Sun City West Welcomes Sister Community To Del Webb Family

The Sun City West lifestyle is available for the first time in Nevada as Sun City Summerlin opens to the general public.

Geared to the age 45-plus market, Sun City Summerlin is nestled near the Spring Mountain range. The first residents are expected to move into the community in March.

See the general manager's letter on page two for further information.

A Letter From The General Manager

An Introduction to Your Sister Community

Sun City Summerlin To Open Mid-January

On behalf of the Del Webb Corporation, I'd like to extend a New Year's greeting to all. I hope you had an enjoyable holiday season and are looking forward to a great year ahead.

1989 promises to be an exciting year for Del Webb as we continue to provide the incomparable Sun City lifestyle to more and more people.

We will unveil our fourth, and newest, active adult community this month. Located in Las Vegas, Sun City Summerlin will open to the general public on Jan. 12 with 13 model homes and an extensive amenities package, including a championship golf course designed by senior PGA professional Billy Casper and golf course architect Greg Nash.

Sun City Summerlin is headed by general manager LeRoy Hanneman. LeRoy is a familiar face to many of you here, having spent most of his time with Webb involved in construction activity at Sun City West. He has taken with him 17 years of Del Webb experience and will carry on the company's reputation for building a quality product and providing outstanding recreational amenities.

Located eight miles northwest of downtown Las Vegas, Sun City Summerlin will initially comprise 1,050 acres, with a projected population of 5,900. Like Sun City Vistoso in Tucson, Sun City Summerlin is part of a larger master-planned development. The 25,000 acre Summerlin community is being developed by Howard Hughes Properties.

The next time you're in Las Vegas, stop by and say hello to the Del Webb team at Sun City Summerlin. They'll be happy to acquaint you with your sister community.

Your Recreation Centers Advisory Board's Q&A

Q. What does the Advisory Board expect to accomplish in 1989?

A. Our primary concern is the need to be ready and competent to handle the responsibilities of managing the Recreation Centers when Del Webb ultimately leaves. To this end the Advisory Board is working on a long range plan of activities for the transition period. Some of the goals for 1989 are:

1) Improve communications between the membership, the Advisory Board and the Governing Board;
2) Make recommendations and counsel with the Governing Board on the administration of the Association's physical assets;
3) Assist management in the development of realistic and attainable financial objectives appropriate to our changing needs. For example:
   a) Develop 5-year schedules for the purchase of capital equipment and buildings.
   b) Reduce general and administrative expense by 3 percent to 4 percent.
   c) Encourage management to initiate studies to expand the scope and efficiency of operations.
   d) Develop written policies and procedures for the administration of the reserve funds.

A full discussion of these and other goals would be too lengthy to appear in this column but questions will be answered as they are received.

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes. Please send your questions to:

Variety Show '89

Leaders of organized entertainment groups are invited to attend a 1989 Variety Show meeting at 9:15 a.m. on Tuesday, Jan. 24 at Western Savings, Beardsley.

Group leaders are asked to please call 975-1172, 584-7759, or 584-1598 to confirm attendance.

Individual entertainers may call the above numbers for February/March audition appointments.

Sun Cities Symphony Performance Featuring Brilliant Violinist

The Sun Cities Symphony Orchestra, performing in the Sundome on Jan. 29, will feature violinist Benny Kim, winner of the prestigious Young Concert Artists International Auditions. This brilliant artist was cited by the St. Petersburg Times as a likely "heir apparent" to Itzhak Perlman.

Kim will be heard in Bruch's "Concerto No. 1 for Violin and Orchestra." Also featured in this program will be Tchaikowski's "Symphony No. 5" by the orchestra.

For ticket information call the Symphony office at 972-4484 or the Sundome Box Office at 975-1900.

"Wild Blue Country"

The U.S. Air Force Academy's "Wild Blue Country" will be performing for residents on Sunday afternoon, Jan. 22 at 2 p.m. at Beardsley Park Bandstand. This group of talented, young Air Force men and women present a fresh, upbeat approach to contemporary Western music with their own unique style.

"Wild Blue Country" stands proudly among today's finest country and Western performers. Their music is deeply rooted in the true heritage of the American culture. They have performed throughout the United States, bringing both enthusiasm and excitement to audiences of all ages.

Residents are reminded to bring their own seating, as seating will not be provided. Let's give them a Sun City West welcome with a true "Western" flavor. Don't miss it!

(In the event of inclement weather the concert will be moved to the Social Hall.)

DEADLINES:

Deadline for March Activities Calendar is Jan. 10. Please submit copy in writing. All Recreation Center copy must be submitted through the Rec Center Office. All other copy must go through the Del Webb Public Affairs Office.

Great Sun City West Garage Sale A Grand Success

An estimated 24,000 shoppers converged in the R.H. Johnson Recreation Center parking lot recently for the Great Sun City West Garage Sale. Some 600 Sun Cities residents sold their treasures at the one day sale.

By making voluntary contributions in exchange for their selling spaces, the Sun Cities residents raised nearly $5,000 for the Make-A-Wish Foundation, the sale's benefactor. A special thanks to the Sundome Lions Club for manning the concessions tent and contributing $500 to the Foundation.

Whether buying or selling, smiling faces prevailed. The sellers were no doubt delighted to be exchanging used items for cash and the shoppers were tickled to find unique and varied items all in one convenient location.

Monte Carlo A Great Success

Once again, the Sun City West residents have staged a tremendous event to benefit the community. The Monte Carlo Carnival, a series of special fund-raising events, was held recently in the community. All proceeds will assist in the construction of phase three of the Community Services Building which will house the Interfaith Services Adult Day Care Center.

Hats off to the team of hundreds who made the event such a great success.

Is this Monaco or the Sundome? Monte Carlo gaming day was a hit in Sun City West as participants took their chances at the tables, slot machines and other risk ventures.

Sun Cities Art Museum Exhibits Stone Collage

The Sun Cities Art Museum will feature an unusual collection of lighted collages of stones and jewels, Jan. 8-31. This technique was created by former Sun City resident Dee Church, whose works will be showcased at the museum.

By using a florescent light to penetrate the stones and jewels, the beautiful inner depths, previously invisible, are captured. Her work is included in numerous national and regional shows at the Norfolk Art Museum, Smithsonian Institution, Boston Museum of Fine Arts, Carnegie Hall and the United Nations.

The Sun Cities Art Museum is located on the north side of Bell Road between Sun City and Sun City West. It is open Tuesday through Saturday, 10 a.m. to 4 p.m. and Sunday, 1 p.m. to 4 p.m. Admission is free.

Welcome Home!

These new Sun City West residents were recently welcomed at the Newcomers Coffee sponsored and hosted by the Recreation Centers of Sun City West, Inc. and Del Webb. The next get-acquainted session will be held Jan. 19 at 9 a.m. in the Johnson Social Hall.

Kuentz Center Nears Completion

The Fred Kuentz Recreation Center, Sun City West's third, is nearing completion and will be open within the next several weeks. The official grand opening will take place early next month. Watch the February calendar for further details.

New Sun City West Models a Great Success

Sun City West's new model home series is attracting thousands to the Sales Pavilion every week. Webb has selected five different exterior designs for this model series, creating a variety of appearances – Southwestern, Continental, Mediterranean, Spanish Colonial and Traditional.

With 16 models and three different modes – single family, duplex and executive villa – Webb has created a great deal of choice and flexibility in featurization.

A Letter From The General Manager

Thank You For Your Enthusiasm!

On November 5 we unveiled 16 new model homes, the culmination of more than a year of research and nearly 30 years of building quality homes for active adults. The response has been fantastic, for which I thank you. We've seen many of you touring the new models with friends and family, sharing the enthusiasm for your community.

We are enjoying a tremendous number of positive comments about this new model home series and our sales are exceeding our expectations.

As I mentioned, research was a critical part of the planning process. Not only did we probe the needs of our prospective buyers, we also conducted research sessions with our sales counselors, upper-level management, current residents, buyers at other active adult communities, and Phoenix-area winter visitors.

We closely examined the habits of our buyers, looking at pricing, home size, types of upgrades and the popularity of optional features.

We used what we learned to include more standard features and design homes that create an improved feeling of openness.

We aslo included all the latest appliances, lighting and fixture designs.

We think you will agree that this is the most exciting collection of model homes ever built in Sun City West.

If you haven't already seen them, I encourage you to come out and take a look.

Your Recreation Centers Advisory Board's Q&A

Q What is the Advisory Board doing about planning for the future of the Recreation Centers (after Webb)?

A In 1988, the Advisory Board created many inroads toward eventual transition of the Recreation Centers from Webb control to resident control. First, the Board's involvement with the annual budget and overall financial planning process became much more involved; i.e., we participated in direct financial planning with Recreation Centers management and subsequent financial discussions with the Sun City West Management Team.

Concurrent with the budget cycle, the Board also established a Long-Range Planning Committee under the direction of Board member Allen Powell. This group just completed their initial abbreviated study for FY 1989-1994. The preliminary study included such topics as facility evaluations, revenue projections, planning assumptions and an operating outline for the transition process itself. Follow-on studies are expected to include the vital areas of capital investment, equipment depreciation schedules, and repair and maintenance schedules.

From the standpoint of operating guidelines, the first "Guide to the Recreation Centers" was established. And in the area of governing rules, major initiatives were accomplished this past year by amending the Articles of Incorporation, and subsequently, the Bylaws of the Association. In the former topic, the delicate issue of member voting rights was specified. In the latter case, the Bylaws were rewritten to provide for separate developer and post-developer control documents. The reaccomplishment of the Bylaws was especially important to the planning process because the decision-making process was clarified, operating redundancies were eliminated, and the relationships between the Governing Board, Advisory Board, and Recreation Centers management was properly delineated.

In summary, while many planning initiatives have already been taken, the Advisory Board's primary role from this point forward will be to aggressively pursue and engage in the necessary planning actions for the Recreation Centers future. The next 12 months will see major emphasis placed on an organized transition plan, and increased management interface with the long-range planning documents.

New Model Tour

Sun City West's 16 new models provide a taste of California with innovative floor plans and fresh interior designs.

Two architectural firms and two interior design firms were selected — all from southern California and a team approach was applied to the design process. By bringing in the interior designers early, Webb and its architects were better able to apply creative design concepts.

The single family, duplexes and executive villas range in square footage from 1,038 to 2,790 and range in price from the $70's to $180,000. All of the floor plans offer two bedrooms and two baths and several offer dens and Arizona rooms.

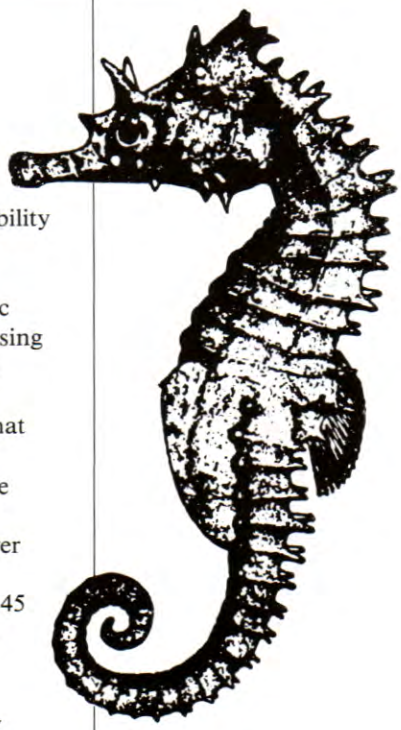

Above: The Cromwell living room is shown with a Southwestern look in the model.
Left: The 1,949 square foot Cromwell features two bedrooms, two baths, a den, Arizona room, covered patio and more.
Below: The 2,790 square foot Montera offers a lovely master suite featuring a fireplace in the model.

Splashdance

Is your weight restricting your ability to exercise? Do aching joints limit your movement, muscle toning and flexibility? Is aerobic dancing too difficult and confusing to you, but you like music and wish there were a program to answer your specific needs? What can you do to improve your physical condition, but still have fun while doing it? The Dance Fitness Club may have an answer to your dilemma.

Beginning February 2nd at 7:45 a.m., a water exercise program, conducted by a certified, experienced instructor, will be offered at Beardsley Pool, every Tuesday and Thursday morning. Designed around guidelines developed by the American College of Sports Medicine, the program is a low-impact, 45-minute aerobic workout that makes a great addition to the field of dance fitness and exercise, Splashdance begins with a 6 to 10 minute warm-up, a 20 to 30 minute aerobic segment (working at 60 percent to 75 percent of maximum training heart rate) and ending with a 5 to 10 minute cool-down period.

