keyes, Claire Bourque, Mary Steiner and Betty Jane Johnson prepare for the Annual Ice Cream Sociable.

Sun City West Variety Show

"West of Broadway," the ninth annual Sun City West Variety Show, will take place at the Sundome on Dec. 1 and 2. General admission tickets will be $3, with all proceeds going to the Sun Health Foundation for the benefit of the Del Webb Memorial Hospital.

Beginning Oct. 11, tickets for the show will be available Monday-Friday, 9 a.m. to 4 p.m. at the Sundome box office and the Sun Health Foundation office, Boswell Support Services building, 13180 North 103rd Drive, Sun City.

Mike Tarr, a Sun City West newcomer, is designing and constructing sets for the show, with the help of Jerry Hallstrom and Ed Frome. "West of Broadway" will feature highlights from some of Broadways favorite musicals.

As in past years, voluntary donations of canned goods will be collected outside the Sundome preceding each performance.

Major financial sponsors underwriting the expenses of this year's show are Del Webb Corporation, Valley National Bank and Prudential Insurance Company. Special appreciation is given to ASU/Sundome and the Sundome Performing Arts Association for use of the Sundome.

Talent abounds in Sun City West and the variety show provides the perfect showcase opportunity.

ACTIVITIES CALENDAR

DEL WEBB CORPORATION • POST OFFICE BOX 1705 • SUN CITY WEST, ARIZONA 85375

HOMES SINCE INCEPTION - 8,945 | HOMES SOLD IN 1988 (thru 9/28) — 411 | POPULATION — 17,179 | NOVEMBER, 1988

SIXTEEN NEW MODEL HOMES OPEN IN SUN CITY WEST

Nov. 5th will mark the grand opening of Del Webb's exciting new model home series in Sun City West. A stunning collection of 16 new single-family, duplex and stylish executive villa homes representing the ultimate in active adult living.

Thousands of man hours and reams of design blueprints went into the development of the 43 new exterior elevations offered with these models.

You'll see evidence of those efforts in our 10 single-family plans, offering three or four elevation choices each. Selections range from a classic traditional style to the elegant warmth of our Mediterranean designs.

Contemporary Southwestern style sets the tone for the four duplex models. Stucco walls, clean lines and bold recesses define the exteriors of these newly designed homes. And new to Sun City West is the executive villa home with its dramatic Mediterranean styling.

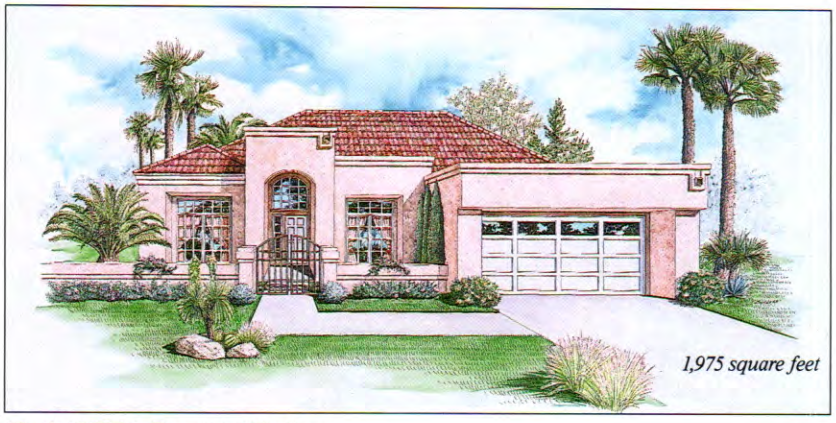

Each of these new models also offers an impressive list of standard features. Interior designs include arched entryways, upgraded kitchens, luxurious baths, plush bedroom suites, open living areas and spacious garages. In addition we've specified ground mounted air conditioning units, windows in all utility rooms and expanded storage areas.

Plus there's a dual energy choice of natural gas, electricity or a combination of both. A new energy saving feature, available only with this model home series.

Grand opening prices ranging from the high $60s to under $200,000 will be available through the close of this year.