Done to a healthy, uplifting beat and using the simplicity of water resistance, more than a dozen carefully developed water motions provide a totally balanced upper body and lower body workout.

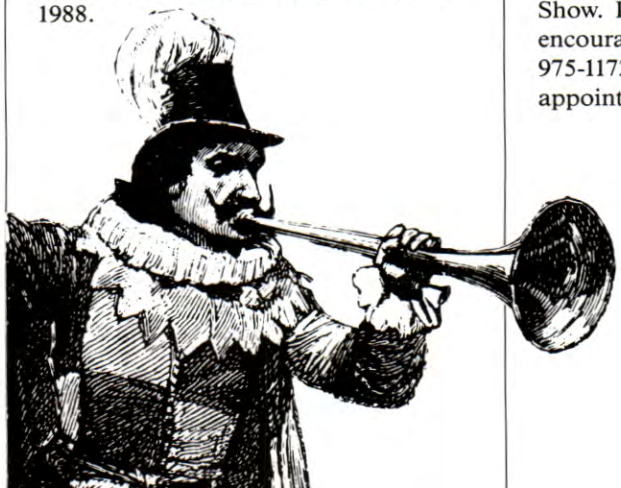

All the movements are done in the shallow end of the pool, so you don't need swimming skill. You can reach more advanced levels of fitness at your own speed by using simple techniques to increase the water resistance, and have fun while doing it.

Anyone beginning an exercise program is urged to consult with a physician before starting. For further details on registration procedures for this new program offered by the Dance Fitness Club, call 584-5400 or 584-3351.

Webb Retained As Rec Center Manager

Sun City West residents voted overwhelmingly to retain Del Webb to manage the Recreation Centers of Sun City West. Sixty nine percent of those eligible to vote in the election did so with a 99 percent voting in favor of Webb's continued management.

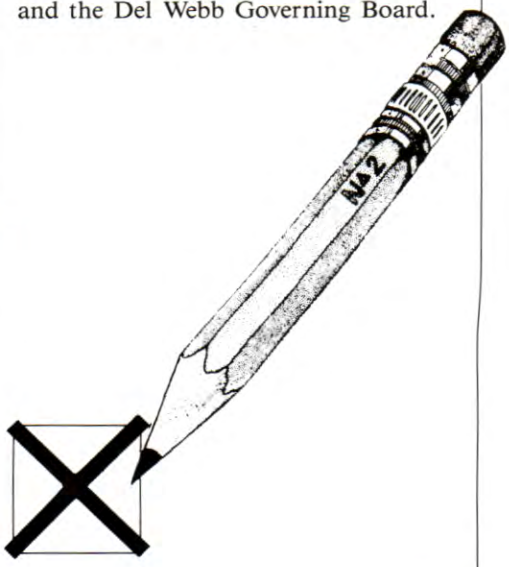

The vote was conducted in accordance with the Bylaws of the Recreation Centers of Sun City West, Inc. which calls for a resident vote every two years beginning December 1988.

Advisory Board Election Results

Four new Recreation Center Advisory Board members elected in December were installed in office at the January Board meeting. Thomas Cunninham, Keith Hook and Jack Greenstein will serve three-year terms and Thomas McIver was elected to a one-year term.

The four new members will join Jesse Hall, Virginia Ritson, Bill Bain, Margaret Harmsen and Allen Powell on the Board that serves as a link between Sun City West residents and the Del Webb Governing Board.

1989 Variety Show

Plans are underway for the 10th Annual Sun City West Variety Show. Interested performers are encouraged to call 584-7759 or 975-1172 for March audition appointments.

A Letter From The General Manager

Welcome Winter Visitors

March is typically a month when Sun City West enjoys a strong visitor influx. Our sunny skies and mid-70 temperatures coupled with the green golf courses and sapphire blue waters of our swimming pools can be difficult, if not impossible, to resist.

Our visitors and residents alike come from varying backgrounds, from all corners of the world. What is it that attracts so many people to this desert community?

Del Webb conducts a survey of new home buyers 90 days after they have taken key to their new home. We'd like to share some of the responses we've received in the last month to the question "Why did you decide to purchase a home in Sun City West rather than at some other adult community?":

- "Sun City West has everything. No need to look anywhere else. We particularly enjoy craft activities like woodworking, silversmithing and stained glass. We also enjoy the exercise room, bowling alley and swimming pool."
- "Reputation, excellent value for the price, unlimited recreation, beautiful, well-kept environment..."
- "Superior, proven organization; planning, architectural designing, use of quality materials only, evidencing leadership in adult community development to make the Del Webb purchase a sound investment."

If you're visiting our community for the first time we extend an extra special warm hello and welcome. To our repeat visitors and residents we say thanks for your continued support and participation in the lifestyle other communities can only dream of.

Your Recreation Centers Advisory Board's Q&A

Q On October 27, 1988, the residents voted to amend the Articles of Incorporation of the Recreation Centers of Sun City West, Inc. Where can a copy of the revised Articles of Incorporation be found?

A A copy of the Amended and Restated Articles of Incorporation is located in the R. H. Johnson Library. It is filed in a yellow three-ring binder on a shelf near the reference desk. The index to this binder outlines the eight Articles that were changed. In the main text, the old versions and new versions are shown in their entirety, side by side. As a refresher, the reason for amending the Articles was to clarify voting rights; i.e., they now specify that only owners of residential property in Sun City West have the right to vote on Recreation Centers matters.

For the information of residents, the same binder which contains the Amended and Restated Articles of Incorporation also contains a copy of the Amended and Restated Bylaws of the Association. The revisions to the Bylaws were necessary to ensure that they (Bylaws) remained compatible with the Articles of Incorporation.

Other important Recreation Centers documents that are on file in the Library include:

- Recreation Centers Budget for Fiscal Year 1989
- Year-End Independent Audit for FY 88
- Monthly Operating Results For Recreation Centers
- Record of Growth of Asset Replacement Fund and Golf Reserve Fund
- Chartered Club Rules and Regulations
- Minutes of Advisory Board Open Meetings
- Minutes of Joint Governing/ Advisory Board Meetings
- Guide to the Recreation Centers
- Question and Answer Columns printed in Phoenix Metro Magazine as part of the Activities Calendar Section
- Maricopa County No Smoking Ordinance

1988 Luminaria Festival Was A Great Success!

Thanks to the excellent cooperation of the residents and businesses in Sun City West, the Luminaria Festival was a great success again this last holiday season.

There were more luminarias than before, and this year a whole new dimension was added: large red bows on the palm trees lining R. H. Johnson Blvd. helped everyone catch the spirit.

Not only does the Luminaria Festival provide a beautiful festival of lights; not only does it help residents become better acquainted with their neighbors; not only does it help make the Sun Cities into a unified whole — but even more importantly, the Luminaria Festival is an effective money raiser for Sun City West.

More than $150,000 has been contributed in the last four years to the Community Services Building Fund. This year, as was announced on Jan. 31, the Luminaria Festival contributed a check in the amount of $50,000 to help build Phase III of the Community Services Center (the Adult Day Care Center).

National Security Briefing Team To Visit SCW

The Air University National Security Briefing Team will be in Sun City West on Mon., March 13 at 2:30 in the R. H. Johnson Recreation Center Social Hall. The team will explain the national security mission and goals of the U.S. Air Force to interested Sun City West residents.

The NSBT's objectives are to present defense issues and to accumulate public perceptions and concerns for possible incorporation into the military curricula at Air University.

The presentation will include a 35 minute slide presentation covering the Soviet military build-up, with emphasis on the past decade of Soviet progress, and a look at future U.S. and U.S.S.R. national security issues. A question and answer period will follow the presentation.

Swing Into Spring Tennis Tournament

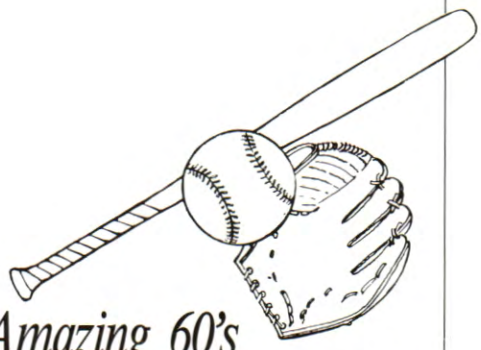

If softball isn't your racquet, perhaps tennis is. Del Webb's Swing Into Spring Seniors Tennis Tournament will be held at the R. H. Johnson Recreation Center tennis courts March 31-April 3. The tournament is designed for men and women age 50 and older.

Entries must be received by March 20 and can be obtained by calling Bill Williams, tournament director, at 584-1139 or by calling Ken Becker, tournament treasurer, at 546-0540.

The fourth annual Swing Into Spring tournament is sanctioned by the Phoenix District Tennis Association and the Southwest Tennis Association and is hosted by the Sun City West Racquet Association.

There is plenty of spectator room at the tennis courts to stop by and encourage your friends and community guests.

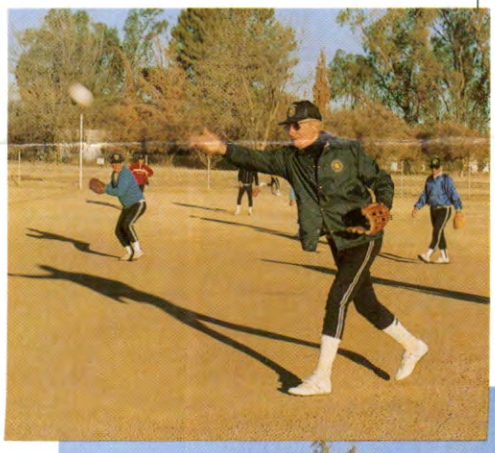

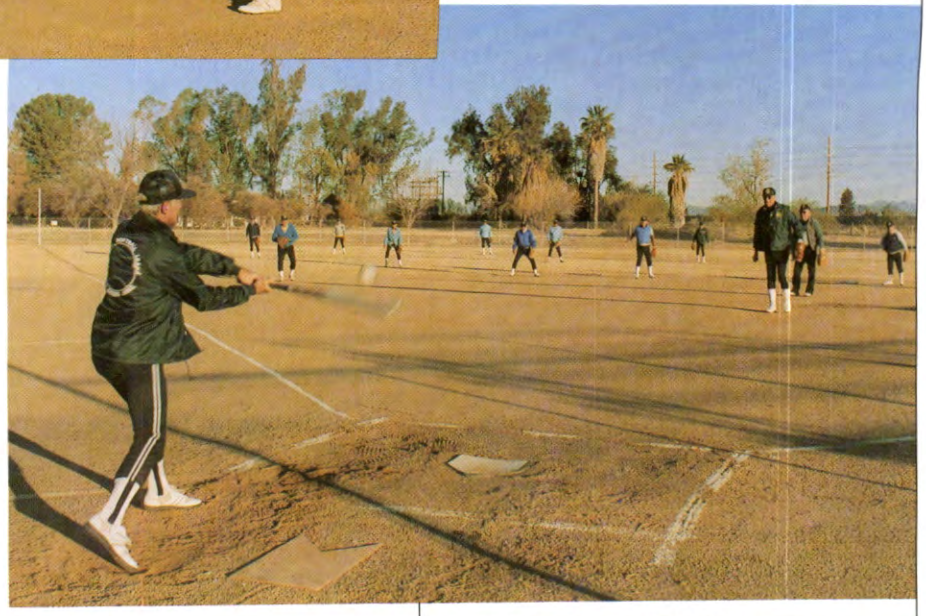

Amazing 60's Softball Tourney

Del Webb's Amazing 60's senior softball tournament will be played March 10-12 at the softball field on Grand Avenue north of Meeker. Twelve teams from across the Southwest, including the 1987 and 1986 tournament winners, will be running the bases in pursuit of the championship.

Some 350 people are expected to turn out from such places as Sacramento, Vista and San Diego, California; Houston, Texas; Albuquerque, New Mexico; and Lakewood, Colorado. Games will be played from 8 a.m. to 4 p.m. daily.

Stop by and cheer on the senior players as they prove the sport of softball only gets better with age and experience!

The Sun Cities Senior Softball League is an active group of gentlemen over the age of 60. Eat your heart out Orel Herschiser.

A Letter From The General Manager

A Salute To Volunteers

Every year I meet more and more Westers who have accepted the challenge to give something back to their community. These devoted, caring individuals came here to retire and live the good life, but they also know life doesn't always work that way. There are people in need of help, organizations in need of leaders and causes in need of support.

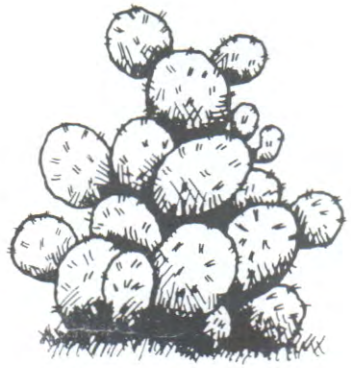

Our concerned volunteers forge ahead, in spite of the many hours of their time they must give up. In spite of the phone calls at odd hours requesting help. In spite of being paid nothing for their efforts and often being requested to donate money to their cause.

To all the courageous volunteers working to make this an even better community to live in, I offer my heartfelt salute and thanks.

Keep up the good work!

Your Recreation Centers Advisory Board's Q&A

Q Are there any written guidelines for the operation of a chartered club? If so, what important subjects do they discuss and where can they be found?

A "Club Rules, Regulations and Procedures," dated February 1, 1989, is the governing directive for chartered clubs. The pamphlet recently underwent a major revision and was initially distributed to club presidents at the semiannual Club Presidents Workshop in late February. Each club was provided with a copy of the document and a separate copy was placed at the R. H. Johnson Library for public review.

In terms of subject matter, the pamphlet is exceptionally thorough in its coverage of club-related topics. It identifies basic information about clubs, procedures to establish a club, membership and operating guidelines, financial concerns and requirements, sales policies and facility use fees.

This revision also clarifies many previously unaddressed topics. For example, the new "Rules" state that while all Recreation Centers facilities are available to all resident members, regular participation in a facility may be contingent upon membership in a chartered club. The document further amplifies this important position by stating that "the Recreation Centers have delegated full-time operating responsibility to (some) clubs in a conscious effort to provide low-cost programs in a structured and safe environment. In those facilities where participation is contingent upon club membership, the operating rationale is solely based on the need to protect both Recreation Centers and club-purchased investments, the essentiality of providing a safe and orderly working place, and the desire to establish a comprehensive leisure-time program."

Sun City West

Sun City West is the greatest by far,
it's fabulous as champagne and caviar,
a lifestyle that's incredibly unique,
fun and games seven days a week.

The Sun City West scenario is simply enjoy,
and makes no difference whatever your ploy,
sports, volunteering or dabbling in art,
Sun City West will keep you young at heart.

Sun City West courses are a golfer's delight,
the kind that are dreamed each night.
It becomes second nature to don spikes and a glove,
and play the course you've grown to love.

It's where welcome mats are always in view,
where beautiful people rendezvous;
Sun City West is the toast of the senior generation,
and a Utopia delightfully beyond my expectation.

Fred Kuentz Recreation Center Opens To Thousands

Sun City West's third recreation facility, the Fred Kuentz Recreation Center, officially opened Feb. 10. Thousands of Sun City Westers turned out for an afternoon of musical entertainment, theatrical productions, tours and more.

Residents enjoyed an afternoon of entertainment as the Kuentz Center officially opened its doors.

Bill Woodyard (Recreation Centers), Paul Tatz (Del Webb), Jack O'Connor (Recreation Centers), Fred Kuentz, Chuck Roach (Del Webb), Virginia Ritson (Recreation Centers) and Ken Parker (Del Webb) are flanked by members of the Rhythm Tappers who assisted in the ribbon-cutting fun.

Faye Fiorelli and Jack O'Connor (former Recreation Center Advisory Board members) were heavily involved in the planning of the Kuentz Recreation Center. They are joined at the celebration by Ken Parker, (right) Recreation Center Governing Board president.

Westernaires 9th Annual Spring Concert

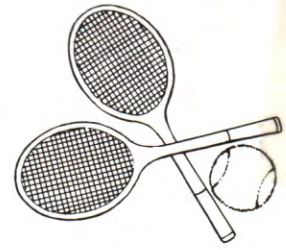

The Westernaires, the 65-member Sun City West choral group, will present their Ninth Annual Spring Concert on Sunday, April 16th at 3 p.m. and 7 p.m. at the Shepherd Of The Hills United Methodist Church, 13658 Meeker Blvd., Sun City West.

The theme of the concert is "Love In Bloom" and will feature works by Lerner and Lowe, Cole Porter, Ira Gershwin, Hoagy Carmichael and others. Residents, guests and friends are invited to hear and enjoy this excellent choral group, directed by John Dorch and accompanied by Betty Jane Johnson.

A $3 donation is requested. Tickets will be available from chorus members and at the door.

For further information contact Lou Vorderbrueggen, concert general chairman, at 584-2419.

Swing Into Spring

Don't forget to stop by the tennis courts at the R. H. Johnson Recreation Center March 31-April 3 and support your favorite tennis player. Del Webb's Swing Into Spring Tennis Tournament has attracted players age 50 and older from across the Southwest.

The tournament is hosted by the Sun City West Racquet Association with Sun City Wester Bill Williams serving as tournament director.

Members of "The Odd Couple" cast are caught in the act at a recent rehearsal. From left: Mike Tarr, Herb Rinkoff, Harold Applin, George Edlin, Bill Goldfarb and Art Singer.

Theatre West Presents "The Odd Couple"

Rehearsals are underway at the Stardust Theatre for Neil Simon's "The Odd Couple" starring Mike Tarr and George Edlin as Oscar and Felix. Theatre West's premier production, directed by Mitz Perlman, will be performed on Friday and Saturday, April 14 and 15 at 7:30 p.m. and Sunday, April 16 at 2 p.m. Tickets are $5.00 and are available at the Stardust Theatre's box office Monday through Friday 10 a.m.-noon or by calling Jeanne Tarr at 584-7025.

Oscar, played by Mike Tarr, introduces the Pidgeon Sisters, Jan Ryder and Anne Games, to Felix, played by George Edlin.

The Sparky Thurman Band recently performed at the Fred Kuentz Recreation Center Grand Opening celebration.

Concert In The Park

The Sparky Thurman Band will perform an outdoor concert at Beardsley Park on April 11 at 7 p.m.

This musical group was so well received at the Fred Kuentz Recreation Center grand opening they're coming back for an encore performance. Some of the group's members played professionally with well-known big bands. And the Sparky Thurman Band performed for years at The Arizona Biltmore's Gold Room.

The outdoor concert is sponsored by Del Webb and is free to the public. Concert-goers should bring their own seating.

Welcome Newcomers

These folks recently received their official introduction to Sun City West at the monthly Newcomers Coffee, co-sponsored by Del Webb and the Recreation Centers. Please extend an extra friendly hello to them,

May Concert In The Park

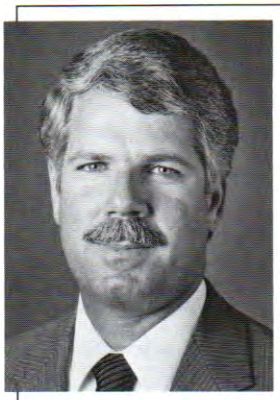

The highly entertaining Cowboy Fiddle Band of Mesa will present a concert under the stars at Beardsley Park on May 16 at 7 p.m. The Cowboy Fiddle Band presents one of the hottest, slickest and funniest stage shows this side of the Rockies.

A two-time winner of the Wickenburg Four-Corners country band championships and member of the Arizona Art Commission tour roster, this unique western ensemble does smooth vocal renditions of western and country favorites accompanied by sweet fiddle harmony for state champion fiddlers who put on an old-time fiddling exhibition that can't be beat. Comedy songs and skits will round out the evening.

The Del Webb-sponsored evening is free and open to the public. Concert-goers should bring their own seating.

May Activities Calendar

I'd like to thank all of you who have extended such warm compliments regarding our new Fred Kuentz Recreation Center. The facility, our third in Sun City West, has been open for nearly two months and continues to receive new activity seekers.

Fred Kuentz was delighted to see so many of his Sun City West friends turn out at the grand opening festivities. It was like old home week for him. I know he was most appreciative for the many kind words extended to him and his family on his day of honor.

Most of the center's facilities are in use with a variety of art and craft rooms, women's social club and an outdoor pool. You can see some of the people enjoying the swimming pool depicted elsewhere in this calendar.

One of the focal points of the center, the Stardust Theatre, has been playing to maximum crowds and enjoyed its gala grand opening in March. This beautiful performing arts center is being used by a number of community groups for a variety of events.

The softball field is being sodded this month and will be ready for play this fall. We hope you'll enjoy playing in or watching the games that will be hosted at this superb facility next season.

If you've not had a chance to see the new Fred Kuentz Center, please drop by any day to enjoy Sun City West's latest amenities addition. The center is located on the corner of R. H. Johnson and Stardust boulevards.

Your Recreation Centers Advisory Board's Q&A

Q Do the various Clubs have exclusive rights to the space they occupy in Recreation Centers facilities and how is facility space allocated?

A Your Advisory Board recognizes that the majority of Club members take great pride and work very hard to make their respective Clubs successful and therefore covet the space allocated for their use. However, no Club or other entity have a proprietary right to such space. Recreation Centers facilities belong to the Association, that is to say all resident members are assured equal access and use of all facilities by the Master Agreement between Webb and the Association.

Prior to the building of the Beardsley Park and Fred P. Kuentz Centers, a committee was established by your Advisory Board which was comprised of members of the Board and Club members. This committee was dedicated to providing Webb with the desires of the membership as to the kind of facilities deemed appropriate and the allocation of space that served the best interest of the community.

As the population of Sun City West increases, so do the needs of the membership. Changing needs must be addressed. In order to satisfy the needs of all members, it follows that maximum utilization of space must be achieved. This may mean sharing, rescheduling or whatever it takes to assure equity for all members. It goes without saying that every effort will be made to preserve the space presently allocated and there are no present plans to effect any changes.

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes. Please send your questions to:

Portrait of American Mothers and Daughters

A collection of black and white photographs titled "A Portrait of American Mothers and Daughters" will be displayed in the Gladys Jensen Wing of the Sun Cities Art Museum May 2-June 1.

For the past 10 years, photographer Raisa Fastman has been capturing mothers and daughters in their changing roles; attempting to show on film the intensities and subtleties created by an emotional and physical bond, and by the inherent struggle for separation.

In Fastman's own words, "Taken together, the images in my collection tell a story about that which passes between mothers and daughters. The intensity of feelings reveals itself in a posture, sidelong glance, an article of clothing, or a twist of the head. Here, too, is the knowledge that our lives are revealed through the lives of others, those who made us and those will come from us."

Raisa Fastman holds a master's in photography and has taught, lectured and given numerous workshops on photography. Her photographs have appeared widely in magazine, newspapers and books.

The Sun Cities Art Museum is located north of Bell Road midway between Sun City and Sun City West. Admission is free. The Museum is open Tuesday through Saturday from 10 a.m. to 4 p.m. and on Sunday from 1 p.m. to 4 p.m.

Laughter Is The Best Medicine

The Joke Telling Club of Sun City West will meet Thursday afternoon May 25 at 1:15 p.m. at the Western Savings Bank on R. H. Johnson Blvd. One can either listen or join in and tell some jokes.

Club organizer Milt Gross believes it's good for everyone to laugh. "I enjoy laughing and think it's healthy to do so," he said. "We're just getting this club off the ground but hope to share our laughter with some of the businesses and organizations in the area as soon as we get organized."

The Joke Telling Club is the second such club to be formed in Sun City West. The Laugh In Club has been in existence for several years. It just goes to show that life in Sun City West is an awful lot of fun.

Memorial Day Observance

In observance of Memorial Day the Del Webb and Recreation Center administrative offices will be closed on Monday, May 29th. The Model Home Pavilion will be open its regular hours, 8 a.m. to 5 p.m.

We wish you all a safe and happy holiday weekend.

Symphony Season Lineup

The Sun Cities Symphony has announced its exciting lineup for the 1989-90 season and ticket sales are underway.

The first concert of the season will be on Oct. 22 and will feature a remarkable 17-year-old violin prodigy, Corey Cerovsek. Born in Vancouver, Cerovsek has performed with Yehudi Menuhin and Issac Stern, has appeared several times on the "Tonight Show" and has made already his first recordings. Critics have been exceptionally generous with their praises, hailing his performances as consistently "thrilling," and possessing "pure enchantment."