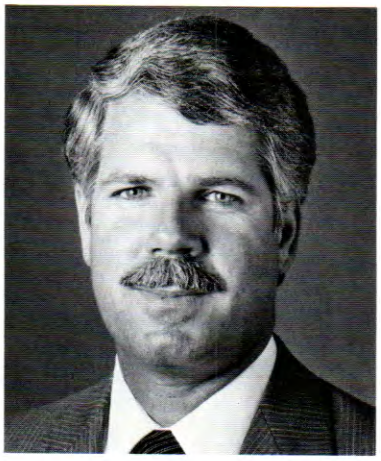

The MONTECITO, a Single Family Home.

The GALERIA, Executive Villa Home.

The CAMERON, Duplex Home.

A LETTER FROM THE GENERAL MANAGER

REORGANIZATION MEANS A STRONGER WEBB

It is with great privilege and pleasure that I am addressing you via the Sun City West Activities Calendar. As Del Webb's General Manager of Sun City West I am looking forward to discussing various issues with you which impact our lives here in Sun City West.

While my picture and column are new to this Activities Calendar, I've worked with Del Webb Corporation for nine years; five of those in Sun City West. I've had the opportunity to meet many of you already and am truly impressed with the caliber of people who make Sun City West such a special place to live.

You may have heard that the Del Webb Corporation recently underwent a reorganization. We are in the process of selling our leisure operations to concentrate on what we do best – develop active adult communities and pursue real estate related projects.

This reorganization has generated a positive streamlining of the Corporation, prompting increased efficiency across the board. It has also enhanced our ability to provide you with a quality product at competitive prices.

Our commitment to Sun City West remains strong. In fact, we will be unveiling 16 new model homes on Nov. 5. Each a reflection of our 30 years of experience designing and building new homes for discerning adults like yourself.

We invite you to stop by the Model Home Pavilion on Nov. 5 and 6 and view the homes which will soon be lining the streets of Sun City West.

I'm looking forward to seeing you all there on grand opening weekend.

Charles T. Roach,
Executive Vice President
General Manager, Sun City West

Your Recreation Centers Advisory Board's Q&A

Q What would happen if Sun City West residents assumed control of the Recreation Centers?

A On Dec. 6, Sun City West Inc. residents will have the opportunity to vote on the continuation of Del Webb's management of the Recreation Centers of Sun City West,Inc.

If a majority of Sun City West voters choose to retain Webb, the Governing Board, with input from the Advisory Board, will continue to determine policies that guide Recreation Centers management. Webb will follow through with its commitment to subsidize the Recreation Centers by underwriting the difference between the income and expenses (as they do at present) for the next two years.

If a majority of voters decide to dismiss Webb from its management role, the Advisory Board will become the Board of Directors in control of the Recreation Centers; the Management Agreement with Webb will be terminated and Webb will become a member of the Recreation Centers Association entitled to the same number of voters per subdivided lot as any other owner and pay a Recreation Centers fee yearly for each lot. The subsidy provision of the Master Agreement will end, and the $500,000 surety bond Webb was required to post to insure completion of its subsidy commitment will be canceled.

The new Fred Kuentz Recreation Center will be completed in the latter part of January 1989 and the new Trail Ridge Golf Course will open during the fourth quarter of 1989, both will require heavy start-up funding. Webb's continued management control will ensure those financial burdens will not be placed on the residents.

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes.

Please send your questions to:

VARIETY SHOW

The 9th Annual Sun City West Variety Show will take place on Dec. 1 and 2 at 8 p.m., at the Sundome and promises to please the audience with its talent, costumes and more! "WEST OF BROADWAY" will highlight music from some favorite Broadway shows, so come out and join your neighbors for an evening of fine entertainment.

The $3 general admission tickets are available Mon.-Fri., 9 a.m.-4 p.m., at the Sundome Box Office and the Sun Health Foundation Office, Boswell Support Services Building, 2nd floor, 13180 N. 103rd Drive, Sun City. All proceeds will go to the Sun Health Foundation for the benefit of the Del Webb Memorial Hospital.

As in past years, voluntary donations of canned foods will be collected outside the Sundome preceding each performance, to be distributed to needy families in this area by the Salvation Army and St. Vincent de Paul Society.

Major financial sponsors underwriting the expenses of this year's show are Del Webb Corporation, Valley National Bank and Prudential Insurance Company. Special appreciation is given to the ASU/Sundome and the Sundome Performing Arts Association for use of the Sundome.