Other concerts slated for the season include the talented duos, Mimi Lerner, dramatic mezzo soprano and Jerry Hadley, lyric tenor; the Symphonic Chorus under the discerning baton of Russell Hammar will perform Beethoven's major "Choral Fantasy," and highly regarded piano artist Alicia De Larrocha will appear with the Sun Cities Symphony Orchestra.

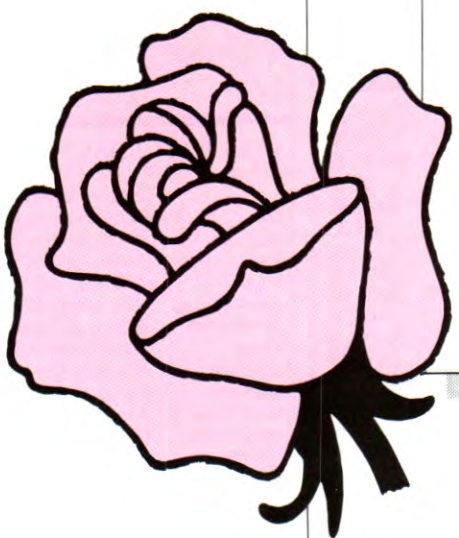

This 22nd series of the orchestra is the second under the direction of James Yestadt, who came here from Louisiana after a notable career as music director/conductor.

Season seats for the five concerts range in price from $22 to $44, representing a savings of as much as 33 percent from the single ticket price.

Del Webb's Sun City West model homes illuminated against a beautiful Arizona sunset capture the warmth of the active adult community. No wonder Arizona State University ranked Sun City West the leader in home appreciation values in the Phoenix metropolitan area. See Chuck Roach's column on page two for further details.

A Letter From The General Manager

Sun City West Appreciation High

The Arizona State University Center for Business Research recently released a report showing Sun City West as the leader in home appreciation values once again. This is the eighth straight year Sun City West has enjoyed that number one status.

Sun City West homes realized a 6.8 percent appreciation in 1988 while the Phoenix metropolitan area showed a 1.8 percent increase. In second position was downtown and south central Phoenix with a 3.9 appreciation rate. These numbers validate what we here at Del Webb have known all along: Sun City West is a superior place to live.

One of the contributing factors to that healthy appreciation is that you own all recreational amenities. You own the four golf courses and three recreation centers operated by the Recreation Centers of Sun City West, Inc.

This situation is unlike that of many other adult communities. We build our amenities up-front and turn them over to you free of any debt.

These recreational offerings coupled with our low crime rate, clean community, volunteer and social opportunities and resident enthusiasm make Sun City West the best place in America to live.

Chuck

Charles T. Roach
Executive Vice President
General Manager, Sun City West

Your Recreation Centers Advisory Board's Q&A

Q. Who owns the Recreation Centers?

A. The Recreation Centers facilities are owned by the Recreation Centers of Sun City West, Inc. and the homeowners in this community own the Recreation Centers of Sun City West, Inc. When the developer (Webb) completes a facility, title to that facility is transferred free and clear to the Recreation Centers of Sun City West, Inc. It is important that the residents understand this point in that it is not the practice of most developers to transfer ownership of the recreation center facilities to the residents during the period of construction. For example, ownership of the recreation center facilities at Arrowhead Ranch, Sun Lakes and Westbrook Village as well as most of the others in the Valley is vested not with the homeowners but with the developers. In most instances, there is some vague understanding that when the developer completes the project, ownership of the recreation facilities will be transferred to the homeowners under conditions to be defined later. Recently, one of the golf courses of a neighboring recreation center was sold to a Japanese investment firm without the concurrence of the residents. Also, a recent article in a local newspaper stated that land occupied by the tennis courts of a Valley development was sold by the developer for the purpose of building a shopping center. Such will not be the case when Webb completes the development in Sun City West. The titles to all of the completed Recreation Centers' facilities have already been transferred to the homeowners.

The Recreation Centers have an array of assets that includes three recreation centers, a sports pavilion which has a 24-lane bowling facility, three swimming pools, a variety of craft rooms, a library containing in excess of 30,000 volumes, and four (soon to be five) golf courses.

When the title to the final golf course, the Trail Ridge Golf Course, is transferred to the Recreation Centers, the assets of the Centers will exceed 40 million dollars.

The answer to this question was extracted from the address before the Open Forum on March 28, 1989, by Mr. William T. Woodyard, general manager of the Recreation Centers of Sun City West, Inc.

People/Lifestyle Photos Wanted

Good photography submissions are now being accepted for this publication. If your club wants to promote an upcoming event or recap the success of an event we'd love to have your photographs to use in this activities calendar.

Photo criteria include sharp focus, color preferred, "people pictures" with identifiable faces. These photos should "scream" excitement! Use your creativity to stage a photo promoting a future get together or presentation. We want happy people involved in fun activities.

All photos should include a written description and a return address attached to the photo.

We can't pay for these submissions but we'll gladly give photo credit.

Please note that this calendar is produced with a two-month lead time. For example, all stories and photos to appear in the September calendar must be submitted by July 1.

Photos can be mailed directly to:

Martha Moyer
Del Webb Corporation
P.O. Box 29040
Phoenix, AZ 85038

They also can be dropped off at the Del Webb Administration building in Sun City West, 13950 Meeker Blvd. Just be sure they are marked to the attention of Martha Moyer.

June Concert Goes Hawaiian

Hanau O'Hawaii, a dance and musical group featuring the culture and heritage of the Hawaiian islands, will take the stage at Beardsley Park on June 13 at 7 p.m.

Hanau O'Hawaii, meaning "born of Hawaii," has been seen on the Jerry Lewis Telethon and has entertained in Las Vegas on numerous occasions. Their performance will include not only Hawaiian songs but authentic dance routines conveying the message of Polynesia. Their costumes are rich with tradition and color.

The concert is free and open to the public. Concert-goers should bring their own seating.

Welcome to the community! The Newcomers Coffee will be taking a summer hiatus but will return in October. Watch the Activities Calendar for future information.

A Letter From The General Manager

Sun City West Dominates Phoenix Market

Sun City West continues to maintain its dominant position in the Phoenix-area active adult marketplace. In fact, our share has increased even more over the last year!

Our marketing department keeps track of the number of building permits issued to adult communities in the metropolitan area. Sun City West was issued more than 52 percent of those permits, up from 46 percent one year ago. The remaining 48 percent was divided among at least six developments.

What does this all mean? You're living in the best-selling active adult community in America. A place where the largest single level theater in the country is in your own backyard. A place with extensive recreational amenities that are wholly owned by the residents. A place where residents take a sense of pride and contribute to their community in the form of relentless volunteerism.

All this, coupled with the highest home appreciation value in Maricopa County for eight consecutive years; no wonder Sun City West enjoys such a commanding lead in the industry.

Charles T. Roach
Executive Vice President
General Manager, Sun City West

Your Recreation Centers Advisory Board's Q&A

Q. Please explain the organizational structure of the Recreation Centers.

A. Beginning at the top, the corporate charter is vested with the Governing Board. Comprised of three senior managers from the Del Webb Corporation, the Governing Board oversees the total operation of the Recreation Centers. The General Manager of the Recreation Centers is hired by the Governing Board to manage the overall operation during the period of developer control. With the sanction of the Governing Board, the General Manager has full decision-making powers over the day-to-day operation.

The nine-member elected Advisory Board sets policy and makes recommendations to management and the Governing Board on the affairs of the Recreation Centers. Over the years, the authority of the Advisory Board has been greatly enhanced and now includes a decision-making capability on some operational aspects. When Webb completes the building of Sun City West, the Advisory Board will become a Board of Directors who will then have full authority for managing and directing the Recreation Centers. In this context, the General Manager would report directly to the Board of Directors.

Under the direction of the General Manager, the Recreation Centers facilities are staffed by nearly 225 employees. Their function is to operate and maintain the three divisions.

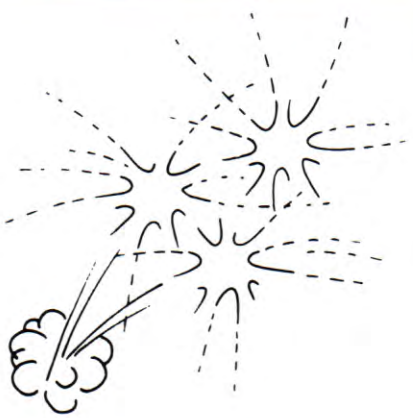

The divisions include bowling, golf and the recreation centers. The Bowling Division includes the bowling lanes and the coffee shop; the Golf Division includes the four golf courses, the pro shops and the snack bars; and the Recreation Centers Division includes everything else.

Financially, these divisions act independently of each other and are intended to eventually reach self-sufficiency. The related fee structure is set to achieve that goal. In this regard, the revenues of the Bowling Division include bowling lineage and coffee shop sales income. The revenues of the Golf Division include prepaid membership fees, green fees, pro shop and snack shop resale income and other miscellaneous fees. The revenues for the Recreation Centers Division are derived entirely from the annual membership fee. In the latter fee, $8 per member per year is allocated to the Asset Replacement Fund. Golf does not support bowling, bowling does not support golf, and neither golf nor bowling support the Recreation Centers.

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes. Please send your questions to:

Hillcrest Summer Rates

The outstanding championship Hillcrest Golf Club is offering summer specials that are sure to entice golfers of all skill levels.

Sun City West residents with their own golf carts may play 18 holes for just $13.75. That's a savings of nearly $4 off the resident winter rate.

The course, owned and operated by Del Webb Corp., is the only Sun Cities golf course open to the public. And super summer rates are available to outside play, as well.

Before noon, golfers can play 18 holes for just $25, including cart. This represents a savings of $20 off the winter rates. The Hillcrest afternoon special means extra savings. Play 18 holes for $20, including cart and receive a free hot dog and soda.

Cool Off In Sun City West

A Letter From The General Manager

SCW Sheriff's Posse Celebrates 10th Anniversary

The Sun City West Sheriff's Posse recently celebrated its 10th anniversary in the community. This fine organization deserves the heartfelt thanks and support from all of us, those who call this community "home," and those of us who enjoy our work hours here.

It is the unselfish effort of this 200-plus member group that helps keep our crime rate the lowest in the country, that allows our residents to stroll leisurely through the community even after the sun sets, and gives our traveling residents peace of mind knowing their homes are being watched.

The posse has come a long way since its inception in 1979. The original 12-member group worked out of a neighborhood garage and used their personal vehicles as patrol cars.

They are now headquartered in a new building on land donated by Del Webb. Their membership has increased to over 200 and they have eight fully equipped patrol cars. Sun City West will receive well over 60,000 hours of volunteer service this year.

Our company has always supported the posse, and we encourage the residents to do so as well.

Charles T. Roach
Executive Vice President
General Manager, Sun City West

Your Recreation Centers Advisory Board's Q&A

Q. How are the Recreation Centers Funded?

A. Simply stated, bowlers pay to bowl, golfers pay to golf and everything else is paid for by the annual membership fee. Since Del Webb Corporation builds our facilities well ahead of population need (as a marketing tool in selling homes), there are times when resident income is insufficient to offset operating expenses. These financial "valleys" are known well ahead of time, and the dollar subsidies necessary to ensure a breakeven operating posture are budgeted and funded by Webb.

In terms of facility costs, there is no debt service incurred by the membership. As soon as the Recreation Centers and golf courses are completed, Webb transfers ownership to the Association via free and clear warranty deeds.

Major repair and maintenance of facilities in the future, as well as major capital replacement/improvement items, are to be financially supported from funds currently being accrued through the interest-generating Asset Replacement Fund and Golf Reserve Fund. Both the Asset Replacement Fund and Golf Reserve Fund have restricted use and cannot be tapped until Del Webb Corporation leaves the community. The Asset Replacement Fund is currently supported by annual deposits of $8 per annual membership fee, plus a $2 per resident stipend from Webb. The Golf Reserve Fund currently receives a surcharge of $1 per 18 hole round of golf played, and $.50 per 9 hole round.