Monte Carlo Carnival 1988

The ever popular Monte Carlo Carnival, benefiting the Sun City West Foundation, Inc., is back with some new additions to the month-long fund raiser. Volunteers have begun canvassing the neighborhoods selling tickets at special savings. Tickets may also be purchased in front of Safeway and Walgreens Nov. 1-17.

All proceeds will be used by the Foundation to construct Phase III of the Community Services building which will house Interfaith Services' Adult Daycare program. Fund raising events include:

October 29-30

Bowling tournament at Johnson Lanes. Male and female divisions. The $22 entry fee includes a $5 tax deductible donation to the Foundation.

November 3, 4, 11

Monte Carlo Team Scramble Golf Tournament. Men's and women's tournaments will be held at Pebblebrook and Stardust including players from Pebblebrook, Stardust, Echo Mesa, Grandview and Briarwood.

Novermber 7-11

Card Tournaments will be held by various Sun City West card playing clubs.

November 12

*Fun Pet Show at Beardsley Park noon to 4 p.m. Event categories include Old Timers Sprint; Hot Dog Retrieve; Most Original and Funniest Costumes; Trick; Singing Dog; Fastest Biscuit Eating; Egg and Spoon and Frisbee contests, and a Sit Marathon.

November 14

*Hawaiian Luau at Briarwood Country Club 5-9 p.m. Evening will include no host bar, games, entertainment, dancing, fresh Hawaiian leis, sumptuous Luau dinner and prizes. Informal attire.

November 16

*Circus Musicale Show at the Johnson Recreation Center Social Hall 7 p.m. A comedy take-off theme of circus acts with clowns and gypsies, singing, dancing and comical animal acts.

November 17

Monte Carlo Carnival at the Sundome. Games and door prizes awarded every half hour between 1-6:30 p.m. Drawings for major prizes 7-8:30 p.m., with short entertainment acts. Games include blackjack, roulette, poker, craps and slot machines. Major prizes include a 1989 Buick Skyhawk, airfare and one week in Hawaii, 3 days and two nights in Las Vegas and Laughlin.

For further information contact the Sun City West Foundation at 584-6851.

10th Annual Arts and Crafts Fair

Do some early holiday shopping at the 10th annual Sun City West Arts and Crafts Fair, Nov. 5 from 9 a.m. to 4 p.m. at R.H. Johnson Recreation Center in the Arts and Crafts Village and Social Hall. The items for sale have been hand crafted by Sun City West craft club members.

In addition to the crafts, the Friends of the Library will conduct its annual book sale. Food, refreshments and baked goods will be available for sale.

Sun Cities Art Museum

The Sun Cities Art Museum will feature the illustrations of John Holmgren Oct. 30 - Nov. 27. Considered a master of pen and ink, Holmgren had a gift for portraiture.

His works were originally seen in such national publications as *Judge, Collier's, Redbook, The American, Ladies Home Journal, Cosmopolitan, McCalls, Readers Digest, Saturday Evening Post, Life* and the *New Yorker.*

The Sun Cities Art Museum, 115th Avenue and Bell Road, is open 10 a.m. to 4 p.m. Tu-Sa and 1 p.m. to 4 p.m. on Sun. It is closed on Mon. and holidays. Free admission.

Thrift Shop Opens in SCW

A new business has opened in Sun City West – a business like none other in the community. And it's sure to get "used" a lot. The SCW Thrift Shop is open from 9 a.m. to 5 p.m. M-F in the Community Services Building. Find anything from overstuffed decorator chairs to unique costume jewelry. The operation is a joint venture of the Sun Health Auxiliary and the SCW Foundation.

Find unbelievable inventory at unbelievable prices at the SCW Thrift Shop in the Community Services Bldg., 14445 R.H. Johnson Blvd.

THANKSGIVING CELEBRATION

All are invited to the interfaith Thanksgiving celebration at the Sundome, Nov. 24 at 10:30 a.m. The Sun Cities Ministerial Association will present the program including the Luke Air Force Base Color Guard and a mass choir.

This year's featured speaker is of national prominence. Millard Fuller is executive director of Habitat for Humanity, Inc., an ecumenical ministry attempting to build a better "habitat" for the economically disadvantaged. Believing that the poor "need capital, not charity; co-workers, not caseworkers."

Habitat builds houses through the United States, in Africa, Central and South America, Asia, Pacific Islands, and in the Caribbean – and even right across the road from Sun Cities in El Mirage.

The dwellings are then sold on a no-profit, no-interest basis, with a long term mortgage period. Because of the no-profit, no-interest aspect of the program, the houses are brought within an affordable range for extremely poor families.

PRIDES ANNUAL CHRISTMAS PARTY

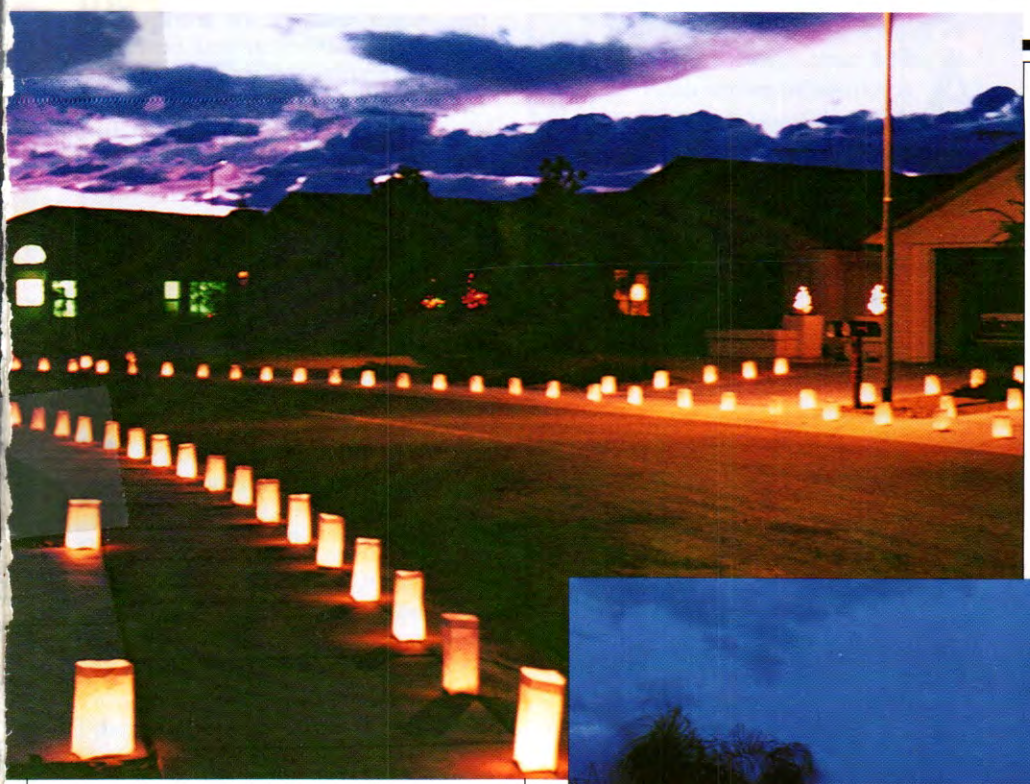

Dec. 2, 5:30 p.m. at Ritter Chalet. For details call Peggy Foley, 584-2013 or Lloyd Greenwood, 584-3050.

Luminarias to Light Up Sun City West

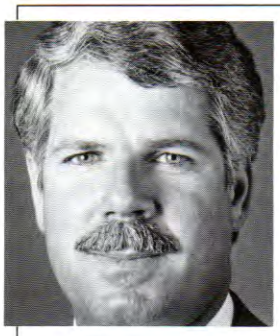

Sun City West has earned the distinction of holding the largest luminaria festival in the area. People from all around the Valley travel to our community on Christmas Eve to view the fabulous display. Luminarias are traditional Mexican holiday lanterns consisting of paper bags weighted with sand, in which small, glowing candles are placed.

The twinkling lanterns will line the sidewalks, driveways and walkways throughout the community creating a truly outstanding sight to behold. Last year nearly 200,000 candles lighted the evening's darkness on December 24th.

See related story — page 5

Top left: The Arizona winter sky provides a palette of colors for the luminaria festival backdrop. Cars will drive through Sun City West with only their parking lights illuminated so they will not disrupt the gentle curves of the luminarias.