The operating divisions known as the R. H. Johnson Recreation Center, Beardsley Park Recreation Center, Bowling Center and our four operating golf courses (Pebblebrook, Stardust, Grandview and Echo Mesa) have all reached financial self-sufficiency. However, the 1989 additions of the Trail Ridge Golf Course and the Kuentz Recreation Center will cause their respective divisions to operate in a deficit posture for the next few years. During that time, Del Webb Corporation will subsidize the allowable operating costs. Both Trail Ridge and the Kuentz Center are expected to breakeven in the 1992-93 timeframe when the population of Sun City West is projected to reach 21,500.

1989 Sun City West Bocce Club Tournament

The Sun City West Bocce Club staged their annual tournament from April 11 through April 13. Ninety-six of approximately 600 club members, representing 24 of the club's 38 leagues, participated. The tournament championship was won by a foursome of Ellen and Fletcher Harvey, Ruth Hart and Homer Stoeltzing (pictured) along with the Club President, Ken Stewart and the Tournament Chairman, Bucky McPeak. The winners represented the Freedom League.

Tops In Blue Revue

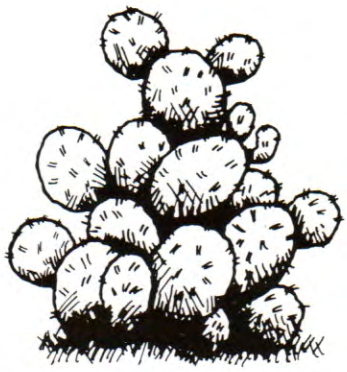

The U.S. Air Force "Tops In Blue" will return to the Sundome in Sun City West on Sept. 4. This world renowned top entertainment touring group will take the stage at 5 p.m.

"Tops In Blue" is a production from beginning to end. The all-Air Force cast offers a total execution of art, music, special effects and choreography in this musical extravaganza.

Each year, in a worldwide competition, the Air Force picks its finest talent. Over 6,000 contestants compete for finalist positions.

The event is free but admission is by ticket only. The Sundome will begin ticket distribution on Aug. 7.

The performance is co-sponsored by Del Webb Corporation and Arizona State University/Sundome.

Indoor Hobbies Abound In Sun City West

The Metal Shop is a new addition to the community. William Peloza moved here from Wisconsin last fall.

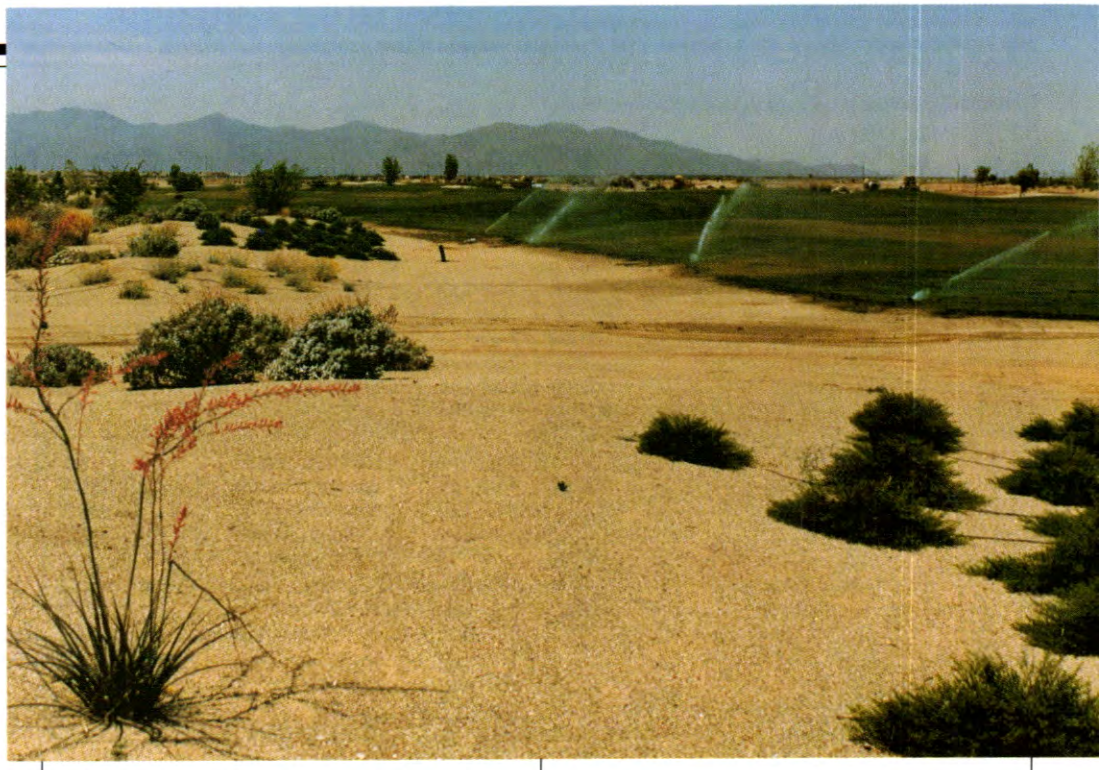

Owen Bagaus enjoys leather carving. He moved here 2½ years ago from California.

Basketry is a popular activity at the Kuentz Recreation Center. From left — Irene Ehler moved from Colorado in 1975, Mildred Daan left California three years ago, and Sylvia Kula has been a Sun City Wester since she left Indiana four years ago.

Trail Ridge Golf Course

Trail Ridge Golf Course, Sun City West's seventh, will open for play in November. It is the fifth golf course operated by the Recreation Centers of Sun City West, Inc.

Pennsylvania Club

The Pennsylvania Club of Sun City West recently enjoyed a steak fry at Beardsley Park. The next activity will be another such event on Oct. 11.

Westerners Square Dance Club

The Sun City West Square Dance Club welcomes residents to the wonderful world of square dancing. The new season will start on Monday, Oct. 2nd at the R. H. Johnson Social Hall and will include a beginners' class, as well as more advanced levels. Sign up for the beginners' class any Monday or Thursday at the Social Hall in September. Square Dancing is a good and easy exercise and provides opportunities to meet new friends. For more information, come on by.

Relaxing in Sun City West's Inviting and Refreshing Pools

A favorite activity of many residents and guests

A Letter From The General Manager

Del Webb A Major Sponsor Of Community Events

During September, Del Webb is pleased to sponsor the Sun City West appearance of Tops in Blue, the Air Force's world-renowned entertainment touring group. Their performance at the Sundome has always drawn an appreciative Sun Cities audience.

Later this month and again in October, we'll host an outdoor concert under the stars at Beardlsey Park. Well over a thousand residents attend these concerts on a regular basis, making new friends and listening to a variety of musical stylings.

Coming in November is our Great Sun City West Garage Sale which will benefit the Make-A-Wish Foundation for the third year. This is a great event, particularly for newcomers who brought too many treasures in the move. With more than 650 Sun Cities residents selling their "garage sale items," this event historically attracts 20,000 shoppers from every corner of the Valley.

On Thanksgiving Day, Del Webb will once again serve as a major sponsor of the interdenominational service at the Sundome. This occasion unites the various religious affiliations around the Sun Cities for one celebration of thanks.

Rounding out the balance of the year, Del Webb is pleased to be a sponsor of the Residents' Variety Show and the Monte Carlo Carnival. Both events benefit very worthwhile Sun Cities organizations while providing great entertainment for residents and their guests.

As you can see, Del Webb enjoys an active role in the community... a role that continues well beyond the closing of escrow on your home.

Your Recreation Centers Advisory Board's Q&A

Q. Are there any provisions for refunds within Recreation Centers rules and regulations? Also, where refunds are not permitted, what is the rationale for such a policy?

A. In golf and bowling resale shops, refunds are authorized when defects in material composition and/or workmanship are obvious, or are otherwise validated by manufacturer's representatives. In daily fee activities, refunds are not granted since it is assumed that some form of participation has been engaged following payment of fee.

While the Village Store engages in resale activities, it does so only as a "middleman" for the resident craftsperson who sells wares through this medium. The individual artist (and/or sponsoring club) receives 90 percent of the sale money and the Recreation Centers receives 10 percent to compensate for employee salaries and related Village Store expenses. For these reasons, any refunds for Village Store items must be independently negotiated between the buyer and the artist.

In terms of annual memberships, refunds are only authorized in case of member death, the sale of a home or the deletion of a member from a household. In the case of member death, a death certificate is required to validate the amount of the pro rata refund. In the sale of a home, membership cards must be returned to the Recreation Centers Office, at which time the pro rata refund amount is computed. In the deletion of a member from a household, a letter of explanation is required in order that a pro rata refund date can be established.

Annual prepaid golf greens fees are not refundable unless member death occurs. In such cases, procedures described above are applicable in determining the pro rata refund date. Refunds are not authorized for any other reason because any use of the prepaid card provides a very inexpensive way to play golf and, subsequently, a "pro rata" computation cannot be equitably determined. For example, an individual who has had a prepaid greens fee card for 3 months may easily have played 60 rounds of golf and therefore already derived a significant financial benefit from his investment. While this individual may not have played as much as someone who plays the full 12 months, he nevertheless has derived a definite benefit. From a slightly different perspective, the golf maintenance program is set up to provide 12 months worth of playing turf — an operating condition which necessarily relies on a revolving 12 month income base. Any weakening of the income base (through pro rata refunds) would require a corresponding increase in golf course greens fees to ensure that operating expenses are properly subsidized. While the refund policy is rigid, management remains somewhat flexible in reviewing emergency or unique situations on a case-by-case basis. Any refunds authorized under such "waiver" conditions must be fully justified, consistent with previous reviews, and approved by the General manager.

Del Webb and Sundome Sponsor Tops in Blue

Del Webb Corporation and the Sundome Center for the Performing Arts are pleased to sponsor the appearance of the Air Force entertainment group "Tops in Blue." Their stage show extravaganza will take place Sept. 4th at 5 p.m. at the Sundome in Sun City West.

Their appearance is free but tickets are required for admission. Complimentary tickets are being distributed at the Sundome box office in Sun City West and at all Dillard's box offices. Dillard's does charge a 65 cents service fee.

Each of the members of the "Tops in Blue" crew was hand picked from hundreds of hopefuls who competed in an international talent contest. This troupe of active duty military members performs annually to audiences at more than 200 Air Force bases and supporting communities worldwide.

Bat Women In SCW?

For some time, the men in the community have enjoyed regular softball games. Now, the women are stepping up to bat.

Sun City Westers Norma Salsman and Lois Simpler would like to organize a women's softball team to play at the new field in Sun City West.

A preliminary meeting will be arranged to determine the level of interest and then a practice schedule will be established. Interested? Give them a call.

Lois: 584-6507.

Del E. Webb Memorial Hospital Golf Benefit

Briarwood Country Club will host the 1989 Del E. Webb Memorial Hospital Golf Benefit on Sept. 27. The theme of the day is... "to provide better health care for all through golf."

The day includes both morning and afternoon shotguns, continental breakfast and lunch, a five star awards dinner, spectacular prize for a hole-in-one, closest to the pin awards for men and women, 56 prizes to the top 14 teams, plus much more.

The entry fee is $175 and player application forms are available at Briarwood and at the Tournament office in the Annex A building behind the Del E. Webb Memorial Hospital. Phone 930-4220 for further information.

Winners Of State-Wide Dance Competition

The Rhythm Tappers of Sun City West are shown as they appeared at a statewide dance competition at the Pointe at Squaw Peak on June 25. The competition started at 8 a.m. and ended at 4 p.m.

They won a trophy for first place in their category against stiff competition and a cash award for first place overall points, facing competition of all ages.

From the call to "Attention," by Bob Shumway, shown center, to the dazzling costumes designed by Fran Martin, to the very end of the routine, they performed with precision, style and professionalism.

Angels Alight In Sun City West

"The Angels," performing many great Andrew Sisters songs, will take the stage at Beardsley Park on Tuesday, Sept. 19 at 7:30 p.m.

This is a group of three very talented young ladies, each with an outstanding musical background. The group leader, Heather Carrozza, began singing professionally at age 7 by way of the musical theater. Later, Heather performed as a soloist with big-band orchestras.

The Angels are backed by the Johnny Michaels Orchestra and perform such tunes as the "Boogie Woogie Bugle Boy From Company B," "Don't Sit Under The Apple Tree," "I'll Be With You In Apple Blossom Time," among other Andrew Sisters' tunes.

The evening is sponsored by Del Webb Corporation. Concert-goers should bring their own seating.