Above: Many homeowners get into the holiday spirit by decorating their homes to the hilt. Lois and Jerry Leigh, "Mr. and Mrs. Luminaria," think the lighted lanterns do the trick.

A Letter From The General Manager

In other parts of the country the snow is flying, the temperatures are dipping and the ice is covering the streets and sidewalks. Here, we continue to enjoy sunshine and the glowing warmth of an Arizona December.

Snow shovels are replaced by golf clubs, overcoats with tennis shoes, ear muffs with sun visors and boots with running shoes.

Despite the lack of cold, stormy weather the holiday season is upon us, evidenced by the increased sense of charity and decorations going up around the community, lending a festive atmosphere.

A Sun City West event which combines both the satisfaction of giving and beautifying the community is the annual Luminaria Festival on Christmas Eve.

Sponsored by the Sun City West Foundation, the event is a major fund raiser for the community, in particular the Community Services Building phase three which will house Interfaith Services Adult Day Care Center. Del Webb donated the land for the facility but it has been the generosity of the residents which has made the first two phases of the building a reality.

Del Webb supports the Luminaria Festival by donating the work space for the "factory" which will generate the 360,000 luminaria kits. We also provided an air conditioned storage space for the candles this summer so that they would be in perfect condition for this annual event.

Del Webb is proud to support such a worthy community effort. We encourage all residents to take part in the festival by lining your streets, driveways and walkways with the luminarias. When visitors come to our community on December 24, they'll witness not only a beautiful holiday display but a tremendous community-wide endeavor.

We wish you a safe and happy holiday season.

Charles T. Roach
Executive Vice President
General Manager, Sun City West

Your Recreation Centers Advisory Board's Q&A

Q What did the Advisory Board accomplish in 1988 and what are its plans for 1989?

A The most significant accomplishment in the Board's view was the membership vote which resulted in 8 amendments to the Articles of Incorporation. It was particularly noteworthy because it culminated two years of very lengthy and meaningful negotiations with the Webb management team. We are especially proud of this endeavor because it corrects long-standing conflicts between the Articles and the Association By-laws. In this regard, the topic of singular importance was the amendment that defines and preserves exclusive voting rights for the titled homeowner. This right will receive its first indoctrination on Dec. 6th of this year when homeowners will be asked to vote on whether or not to retain Del Webb Corporation for an additional two years as Manager of the Recreation Centers. As this month's Activities Calendar is being distributed, so is the mail-in ballot dealing with this very important issue. (We encourage SCW homeowners to vote "yes" on Dec. 6 and retain the very successful relationship that we have enjoyed with Webb.)

The Board is additionally pleased with its involvement in the planning of the new Kuentz Recreation Center. Because of the conscientious efforts of the many individuals who assisted us, and Webb's very congenial attitude in working with us, the Kuentz project will come in under budget, provide a program tailored to our specific needs, and allow for residual monies to be used for the pending renovation of the R.H. Johnson complex.

Another major accomplishment was seen in the Board's involvement in the preparation of the Recreation Centers' FY 1989 Budget. While this was our second year of participation in this very necessary process, our deliberations were more thorough, our research more defined, and our recommendations were more far-reaching. Our primary objective was to form a management tool that would result in self sufficiency for the R.H. Johnson and Beardsley Park Recreation Centers, the Bowling Division, and our existing four golf courses. And, using 1st quarter financial results as an indicator, we feel confident that our goal will be met.

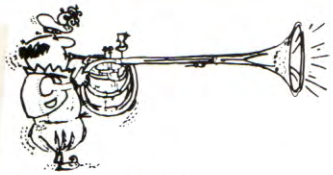

In summary, the accomplishments cited above highlight a year that allowed your Advisory Board the opportunity to become more involved in the actual operation of the Recreation Centers. In the process, we have developed a more cohesive advisory group who now has both the experience and the wherewithal to objectively and aggressively oversee your interests in the Recreation Centers.

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes. Please send your questions to:

The Advisory Board c/o
Sun City West Recreation Centers Inc.
19803 R.H. Johnson Blvd.
Sun City West, AZ 85375.