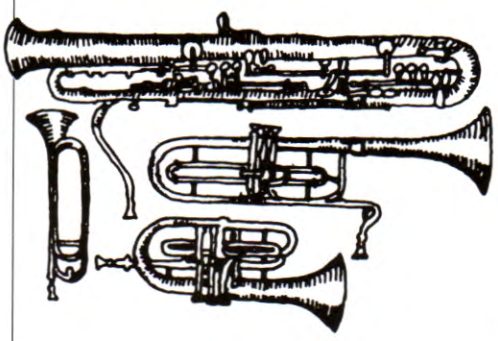

Thousands of shoppers crowd last year's Great Sun City West Garage Sale.

Great Sun City West Garage Sale

Watch the local newspapers during mid-month for your Great Sun City West Garage Sale entry form. Once again this great sale will benefit the Make-A-Wish Foundation, working to grant the wishes of terminally ill children.

While participation in the sale is free, a voluntary contribution payable to Make-A-Wish Foundation is requested with your entry submission. In the last two years, this sale has raised roughly $10,000 for this very worthwhile organization.

The sale will be held once again in the R. H. Johnson Recreation Center parking lot on Saturday, Nov. 11 from 8 a.m. until 2 p.m. Only Sun City and Sun City West residents may sell but buying is open to the general public. The event is sponsored by Del Webb Corporation.

Sun City West Variety Show

Mark your calendars — the 10th Annual Sun City West Variety Show, "Ticket to Broadway," is set for Nov. 30 and Dec. 1 at the Sundome.

All proceeds from "Ticket to Broadway" will go to the Sun Health Foundation for the benefit of the Del E. Webb Memorial Hospital. Starting Oct. 23, the $4 general admission tickets will be available 9 a.m. to 4 p.m., Monday through Friday, at the Sundome box office and at the Sun Health Foundation office, Boswell Support Services Building, Sun City.

Major sponsors of this year's show are Del Webb Corporation and Valley National Bank. Special appreciation is given to ASU/Sundome and the Sundome Performing Arts Association for the use of the facility.

SUN CITIES ART MUSEUM

★ September Special Events ★

September 10-October 8

The Sun Cities Art Museum will open its 1989-90 season with an exhibition of "Botanical Sculptures" by Joe Tyler of Waddell.

A nurseryman – turned artist – Tyler designs and executes welded steel sculptures derived from plant and tree forms. His experience with horticulture, nursery work and landscape architecture has given him a rare sensitivity of play life forms.

September 19-October 15

Sun City resident Dr. Robert Gilson, a self-taught artist, will display his watercolor paintings. Painting since 1977, Dr. Gilson has won statewide awards for his creative abilities.

September 26-October 22

Sun City resident Gloria Gemmill will display her watercolors capturing the spirit of the Southwest. A Prescott, Arizona native, Gemmill learned the legends of the Indians during family hikes and studied the ancient ruins and artifacts of these early people. Now these have become the subjects of many of her paintings.

The Sun Cities Art Museum is located at 17425 N. 115th Ave., midway between Sun City and Sun City West on the north side of the road. The Museum is open from 10 a.m. to 4 p.m. Tuesday through Saturday and from 1 p.m. to 4 p.m. on Sunday. It is closed on Mondays and holidays.

Monte Carlo Carnival 1989

The Monte Carlo Carnival, a major fund-raiser for the SCW Community Services Building, is back again with new faces, new events and a wide array of spectacular prizes. Mark your calendars and don't miss out on the "fun and games" planned for the period October 28th through November 10th, 1989.

The events, which are designed to offer people of differing interests an opportunity to donate to this very worthy cause while participating in the activity of their choice are:

October 28th and 29th: Bowling Tournament at Johnson Lanes. Singles, doubles and team events. A $22 entry fee includes a $5 donation to the Community Services Building fund. Entry blanks are available at Johnson Lanes.

November 2nd and 3rd: Monte Carlo team scramble gold tournaments at Echo Mesa, Pebblebrook and Briarwood golf courses. Men's and women's teams from all local clubs will compete for championship of their respective division. (Each Golf Association will hold their own qualifying tournament prior to these dates.)

November 7th: Theater West production at the Stardust Theater, "The Monte Carlo Review." Two performances; 6:30 p.m. and 8 p.m. Tickets at $3 each may be purchased at the Theater West Box Office, the SCW Foundation Office, and from Monte Carlo sales tables at Safeway and Walgreens.

Left: The Monte Carlo Carnival is chaired this year by Danni Sweetwood. Congratualtions on a fine job, Danni!

These Monte Carlo volunteers appear to be sneaking in a few practice hands before the big event. From left: George Warnken, Marjorie Peterson and Art Bear.

November 10th: Monte Carlo Day at the Sundome — 1-6:30 p.m.

- Continuous Courtyard Entertainment
  Play Money Casino Games: Blackjack, roulette, showdown poker, craps, money wheel, horse-racing and slot machines. A special 7 card stud poker tournament is planned for 4-6 p.m.
- Food and Beverage Service
- Special offers and prize drawings by local merchants

A multitude of door prizes including several two night stays in Laughlin and Las Vegas, free dinners, gift certificates, etc. will be awarded every half-hour between 2-6 p.m.

Bill Fraley's orchestra will entertain from 6-7 p.m. Drawings for major prizes will commence at 7 p.m. and last no longer than one hour.

Major prizes include:

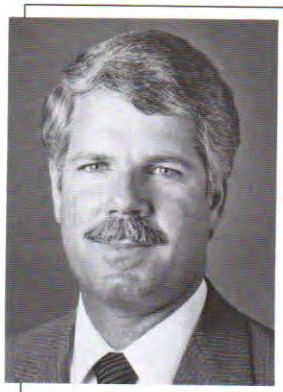

- A 1990 Buick Skylark
- Two weeks in Hawaii with Air Transportation
- London Theater Package — 5 Days/4 Nights plus Airfare and many extras
- *AND MANY MANY MORE MAJOR PRIZES!*

Winners of major prizes need not be present to win. However, there will be special awards reserved for those present, and prizes awarded during the afternoon drawings must be claimed by 7 p.m.

For further information contact SCW Foundation at 584-6851.

Right: The Monte Carlo Carnival would not be what it is today without the support of scores of Sun City Westers. From left: Melt Bryan, Herb Smith, Bob Pruitt and seated is Helen Steinbrecher.

A Letter From The General Manager

SCW Sports A Playground

The youngest of Sun City West visitors can now enjoy the active lifestyle led by their grandparents with the October opening of our community's new playground.

Located at the R.H. Johnson Recreation Center near the miniature golf course, this new facility offers state of the art equipment designed to satisfy the energetic needs of most youngsters.

We've always welcomed the young guests of our residents to the community. In fact, there are special children's hours at the swimming pool so they can fully enjoy themselves, the video arcade and ping pong room were also designed with children in mind.

While Sun City West is, and will always be, an active adult community, it is to the benefit of many that this playground was built. The equipment will be for the use of our residents' guests, and will not be available to the general public from neighboring areas.

No Recreation Center of Sun City West, Inc. monies were allocated to this project. Del Webb financed the entire construction of the playground and the equipment acquisition.

We believe this is a positive addition to the community.

General Manager, Sun City West

Your Recreation Centers Advisory Board's Q&A

Q. From time to time, the term "transition" is mentioned in relation to the Recreation Centers. What type of transition is being referred to, and what is its impact on Sun City West homeowners? If Del Webb Corp. is going to remain in the community for another 4-6 years, isn't the element of transition a premature topic?

A. "Transition" refers to the formality of reversing the Recreation Centers management role from Webb's Governing Board to the resident-elected Advisory Board/Board of Directors. The term relates to various operational and procedural requirements which must be studied, analyzed and defined well in advance of Webb's departure; e.g., asset depreciation schedules, membership fees and charges, financial solvency, facility maintenance and capital requirements, legal interface, etc. The transfer of land and buildings is NOT part of transition. That vital administrative action was accomplished via free and clear warranty deeds, and occurred immediately following project completion.

The precise time for transition cannot be accurately predicted because transition can be driven by a number of unknowns. For example, transition could be initiated as early as October 1990 by virtue of a resident's vote to terminate Webb's management role in the Recreation Centers, or at such time as Webb determines that the Centers have reached a reasonable level of financial self-sufficiency. At the outside, transition will occur by 1994 when devloper buildout is specified in the Master Agreement. The unpredictability of the event makes proper organization and planning all that more important. Joint understanding and coordination by Webb, its Governing Board, and the Advisory Board is essential.

Training and educating the resident's Advisory Board is a critical and necessary step in preparing for transition. In this endeavor, monthly operational training workshops were begun in 1989. The workshop topics were presented by various Recreation Centers department supervisors and covered such areas as computer capabilities, bowling operations, golf course maintenance and operations, library management, and Recreation Centers landscaping. Additionally, as a follow-on to Board member Allen Powell's long-range planning initiative, Steve O'Donnell (Assistant General Manager of the Recreation Centers) is finalizing a comprehensive 5-year Master Plan. While this Plan will "talk" to all elements of the Recreation Centers operation, it will specifically provide a revised outline for a formal transition plan.

Finally, through the encouragement and forthcoming efforts of the Governing Board, the Advisory Board is now being given the opportunity to shape policy and make decisions. While transition may indeed be a few years away, Sun City West residents can take comfort that future plans, policies, and operating procedures are being deliniated NOW!

Premature? In reality, transition is already part of our vocabulary, and its implementation is being "worked" on a daily basis. From our standpoint on the Advisory Board, if we have done our homework correctly and methodically, actual transition will not be a complicated and burdensome task for residents — it will just be a simple and enjoyable ceremony!

Kiwanis Club Yard Sale

The Kiwanis Club of Sun City West's Annual Yard Sale will be held Saturday, Oct. 28, from 8 a.m. through 4 p.m. at the First Interstate Bank located at R.H. Johnson and Camino Del Sol in Sun City West.

Mark the date on your calendar and then watch the local newspapers in October for advertising for tax deductible donations of used items.

Kiwanis supports many worthwhile community programs and funds raised by the yard sale go towards that end.

Two Blind Mice At Stardust

Theatre West will present its second major production, "Two Blind Mice" on Nov. 3, 4 and 5 at the Stardust Theatre at the Kuentz Recreation Center. The curtain will rise at 7:30 p.m. on Friday and Saturday with a 2 p.m. matinee set for Sunday.

This comedy presents a satirical look at the Washington bureaucracy and is being produced by Gloria and Mel Sharp, and directed by Mitz Perlman.

Tickets are $5 with all seats reserved. The theater box office is open from 10 a.m. to noon Monday through Friday. For reservations or further information call box office manager, Jeanne Tarr at 584-7025.

Cast members of "Two Blind Mice" are polishing their performances for the November production. From left: Chuck Obee, Ina Mallonee, Virginia McElroy.

The Westernaires are having a great time preparing for their "Juke-Box Jamboree," Nov. 5.

Juke-Box Jamboree

The popular Westernaires chorus invites all you Westers to "Juke-Box Jamboree," its 10th Annual Old-Fashioned Ice Cream Sociable, on Sunday, Nov. 5, 7 p.m., at the Johnson Social Hall.

Besides their traditional mouth-watering ice cream, coffee and home-made cake, a stage show will feature old-time choral harmonies, vaudeville acts, and lots of community singing. Something for everyone!

Tickets for the party are only $3, and are available from members, at the door, or by calling 584-2419.

Concert In The Park

Mark Tuesday, Oct. 10 on your calendar for the Del Webb-sponsored concert in the park. The free event will take place at 7:30 p.m. at Beardsley Park.

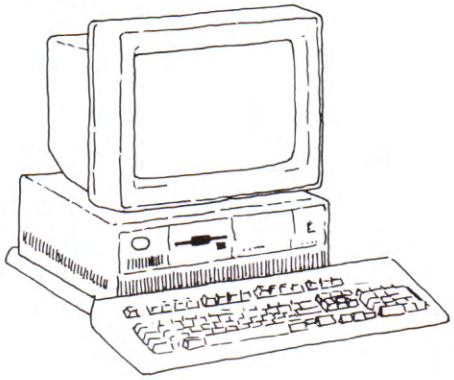

The evening will feature the Patti Williams Jazz Trio, who have enjoyed success playing resorts and jazz clubs in the Valley.

Concert-goers are reminded to bring their own lawn chairs.

New Computer Center Opens

An Oct. 26th Open House will officially mark the opening of the new Computer Center at Beardsley Park Recreation Center. Stop by between 10 a.m. to 2 p.m. and learn about the Computer West Club. This may very well be the first computer center in a retirement community.