GUIDE TO THE RECREATION CENTERS

A guide to the Recreation Centers, and Lifestyle handbook of Sun City West, are now available for pickup at the Rec Center Administration Office. In order to receive the guide to the Recreation Centers and Lifestyle handbook of Sun City West, you must present your Recreation Card at the front office. One Rec Center and Lifestyle handbook per lot will be handed out. They may be picked up Monday through Friday, 8 a.m.-noon, and 1 p.m.-4 p.m., at the Recreation Center Administration Office.

SCW Talent on the Sundome Stage

Don't forget the annual Sun City West Variety Show, "West of Broadway," Dec. 1 and 2 at the Sundome. Check for ticket availability. Proceeds from the $3 admission fee will benefit the Sun Health Foundation.

As in past years, voluntary donations of canned goods will be collected outside the Sundome entrance preceding each performance.

DEADLINES:

Deadline for February activities Calendar is Dec. 10. Please submit copy in writing. All Recreation Center copy must be submitted through the Rec Center Office. All other copy must go through the Del Webb Public Affairs Office.

Sun City West 10th Birthday Review

Sun City West is a decade old. A grand celebration at Hillcrest Golf Club was held in honor of this momentous occasion.

KTSP, Channel 10, broadcast its entire 5 p.m. newscast live from the party site. News anchors Claren Scott and Bill Close, along with sports anchor Fred Kalil, seemed to enjoy the festivities almost as much as the Westers did.

Entertainment was provided by Igor's Cowboy Jazz Band, the Nani Komohana Tutu's and the Encore Round Dancers. Also, a very special thank you to all the resident groups who made the event a true success – the Model Railroad Club, the Jazzettes, the Women's Social Club, the Prides and the Posse.

Above left to right: The Nani Komohana Tutu's (pretty western grandmas) were a colorful addition to the festivities. Bill Close and Claren Scott of Channel 10 News broadcast their 5 p.m. newscast from the party site.

From Left: Chuck Roach, SCW general manager, Paul Tatz, pres. Del Webb Communities and Bill Woodyard, Recreation Centers general manager take the official knife to the cake.

Several thousand residents enjoyed the 10th birthday celebration.

The Encore Round Dancers, one of the featured entertainment groups, is always looking for new members. Singles and partners alike are welcome.

Luminarias Raise Money For Community

From Left: Zella and Newt Carnes, along with Fred Dieterich (SCW Foundation treasurer) are among the many active Luminaria volunteers.

The luminaria lanterns which will be aglow in Sun City West on the evening of Dec. 24 are not only a demonstration of beauty but also of community commitment and caring.

Since 1985, the Luminaria Festival Committee has been dedicated to commemorating a special holiday and to raise money for the Sun City West Foundation, specifically for the Community Services Building construction fund.

The efforts of the 500 volunteers is evidenced in the $100,000 that the Luminaria Festival has generated for the first two phases of the Community Services Building. This year (and next year, too) all proceeds from the Luminaria program will go to the construction of the 6,000-square-foot Adult Day Care Center — phase 3 of the Community Services Building.

To ensure the perpetuation of this great tradition the participation of all Sun City Westers is needed. Support it by purchasing the Luminarias and lighting them at sunset on Dec. 24th. The committee is also in need of volunteers to canvass the neighborhoods and manufacture the Luminarias.

Jerry Leigh and George Pike are key components to the successful Luminaria Festival. Jerry and his wife, Lois, started the Sun City West tradition in 1985.

DEL WEBB EXTENDS A SPECIAL HOLIDAY GREETING TO ALL

The Model Home Pavilion and Recreation Centers will be closed on Christmas Day to give our employees time with their families.

Welcome Home!

Sun City West recently welcomed this big crew of Newcomers to the community. The Newcomers Familiarization program is held the third Thursday of the month in the R.H. Johnson Social Hall.

Sundome Fundraiser Under Way

The Sundome Performing Arts Association has launched a fund-raising campaign to ensure the continuation of the fine cultural and entertainment programming the Sundome provides. Del Webb helped kick off the campaign by contributing $50,000.

The goal is to raise $150,000. Those who pledge $100 a year for 5 years will have their name permanently affixed to the back of a Sundome seat. Call the Sundome at 584-3118 for futher information.