This new center will be particularly beneficial for those who are computer illiterate — those who received a computer from their well-meaning children but haven't a clue how to even turn it on. Your friends at the Computer Center are ready to help you.

Sun Cities Art Museum

The Robert and Marian Clague Collection of Chinese Cloisonne, a traveling exhibition of the Arizona Commission on the Arts, will be displayed Oct. 17 through Nov. 19.

Several quilts created by Sun City West resident Carol Conn will be displayed at the museum Oct. 31 through Nov. 19. Conn is a member of the quilting club, Palo Verde Patchers.

The Sun Cities Art Museum is located on the north side of Bell Road between Sun City and Sun City West. Hours are Tuesday through Saturday, 10 a.m. to 4 p.m. and Sunday, 1-4 p.m. Admission is free.

Garage Sale November 11

Last call for Great Sun City West Garage Sale space reservations! The entry form has already appeared in the local newspapers, but additional entry forms are still available at the Del Webb Administration Building, 13950 Meeker Blvd.

Upon receipt by the Del Webb Public Relations department the request for space will be processed and event details and rules will be mailed back. Only Sun Cities residents may sell; buying is open to the general public.

This mega-sale will be held in the R.H. Johnson Recreation Center parking lot on Saturday, Nov. 11 from 8 a.m. to 2 p.m. Once again, the concessions tent will be operated by the enthusiastic Sundome Lions Club.

More than 600 residents are expected to sell their "garage sale treasures" at this event which historically has attracted thousands of shoppers from every corner of the Valley.

While the Great Sun City West Garage Sale provides a tremendous opportunity to clean out the garage, it also serves as a fundraiser for the Make-A-Wish Foundation, working to fulfill the wishes of terminally ill children. All sellers are asked to make a voluntary, tax deductible contribution at the time their entry form is returned. Make checks payable to the Make-A-Wish Foundation.

Evan and JoAnne MCoy will take the stage during the Musician Club's Festival concert series that begins in October.

Festival Concert Series

The Sun City West Musicians Club will sponsor six Saturday afternoon 2 p.m. matinees, featuring top local artists. Proceeds will benefit the Stardust Theatre Equipment Fund.

October 14 will showcase classical pianist Helene Gilchrist and bass-baritone Gordon Woodburn. The October 21 show will present the jazz duet of guitarist Evan McCoy and pianist JoAnn McCoy, followed by the "Broadway West" trio of Dale Wood, Mary Eliason and Alma Linder.

Tickets are $2 and are available at the Stardust Box Office.

DEADLINES

Deadline for December Activities Calendar is October 10. Please submit copy in writing. All Recreation Center copy must be submitted through the RecCenter Office. All other copy must go through the Del Webb Public Affairs Office.

Sun City West Variety Show

The 10th Annual Sun City West Variety Show, "Ticket to Broadway," will take place at the Sundome on Nov. 30 and Dec. 1. General admission tickets will be $4, with all proceeds going to the Sun Health Foundation for the benefit of the Del E. Webb Memorial Hospital. Beginning Oct. 23, tickets for the show will be available Monday through Friday, 9 a.m. to 4 p.m., at the Sundome Box Office and at the Sun Health Foundation office located in the Boswell Support Services Building, 13180 N. 103rd Dr., Sun City.

Mike Tarr is directing the show, assisted by his wife, Jeanne. Mike is designing the sets and lighting and is being assisted in set construction by Jerry Hallstrom and Ed Frome. "Ticket to Broadway," with a cast of nearly 200, will feature highights from some of Broadway's favorite musicals.

As in past years, voluntary donations of canned goods will be collected outside the Sundome preceding each performance for distribution to needy families in this area by the Salvation Army and St. Vincent DePaul Society.

Major sponsors of this year's show are Del Webb Corporation, Valley National Bank and Sun City West Medical Arts Center. Special appreciation is given to ASU/Sundome and the Sundome Performing Arts Association for the use of the facility.

Del E. Webb Memorial Hospital Race To Health '89

Join your friends in the fun on Saturday, Oct. 28 starting at 8 a.m. at the Del E. Webb Memorial Hospital in Sun City West. There's a 10K run, 5K walk, 2 mile open fun run and a 2 mile high school run.

Wear your most comfortable walking shoes, grab your wallet and get a pickup truck for the Great Sun City West Garage Sale on Sat., Nov. 11. The mega sale will be held from 8 a.m. to 2 p.m. in the R. H. Johnson Recreation Center parking lot.

The sixth annual event will feature some 650 Sun Cities residents selling their most prized possessions (?)! Seriously, it's a lot of fun and it benefits the Make-A-Wish Foundation.

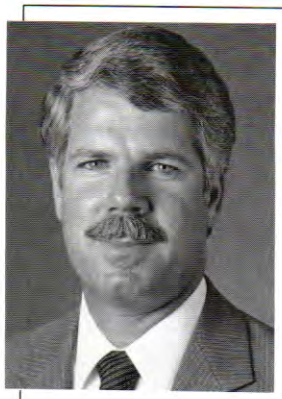

This is the third year the sale has benefitted the Make-A-Wish Foundation, which works to grant wishes to terminally ill children of central and southern Arizona.

The Del Webb Corporation sponsors the event with the cooperation of the Recreation Centers of Sun City West, Inc. The Sundome Lions Club will staff the concessions tent, donating a portion of the proceeds to Make-A-Wish.

We thank all sale participants who have so generously donated to the Foundation.

Theatre West members are ready to entertain you with "The Monte Carlo Review" on November 7th.

A Letter From The General Manager

Thanksgiving Day Celebration

This year marks the 200th anniversary of the first national proclamation of Thanksgiving Day by President George Washington at the request of Congress.

The fourth Thursday of this month will be a time of reflection and of giving thanks for our good fortunes in life. We all have reasons, far too numerous to list, for which we should be thankful.

The fact that we enjoy enriched, productive lives; that we had the resources to relocate to Arizona and Sun City West; that we have loving friends and families are just a few that immediately come to mind. Yes, we indeed are most fortunate.

The Sun Cities Ministerial Association has been preparing for nearly a year to bring you an inter-denominational celebration of thanks at the Sundome on Nov. 23 at 10:30 a.m. Rabbi Robert Kravitz, Phoenix area director of the American Jewish Committee, will be the keynote speaker.

If you have never attended this event, I would encourage you do to so as the level of cooperation among such a variety of faith and community groups is unparallaled.

Del Webb has long been a supporter of the Ministerial Association's efforts and is proud to be an annual co-sponsor of the Thanksgiving Day Celebration, along with the Sundome.

Charles T. Roach
Executive Vice President
General Manager, Sun City West

President of the Governing Board Views the Advisory Board

In December 1980, the then-President of the Del Webb Development Company directed that an Advisory Board composed of elected residents of Sun City West be established to assist with the management of the Sun City West Recreation Centers. The purpose of the Advisory Board, as noted in the document which established the Board, stated in part, "is to work with the Governing Board of the Recreation Centers of Sun City West so that the Board members may become familiar with how policies relating to the operation of the Recreation Centers are established. While the Board members are to serve in an advisory capacity, they will play an important role in providing policy guidance for the management of the Recreation Centers."

The Advisory Board, as the name implies, serves in an advisory capacity. As a matter of interest, in the early days of the Recreation Center operation nearly all authority was vested with the Governing Board and the General Manager. However, in recent years, much of the authority for the development of policies and guidance for the Recreation Centers has been shared with the Advisory Board. For example, for the past three years the financial committees of the Advisory Board were involved in the establishment of the ground rules by which the annual budgets were prepared. It is also to be noted that the Governing Board approved the annual budgets only after the concurrence of the Advisory Board. In addition, members of the Advisory Board meet with the General Manager on a regular basis and give advice, counsel and propose solutions to current issues. Their work in this regard has been greatly appreciated, and on a number of occasions the Board brought about resolution of issues before they became problems.

Since the establishment of the first Advisory Board, 33 residents have served on the Board. Their contributions to the management of the Recreation Centers has been significant and appreciated. The knowledge and the expertise which they have acquired as Advisory Board members will be most useful when the residents have full responsibility for managing and financing the Recreation Centers. The availability of residents who are knowledgeable on matters pertaining to the operation of the Recreation Centers augurs well for the future of the centers.

K. S. Parker
President, Governing Board

The Recreation Centers Advisory Board "Q&A" will resume in December. Please send your questions to:

Trail Ridge Golf Course Opens

Sun City West's seventh golf course, Trail Ridge, will open to the public on November 16. This unique desert golf course will offer an added variety to the golf course menu presently available in our community.

The course is located near the Kuentz Recreation Center on Stardust Boulevard and will be operated by the Recreation Centers of Sun City West, Inc. Green fees are $8 for 9-holes, $13 for 18-holes; the annual green fee permit also applies to this course.

Activities Calendar Format To Change

Approximately two-and-a-half years ago Del Webb Corporation entered into an agreement with Phoenix Publishing, the parent company of *PHOENIX Magazine*, to include the Sun City West Activities Calendar in the back of the publication.

This allowed the use of color photographs, a professional magazine graphics staff and delivery of the activity news to each household in the community in a cost-effective manner.

The contract with Phoenix Publishing will come to an end with the December issue. However, an Activities Calendar will continue to be produced, keeping you informed of the myriad activities available in Sun City West. You will also have an opportunity to continue subscribing to *PHOENIX Magazine* at a 50 percent savings if you so desire.

Several options are now being explored to insure the continuation of the Activities Calendar in a cost-effective manner. As these discussions progress, you will be kept informed of the decision. We all understand the importance of communicating the various schedules and events to the people of Sun City West. The goal is to maintain a vehicle for that communication.

Flag City USA Earns Honors

The Sun City West American Legion Post 94 is the 1989 recipient of the George Washington Honor Medal presented by Freedoms Foundation at Valley Forge.

The Boulevard of Flags project was selected from thousands of nationally submitted nominations. Members of Post 94 have secured scores of American flags, many having flown over the White House, others received from families of deceased veterans, which now wave freely along R. H. Johnson Boulevard six holidays a year.

A presentation honoring Post 94 is scheduled for Nov. 28 at 8 p.m. at the Stardust Theatre in Sun City West.

Lloyd Kilmer, commander of Post 94, will accept the honor medal on behalf of the group.

Easter Seals Poker Run

The Easter Seals Society will stage a poker run fund raiser in Sun City West on Dec. 2nd. All you need is a golf cart and entry fee, then you're off!

The object is to stop at all seven Sun City West golf courses, picking a playing card at each stop. Best hand wins.

Call the Easter Seals Society for more information, 252-6061.

Festival Concert Series

The Festival Concert Series at Stardust Theatre continues in November. These 2 p.m. Saturday matinees are presenting talented local performing artists. Sponsored by the Musicians Club of SCW, they will benefit the Stardust Theatre Equipment Fund.

November 11 will feature the "Aleppo Trio," with Ruth Schoenhard, Lucy Baisden and Mary Eliason, followed by soprano Barbara Paropovich and tenor, Mike Tarr.

On **November 18**, there will be a performance by the Sun Cities Chamber Orchestra.

Tickets are $2, and available at the box office. The remaining concerts will be on Dec. 9 and 16. For information, call 584-4667.

Juke Box Jamboree

Be sure to join the Westernaires choral group for their 10th annual old-fashioned ice cream social, Sun., Nov. 5 at 7 p.m. in the R. H. Johnson Recreation Center Social Hall.

Mouth-watering ice cream, coffee and homemade cake will be served.

Tickets for the party are $3 and are available from members or at the door.

The Westernaires' stage show will feature old-time choral harmonies, vaudeville acts and lots of community singing.

Sun City West Art Club members are getting ready for the Art show: foreground, Marie Williams; center, Lillian Crispin and in the background is Margaret Nelson.

Kuentz Center Art Show

Come and see the new art facility at the Kuentz Recreation Center with its premier judged Fine Arts Show on Sat., Dec. 2 from 9 a.m. to 4 p.m. and on Sun., Dec. 3 from 9 a.m. to 3 p.m. A reception will be held Sat. from 2 to 4 p.m. The event is hosted by the Sun West Art Club.

There will be art demonstrations and gifts along with some of the finest art works for your viewing. The works will be judged by Lucinda Gedeon, a member of the Fine Arts Department at ASU.

Ticket To Broadway

The 10th annual Sun City West Variety Show, "Ticket To Broadway" will feature music from favorite Broadway shows including *The Sound of Music, Fiddler on the Roof, Music Man* and *Guys and Dolls*. The performances will be staged at the Sundome, Nov. 30 and Dec. 1; doors will open at 6:30 p.m. To be fair to all concerned, no more than three seats may be saved by any individual.

Tickets, $4 each, are available at the Sundome Box Office and at the First Edition Library located in the Thunderbird Medical Plaza. All proceeds from the event will go to the Sun Health Foundation for the benefit of the Del E. Webb Memorial Hospital.

As in the past years, voluntary donations of canned foods will be collected outside the Sundome preceding each performance, to be distributed to needy families in the area.

Major financial sponsors underwriting the expenses of this year's show are Del Webb Corporation, Valley National Bank and Sun City West Medical Arts Center. Special appreciation is given to ASU/ Sundome and the Sundome Performing Arts Association for use of the facility.

The Rhythm Tappers will be among the featured performing groups at this year's Sun City West Variety Show. Variety Show producers, Jeanne and Mike Tarr are seated third and fourth from the left.

The Copper Cookers Creations Club will be among the craft fair participants, selling their art form which dates back to the Greek civilization in the Fifth Century B.C. Beginner classes are conducted several times a year and new members are always welcome. Club members recently displayed 36 pieces of their work in the community showcase at the Sundome. From left: Guy Lemon, Doris Shumway and Mary Weber.

Arts and Crafts Fair Library Book Sale

Do some early holiday shopping at the Sun City West Arts and Crafts Fair, Nov. 4 from 9 a.m. to 4 p.m. The clubs will sell their creations at the R. H. Johnson Recreation Center Social Hall and Arts and Crafts Village.

In addition to the crafts, the Friends of the Library will conduct its annual book sale, featuring books, magazines and recordings.

Food, refreshments and baked goods will also be available for sale.

A Letter From The General Manager

Activities Calendar To Be Posted Not Mailed

As our contractural relationship with *PHOENIX Magazine* comes to an end with this issue, I'd like to take a moment to explain the transition the Activities Calendar will realize.

Del Webb Corporation and the Recreation Centers of Sun City West, Inc. have been working together to ensure an orderly passage of control as our community grows toward completion. Each year some areas that have been under Del Webb jurisdiction are being turned over to the Recreation Center staff.

After lengthy discussions the Recreation Center Advisory Board, in cooperation with the Recreation Center administrative staff, has elected to change the method of communication regarding the recreation center activities.

Beginning next month the activities calendar, which you now see on page six in this format, will be posted on the bulletin boards at all of the recreational facilities and will be included in the newcomers' welcome packets.

Special events with community-wide appeal such as the arts and crafts fair and garage sale will be detailed in expanded editions of the Western Star, the recreation center's newsletter which is available at the recreation center golf courses, sports pavilion and administrative office.

Charles T. Roach
Executive Vice President
General Manager, Sun City West

Your Recreation Centers Advisory Board's Q&A

Q What has the Advisory Board achieved in 1989 as compared to its original goals?

A REPORT CARD TIME! Like all report cards there is some "good" news and some "bad" news. Let's look at our major goals and what, in fact, has been accomplished during 1989.

1. Improved communications between the membership, the Advisory Board and the Governing Board. Two "Open Forum" meetings were held with the membership which included formal presentations as well as question and answer sessions. The Advisory and Governing Boards met jointly on a monthly basis (except for July and August) with open and frank discussions of mutual interest. At least one special meeting took place to resolve a problem that needed immediate attention. Additionally, a letter was sent to the entire membership with a detailed explanation of need for an increased dues and golf fees.

This Q. & A. column has answered some of your questions while others were responded to in writing. Beginning in early 1990, this column will appear in an expanded version of the Western Star, again with the purpose of improving communications.

2. Recommend and counsel with the Governing Board on the administration of the Association's physical assets. The Advisory Board, through its various sub-committees, has instituted ongoing reviews of all physical assets as to their condition, maintenance and if necessary, their replacement. The vast improvement of the Grandview golf course, the replacement of the Johnson running track and the replacement of eight of the Johnson bowling alleys, are just a few of the many projects that the Advisory Board helped prioritize.

3. Assist management in the development of realistic and attainable financial objectives appropriate to our changing needs. Some major activities that your Advisory Board participated in are as follows:

a. Management has prepared a five-year master plan which is currently under review. Like all projections, the more often they are prepared, the more accurate and efficient they become. In addition, revised data sheets and new computer software have been obtained that will enable management to collect demographic data with regard to the use of our facilities.

b. This fiscal year operating costs were held below budgeted levels at Johnson and Beardsley Recreation Centers and the four golf courses until increased cost of insurance ($30,000) and the new school taxes ($96,000) played havoc. These same two items along with inflation necessitated dues and golf fee increases.

c. At Advisory Board urging, extensive studies were implemented to evaluate our money losing operations, namely, pro shops and snack shops. Changes in pricing and limited hours of operation were effected. Losses have been reduced but are still losses. The Advisory Board is approaching the point of advising the membership — "use them or lose them."

d. Written policies covering the use of both the Asset Reserve and Golf Reserve Funds have been drafted and currently are being reviewed in sub-committee. Final drafts will be presented to the Advisory Board for approval before this year expires.

This "Q&A" column has been designed by the Recreation Center Advisory Board to help you learn more about the operation of the facilities and any upcoming changes. Please send your questions to:

First Annual Golf Cart Poker Run

All you need is a golf cart, or a friend who owns one, and a sense of adventure to participate in the Sun City West traveling poker game on Saturday, December 2. This Arizona Easter Seal Society fund raiser is the first of its kind in the community.

At 9:30 a.m. golf cart "players" will depart from the R. H. Johnson Recreation Center Social Hall and begin a seven stop leisurely tour of the Sun City West area. At each stop on the tour, the players will receive a sealed envelope containing a standard playing card. At the conclusion of the adventure all the envelopes will be opened and prizes will be awarded for the top three poker hands.

First prize is ten three-day/two-night accommodations with dinner at the Colorado Belle Hotel and Casino in Laughlin.

Second prize is a three-night stay with breakfast and dinner at the Tropicana Hotel in Las Vegas.

Third prize is an overnight stay with bus transportation at the Colorado Belle Hotel and Casino in Laughlin.

The cost of the event is $25 per cart if you pre-register and $30 per cart for event day registration. The money raised will stay in Arizona to support the 52,000 services provided annually by the Easter Seals to disabled children and adults.

Registration forms are available at the Madison House, Safeway, ABCO, Security Pacific Bank, Great American Bank, Southwest Golf Carts, Desert Golf Carts and at all seven Sun City West golf courses. Event day registration begins at 9 a.m. at the R. H. Johnson Social Hall.

Sun Cities Art Museum

Samuel Ingram, internationally known artist who now lives in Sun City, will have a one-man show in all three galleries of the Sun Cities Art Museum from November 26 through December 31. His exhibit, *The Alluring Romance of the American West and Mexico*, will include some 120 works of art, drawings and artifacts.

Few, if any, artists have ever had such a large one-man show in Arizona or elsewhere.

The museum is located at 17425 N. 115th Ave., midway between Sun City and Sun City West and is open from 10 a.m. to 4 p.m. Tuesday through Saturday, and 1 p.m. to 4 p.m. on Sundays. Admission is free.

Luminaria Festival

Sun City West has become the luminaria center for Arizona. On Christmas eve at dusk every neighborhood in our community will feature beautiful candle-lighted displays, a Mexican tradition.

One of your neighbors will contact you to place your order for luminaria kits, each of which contains twelve white paper bags, votive candles, plastic cups and sand to stabilize each bag. Most homes will need two kits while corner lots will require more. Kits are also available at the Luminaria "assembly plant" at 17228 Dysart Rd., north of Bell Road.

The cost of each kit is $4.50 with the event benefitting the Sun City West Foundation. Those dollars will help fund the construction of the community's adult day care center.

Bob and Barbara Belt had more than ninety luminarias on their corner lot at Camino del Sol and 133rd Avenue.

Tickets To Broadway

The Sun City West Variety Show, November 30 and December 1, will feature musical favorites from Broadway shows including *The Sound of Music, Fiddler on the Roof, Music Man* and *Guys and Dolls.*

Tickets for the Sundome performances are $3 each and are available at the Sundome box office and at the First Edition Library located in the Thunderbird Medical Plaza in Sun City.

Doors will open at 6:30 p.m., but to be fair to all concerned, no more than three seats may be saved by any individual.

Donations of canned goods will be accepted at the door for distribution to area needy families.

Major financial sponsors of this year's show are Del Webb Corporation, Valley National Bank and Sun City West Medical Arts Center. Special appreciation is given to ASU/Sundome and the Sundome Performing Arts Association for use of the facility.

Joke Telling Club

The Joke Telling Club will hold a meeting Thursday afternoon, December 28th at the Western Savings Bank, Johnson Blvd., Sun City West at 1:30 p.m. This meeting is open to residents of Sun City and Sun City West. At the last Joke Telling meeting everyone enjoyed the stories, especially the one about the old man who went into the police station and told the Sgt. he wanted to report that his wife was missing. The Sgt. asked him for a description of his wife. The old man said, "She was short, fat, two teeth missing in the front, curly red hair, reddish complexion, brown eyes and always uses green mascara."

The Sgt. asked how long she'd been missing.

The old man says, "She has been missing for three weeks."

The Sgt. says, "Why did you wait so long to report this?"

The old man looked at the Sgt. and said, "I thought it was a dream."

Everyone is welcome to come down and either listen or join in and tell some jokes.

The Nian Dancers will join the Rhythm Tappers of Sun City West in December 10th performances of Christmas Wonderland.

Sun City West Has Zest

Sun City West is wonderful, who'd
dream it could be this good?
To me Sun City West seems to be –
just like my old beighborhood.

Cute cafes, one of the greatest cabarets,
and a couple of cozy bars.
Delightful dudes with great attitudes –
treat their spouse like movie stars.

Sun City West is terrific,
and 'tis truly upbeat,
Goodness gracious it's so vivacious,
Sun City West is simply unique.

Arts and crafts, golfing with
better-halfs,
scads of meaningful things to do.
You and your mate will find activities
great –
whether planned or impromptu.

Sun City West is marvelous,
and Westers oft times say,
Sun City West is the very best,
and seems more beautiful each day.

O. K. Lucas
Sun City West resident

Christmas Wonderland

The Rhythm Tappers of Sun City West will present a program along with some of their younger friends at the Stardust Theatre on December 10. The performances will be choreographed by Nian Cadman who has choreographed such shows as *Showboat, Fiddler on the Roof* and *South Pacific*, and she recently received the First Place award at the Arizona State Dance competition.

Her dance group, called the Nian Dancers, has won state and national dance titles. One of her students is "Mr. Dance of Arizona 1989" and another is currently appearing in the movie *Taps* with Gregory Hines.

The Rhythm Tappers will do one of their specialty numbers, also choreographed by Cadman.

The $3 tickets are available at the Stardust Box Office from 10 a.m. to noon, Monday through Friday. All proceeds will benefit the Stardust Building Fund. Performance times are 3 p.m and 7 p.m.

Left to right: Alma Linder, Harriet Weber and Thelma Young.

Stardust Festival Concert Series

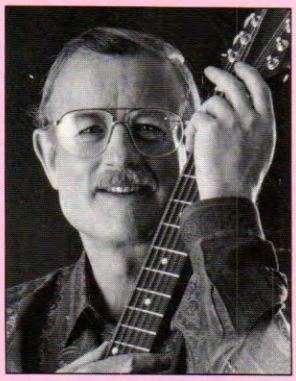

The popular Festival Concert Series at Stardust Theatre comes to an exciting climax in December. The 2 p.m. Saturday matinees are presenting top local performing artists. They are being sponsored by the Musicians Club of SCW, and will benefit the Stardust Theatre Equipment Fund.

December 9 will highlight the vocal quartet of Ruth Conrad, Harriet Weber, Carl Easterbrook and Gordon Mason. There will also be a vocal duet and solos by sopranos Thelma Young and Harriet Weber.

December 16 will be the final concert, beginning with the "Arioso" string quartet of Mary Eliason, Lois Brusman, Eleanor Gallatin and Mary Schwarz. This will be followed by a gala holiday choral ensemble *Night Before Christmas*, with Arthur and Dorothy Smith and company.

Tickets are $2, and available at the box office. For information, call 584-4667.
